Three Hills Wins First League Game

On Monday night the Three Hills Junior Hockey Team scored a win in their first league game against Huxley. Although the boys and a team which greatly outwitted them and scored several goals, they played good hockey and came out on top of a 5-3 score. The local team showed much improvement in organized play and with experience they will make a team of which the town may well be proud. They play again hockey Wednesday by the fact that they scored no penalties in the game. The boys are hard workers, they out the best they have into the game, and they deserve the support of the town.

Local Summary-- First period, Huxley Maxwell. Second period, Huxley Sixteen from McKay. Third, Huxley-Ruffin from Calgary (Calgary) Calhoun from Murray. Third period, Huxley McKay from Huxley, Three Hills, Calhoun from Huxley, Calhoun.

The next league game in town will be played against Trochu on January 16th. Turn out and give the boys your support.

The team will journey to Blaine on Friday night for their next game.

A Pioneer Passes

With the passing of the old year came the passing of a pioneer of the Three Hills district, Mr. E. R. Connel. Mr. Connel passed away in the Trochu hospital on December 1st after a long illness. He had been a resident of the district for 25 years, having homesteaded four miles east of Three Hills, farming there until 1917, when he moved to Three Hills, where he resided until his death.

Mr. Connel was born in Ohio in the year 1860, later moving to Montevideo, Minnesota, where he was married and farmed until he came to Alberta. His wife predeceased him in 1930, and a son, Earl died in 1931. He is survived by two sons, Charlie, now of Spokane, Washington, and Claid of home, and Mrs. Melvin Kay of Three Hills. There are 22 grandchildren and 16 great grandchildren.

The funeral was held in Knox United Church on Thursday afternoon at 2 o'clock, with Rev. K. B. Roudsage officiating. Interment took place in the Three Hills cemetery. Patton's Funeral Home being in charge of arrangements.

pallbearers were: S. J. Robertson, W. A. James, L. J. Kalfbleisch, T. S. Ellis, D. Hutchinson, G. G. Dun.

Fifteen members of the Royal Purple returned to Calgary, Monday evening to attend a banquet at the Hotel. After the banquet officers were installed by Supreme Honored Royal Lady Hammi, Past Hon. Royal Lady Dorothy LaBry was presented with a jewel.

TOWN COUNCIL

A quiet session of the Council was held Monday, with Councilmen Henderson, Mullinger, McBurness and Kelly present, the latter acting in the capacity of Mayor.

Following the reading of the minutes and passing of bills, a permit was granted Mrs. Bridge for the erection of a 14x12 cottage on her lots near M. H. Miller.

Letter from P.R.I. was read, expressing objection to the amplifier which has been installed at the risk free of cost by Mr. P. Selwyn. This matter was not considered and the Councilmen felt that the portion of the letter stating "this had been going on for years" was a wrong interpretation of the facts, and decided to let the risk committee do whatever they wish on the matter.

During the last 2 week period two fire calls were received from the Three Hills Hotel, on 2nd floor and chimney fire at Ruffan residence.

All tanks of water were delivered from the town well in Dec.

Mrs. Young was appointed as R.O. for the coming elections. Nominations day is Feb. 3, Councilors McDonough and Davidson and Mayor Jenkins being the outgoing members of the Council.

OBITUARY

WILLARD T. NELSON

The late Willard T. Nelson who passed away on Saturday, December 8, was born in Wisconsin, Oct. 10, 1854. He left there about 1880 at 16 years of age, and came out west to British Columbia, to remain for some time at Revelstoke. Later, he moved to Didsbury, where he was engaged in the creamery business. He then went to Garfield, Ont. to study butter making and after returning west, took charge of the creamery at Soudan, Sask. After some time there he was appointed secretary of the Local Improvement District and subsequently the Municipal District of Saultier. His added duties as Municipal secretary made it necessary for him to give up the creamery.

He was married at Didsbury in 1911 to Miss Marian Fay of Dundas, Ont. To this union two sons were born, Kenneth, who died January 1929, and Bottine. Mr. Nelson purchased her husband six years ago.

Mr. Nelson was a valuable servant of the Municipal Council, and his sterling qualities had won for him a host of friends who feel keenly the shock of his passing.

He leaves to mourn, his son Bottine, his mother, Mrs. Wilson Nelson of Owen Sound, Ont., a brother, Howard of Alton, Ont. and two sisters, Mrs. Craig of Alton and Mrs. W. Thompson of Owen Sound.

Funeral services were conducted in the Presbyterian church by Mr. McWheterson, on Monday, Dec. 8. Pallbearers were: C. Christie, H. Parry, J. Smith, A. E. Walker, R. A. Dawson and R. Milligan. Service at the graveside was in charge of Cyprian Lord, No. 113 of which the deceased was a member. Interment was made in the Three Hills cemetery. Patton's Funeral Home had charge of arrangements.

CARD OF THANKS

I take this opportunity of extending my sincere thanks for the many kindnesses and expressions of sympathy, and also for the beautiful floral tributes, during my recent bereavement.

BRITTAIN NELSON.

WEDDING

A quiet wedding was celebrated at the home of Mr. and Mrs. John Gutzridge on Dec. 8th when their daughter, Mildred married because the bride of Mr. George Ward of Carmichael. Miss Edna Scott and Mr. Floyd Gutzridge were the attendants. The ceremony was performed by Rev. E. B. Brundage.

New Year Message From Your Pastor

I greatly appreciate this opportunity of wishing one and all a Very Happy and Successful New Year. I am not unmindful of the difficulties under which we will have to labor; difficulties which may easily develop to considerable proportions. Crop market conditions will, in all probability, be more severe than anything we have experienced thus far. Demands upon the personal of out homes for war service may easily increase rapidly. There will always be the sacrifices expected of all loyal citizens in a country at war, fighting for freedom and liberty and against dictatorial slavery.

But, as to our handicaps may appear I am quite convinced that we can still live the year 1931 in a happy frame of mind, and that we can have a share in one of the greatest enterprises ever to call for the combined services of mankind. With such an attitude I am satisfied we shall deal more cheerfully with all our problems as they arise.

So again I wish you all a Very Happy New Year and may it be filled with satisfaction if not with the usual prosperity we would like and could rightly expect if conditions were normal.

E. B. Brundage,
Pastor, Knox United Church.

Locals

Mrs. George Patten returned home from Calgary on Monday after spending the holiday with her daughter.

Mr. and Mrs. Ray Davidson of Regina were up for the week end.

Harry Davidson underwent a tonsillectomy last week.

Mrs. Cline has been ill the past week.

Mrs. A. Halpin returned home from Regina, last Saturday.

Mr. A. Johnson was taken to Truett hospital on Sunday.

Mr. J. E. McIvor arrived home on Thursday.

Robert Colburn entertained the V.P.S. at his home on Sunday evening. Over thirty members were present.

Mrs. J. S. Sherriff left for her home in Edmonton on Thursday, January 7.

Mr. and Mrs. T. H. Hogg left for the weekend in Edmonton with Mr. and Mrs. Bill H. Latt of St. Paul.

Donald White underwent an emergency appendicitis operation early Sunday morning.

Fred Waldeck continued practice in his back last week while staying at the hills north of here. He was taken to Truett hospital immediately.

A.U.F.A. meeting will be held on Saturday, Jan. 26 at 2.30 p.m. in the C.F.A. hall. If you feel that you have a different opinion please attend.

Mr. Halpin will be in the city this week.

W. H. Wilson, manager of the Truett Branch is attending a two-day convention in Calgary in connection with the Commission new television program.

The Ladies Aid of Credit (known as the Aid of Mrs. Chas. Johnson on Sunday).

The Oshkosh and Redbank from Three Hills attended on Sunday evening to attend a banquet.

The big banquet was in the Fraser and we expect to see more fun and funniness awaiting. The Oshkosh are coming in the afternoon on a tour and a try of fine class horse and a copy of local.

We must go to mention it, but Mrs. Patten received the most delightful surprise present at her home, in the form of a gift, consisting of a collection of pink and white crepe paper. It is certainly in good manner in donating paper.

Annual Town Meeting

The Annual Meeting of the Town of Three Hills was held on Friday evening with the small attendance of nine.

The minutes of the last annual meeting were read by the secretary after which Chairman C. J. Davidson gave a summary of the council's accomplishments for the past year stating the mill rate believed that the mill rate would be sufficient to build up a surplus. When this is accomplished it would then be advisable to consider increased expenditure for improvements, etc. He added that relief costs were reduced substantially during the year.

Mr. Mullinger submitted a report of the committee in charge of cemetery, electric light and fire, and informed the gathering that these services had been satisfactorily carried throughout the year.

Mr. Hutchinson brought up the matter of free skating for children, believing that the age limit for free skating should be increased to 15 years.

At the close a vote of thanks was tendered the Council on motion of Mr. Hutchinson.

The annual School Meeting was then called to order with Mr. W. Harte in the chair.

At the reading of the minutes the Chairman presented the Trustees' Report and reviewed the financial statement, explaining that the cost of operation had been increased but that this additional expenditure had made it possible to provide an extra teacher and equipment for the commercial course, which has proved to be a valuable asset. Mr. Harte stated that harmony had prevailed at all the meetings and expressed his appreciation for confidence placed in him.

A recommendation was made by Mr. Hutchinson that physical training be given at the school.

The School Board was accorded a vote of thanks on motion of Mr. Mullinger, sec. by C. J. Davidson.

The Chairman then called upon Mr. Kelly, principal of the high school, who gave a very interesting talk on the work being carried on at the school, explaining that no effort was being made to create competition and interest of the parents through the medium of the Parents-Teachers Association. Mr. Kelly also submitted a general report and advised that the teachers were fulfilling their duties efficiently and harmoniously.

The meeting adjourned at 10 o'clock.

Council To Be Revamped

Monday's nomination resulted in only three candidates for the four vacancies on the Council necessitating a second call for nominations.

After being nominated for mayor A Henderson decided to withdraw leaving C. J. Davidson and A. J. Robertson in the running. Both of these men have had experience on the Council and are fully capable of governing the municipality.

This year we will have some new blood on the council. Harold B. Waterbury and P. Sellenbach. We feel sure the two new additions on the Council will prove to be a great contribution. I sincerely hope this initiative should create sufficient stimulus to make the sound and progressive government.

For the School Board three of the five candidates in the running are new material. Two of the retiring members were re-elected while A. J. Robertson has decided to remain out of the running.

Nominations for Mayor are as follows:

- C. J. Davidson
- A. J. Robertson.

Retiring Councilmen are C. J. Davidson and C. F. McInnagh. A. J. Robertson and A. Henderson having resigned to contest the position of mayor, leaving four vacancies. Candidates are—

- C. F. McInnagh
- P. Sellenbach
- H. E. Waterbury.

With one seat still vacant, some action are being called for next Monday.

The following nominations have been received to fill the vacancies on the School Board caused by the retirement of Wm. Harte, M. L. Helton and S. J. Robertson—

- Wm. Harte
- J. D. Harvey
- M. L. Helton
- G. E. Stacey
- W. K. Webb

Voting will take place next Monday to elect a Mayor and Trustees. Be sure to cast your ballot at the Town Hall.

Who keep asking that old spring hat was so much? Trade your old one for a new one—red engine oil, jugs, P. 1000 are reasonable, your choice of 5 different models from \$5.00 to \$12.50. Good allowance for your old one at Traders Furniture Store.

I Pledge

"I realize that Canada now calls on me... to join in a great National Savings Plan... necessary to win the war and vital to my own safety.

—that the gallant men of the Army, Navy and Air Force... now on the fighting front... need me on the financial front. They need munitions, material and equipment... and only by my money which represents the production of war materials can this support be secured. They are my protectors. They call on me to be their provider.

—that this will require hard work and money doing.

—that only by hard work and frugal living... by LENDING all I can to Canada... can I do my part to help to win the war and establish our future security.

I Pledge— that I will forego the purchase of unnecessary articles... however small the cost... no matter how well I am able to pay for them... which take labour and materials away from the great task of providing goods needed to win the war.

—that now... starting this month... I will put a definite part of my income aside in War Savings Certificate. I will have it deducted regularly... each week... each month... either from my pay envelope or from my savings account, by arrangement with my employer or my bank manager."

AND HERE'S TO
THE LADIES--

All the buying of War Savings Certificates is not being done by the men. Not a bit of it. The ladies are doing their fair share, and this is not of their kind. Come work, and all other War Activities. God bless them.

We offer our warm congratulations to the ladies of Three Hills for the acquisition and example of their efforts. Before the War Savings Drive is over, we firmly believe that there won't be a house in this community that is not pledged 100 percent in War War Savings Certificates.

We are proud to pay this tribute to our friends and comrades who are working so loyally and so conscientiously to insure the success of the War Savings Certificate Drive in Three Hills.

Savings Campaign Under Way

The Three Hills War Savings Campaign, although slow in start is now really getting under way and everything points to a large sum up over three hundred per cent in the campaign. Contributors will be calling on you in the near future - remember they are freely giving time for the same. Treat them with courtesy and sign "a pledge to save for victory."

Country districts are being organized and farmers are reminded that wheat delivered to elevators will not apply as quotas. Farmers - please yourselves to deliver 50 lbs. 200 bushels or more, your elevator agent will attend to the details.

Canada needs millions of dollars for guns, tanks, aircraft, ships, ammunition. Every dollar you save and lend through War Savings Certificates becomes part of a fighter on a tank or a depth charge or a shell.

Your dollars fight along with our soldiers, our sailors and our airmen.

Your savings come back to you later, when victory is won, at a time when spending will help you and help your country.

Buy Certificates to your limit. Every day, every week, every month less your savings to the government, for the money is urgently needed. Put the nation's need before your own.

WEDDING

A quiet wedding was solemnized at Grace Presbyterian church, Calgary on Thursday, Feb. 27/34 at 2 p.m., when Evelyn Mary, eldest daughter of Mr and Mrs F. E. Johnson of Ghost Pine and Wilfred A. Evans, youngest son of Mr. Arthur Evans, were united in marriage by Rev. Alfred Wright.

The bride was charmingly attired in a dress of sky blue sheer with matching hat and carried a bouquet of lily of the valley and pink carnations. She was attended by Miss Joan Hayes of Calgary, who wore a dress of Royal Blue with black hat and carried a bouquet of spring flowers. The groom was supported by his brother, Hinge Evans.

Following the ceremony a wedding breakfast was served at the home of the bride's uncle and aunt, Mr and Mrs G.W. Johnson after which the happy couple left for a honeymoon at Banff. They will make their home in Three Hills.

K. Roy McLean, Optometrist and Optician, will be at Gordon & O'Brien on Monday afternoon and evening, March 11th. From Wednesday to Sunday, evening at 208-210 Southern Building, Calgary.

The Beauty's Shop Haircut Club dance which had been postponed on account of bad weather, was held last Friday, with a good attendance.

Three Hills Enters Town Council Hockey Finals

The last game of the semi-finals was played here, Wednesday, with Huxley, the basic coming out on top with a score of 5-3, and taking the series 14-10.

Huxley put up a good fight and at times had the local team worried but nevertheless our boys were on top at the end of the first period. Huxley took the second period, and Three Hills came from behind to win the game in the last period.

Three Hills - Geo. Samuelsen, goal, B. McKenzie, V. Helton, H. Robertson, R. Colburn, R. Johnston, Bill Smith, J. Ralston, B. Smith, E. Murray, L. Shaw, J. Robertson.

Huxley - G. McKee, goal, A. Jensen, E. Jensen, R. McArthur, S. Hansen, M. McRae, W. Vie, W. Tisdale, A. Sivert, G. Maxwell, W. McKenzie, sub goalie.

Three Hills has won a game and it seems that they are not getting the support they deserve. Why not make a special effort to attend the return game here, with Trochu, tonight, Thursday.

Trochu Wins First Game in Finals

The first game of the finals was played Monday, at Trochu, when Three Hills lost, 2-1.

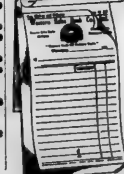

It was a very hot game, and the teams were evenly matched all through the game. First period was even, and the second opened up with Harold Robertson getting credit for the first center, which put Three Hills out in front, 1-0. Sam Trochu retaliated and the period ended 1-1.

The third period was not as fast as the preceding two, and the goal was beginning to show its effects. Nevertheless it was good hockey even if Trochu did get two goals in that period. Our boys made the Trochuites work hard to get them.

Trochu line-up - A. Brown, goal, E. Smith, H. Hansen, W. Ralston, H. Fruchard, E. Smyth, D. Parrie, W. Halbert, F. Taylor, D. McNiel.

Three Hills line-up: as in Wednesday's game.

The Trochu goalie was the outstanding player and many times saved what appeared to be sure goals.

A regular meeting of the Council was held on Monday with all councillors present.

Memo A. H. Patton and H. H. Howe appeared before the Council on behalf of the War Savings Committee, and requested a grant to cover incidental expenses in connection with the campaign.

After discussing the matter it was decided to request the committee to present a detailed statement at the next Council meeting for payment.

Cosmo Mullinger was appointed Deputy Mayor.

Mayor Robertson voluntarily withdrew his request for telephone. Letter from Harry Robertson asking for relief, but Council decided he was not their responsibility.

Municipality of Norquay advised that an effort was being made to include the surrounding towns and municipalities in a Health Unit, and desired to hold a public meeting here in the near future. The Council went in favor of supporting the plan.

Tenders for cleaning were opened and the contract given to F. Vibe.

Mrs. Burill requested a subvent to prevent flooding of her property but this matter was left in the hands of the public works committee.

Standing Committee:-

Public Works: Kelly, Selbach, Robertson.

Fire, Light, Police: McDougall, Wilson.

Town Hall, Finance, Bylaws: Waterbury, Kelly.

Relief, Cemetery: Billings, Kelly.

Park, Fish, Well: Helton and McDougall.

Trees and general decorations: Robertson, Waterbury.

House Committee: Selbach, Mullinger.

World Day of Prayer Observed

The World Day of Prayer, was observed in Kansas United Church, on Friday, with the Presbyterian, Anglican and United churches participating.

Rev. E. B. Brudogge gave the address and Mrs. B. J. Quigley presided as chairman. Those taking part were Mrs. Hughes, Mrs. Kelle, Mrs. Ken Wright, Mrs. Manning, Mrs. J. J. Robertson, Mrs. R. Grant, Mrs. Harte, Mrs. C. J. Davidson, Mrs. Ben Mathers, Mrs. Remick, Mrs. Matheson.

Miss Ellen Hill and Mrs. Doug Shaw sang a suitable duet.

The collection will be used for the purchase of Christian literature to be distributed throughout the world.

Pilot Officer Sam Bowhay is Visitor

Sam Bowhay of the R.C.A.F. arrived here on Monday to visit his people. He has completed nine months' training and has the honor of having received his commission as a pilot officer and will take a nine weeks' instructor's course at Trenton, Ont. He will return to the east today.

Sam joined the Air Force in 1931 and has proved to possess unusual ability with the result that at the conclusion of his training course he was one of a few to be given a commission as Pilot Officer and chosen for an instructor. He has 10 flying hours to his credit and during training, a big hairy battle rained at over 5000 ft. was turned over to him for his own use. Having won his "wings" at Kingston, he will now take a short course at Trenton, Ont. as a pilot officer. He has a cousin to be assigned to a training camp out in good old Alberta where he was born and raised, the son of Mr. and Mrs. Charles J. Bowhay. He is a well-mannered young man and we can safely say he has already won a host of admirers in his smart new pilot officer's uniform.

Three Hills is mighty proud of the success of Pilot Officer Sam Bowhay and will join in wishing him the very best of luck.

What's the Word from Home?

Your rousing response to this united appeal will be the cheeriest word you can send him

Private John Smith is through with drill and duties for the day.

He is tired, maybe a bit "fed up." He is far from home and lonely.

He longs for a dash of peace, a bit of cheer... yards, perhaps, for a leisurely smoke where he can read, play games, listen to the radio, write to the folks back home.

It is the job of these war organizations to see that discomfort, boredom, loneliness have no place in the precious leisure moments of our boys in uniform. It is their duty to see that these services go on, come home or battle.

In camp, on the march, on the ranges, these services bring them the books and books, stories and other comforts. Recreation centres are set up sports and entertainment organized reading and writing materials supplied. Comfortable quarters provided a hot bed. There are also medical facilities. Hence, home, enable the most to enjoy healthy social contacts.

Understanding, Experience and Dollars! Understanding hearts, organization and experience backed by your dollars can do the job effectively.

Let this money help you write on your carry back your pledge of fullest support for our fighting men.

You never have failed them—you will not now.

 kids have created a protesting friendship
 with dull teachers and have
 retained it.

There are friends with heart but
 no brains, and friends who are
 intelligent but who are not
 good doing. "I was glad to
 get the letter," said a girl who
 had no new summer story for
 her.

And you could go easily either-
 way. A few friends are
 too sensitive you're talking. You
 say almost every day that
 about your teacher said.

Then just handle strong group

LOOK OUT FOR YOUR LIVER

Should it too light your fire?

Your liver is the largest organ in your body and most responsible for keeping you healthy. It's like a chemical plant, with cells that produce and store energy, convert nutrients from food into energy, and eliminate any excess. It's also the body's main filter, removing poisons from the blood. You need a healthy liver to live healthily, because it's the only organ in your body that can't regenerate itself.

But there are many things you can do to keep your liver healthy. First, eat a healthy diet. Avoid fatty, sugary, and salty foods. Drink plenty of water. Get regular exercise. Avoid alcohol and drugs. If you must take medicine, ask your doctor about the best way to take it. If you have any symptoms of liver disease, such as yellowing of the skin or eyes, dark urine, or abdominal pain, see your doctor right away.

FRUITATIVES

FRUITATIVES is a new line of fruit-flavored, low-calorie, and low-fat beverages. They are made with natural fruit flavors and are a healthy alternative to sugary drinks. They are available in a variety of flavors, including apple, orange, and lemon. They are also available in a variety of sizes, from 8 oz. to 12 oz. They are a great choice for anyone looking for a healthy and refreshing beverage.

Former Ghost Pine Boy Missing

P. O. Jack Cameron of Calgary, who lived in the Ghost Pine district, has been reported missing in action following operations of the night of April 21st. It is believed that he may have been playing a hunkie over Germany.

John (Jillie) Cameron was born in Calgary 22 years ago and attended school there, going over seas in 1915, where he joined the R. C. M. P. Mrs. Edith Rogers of Ghost Pine is an aunt of the missing boy.

Town Council

A special meeting of the town council was held on Monday evening at which the subject of finances was thoroughly discussed. It was decided to set the mill rate for town purposes at 16 mills in view of the new levy assessment. The school mill rate was set at 25 for town property and 15 for farm lands; as to Dept. approval. Offers to purchase the Morgan business accepted.

Farmers received the welcome news on Monday that the wheat quota had been lifted.

Died on April 11th at Truho hospital, to Mr. and Mrs. J. Murray, a daughter.

Gordon Robertson has been very ill with bronchial pneumonia.

Mr. and Mrs. Hugh McCarron have moved into their residence above the new meat market.

Archie Grosse suffered a very painful accident last Wednesday when he climbed his thumb between two pieces of gasoline when he was working at the Jensen farm. The thumb was damaged by Dr. Cameron.

WEDDING

The marriage took place on Wednesday, April 10th, of Miss Mildred Alexandra Biele, daughter of Mr. and Mrs. C. O. Biele of Ghost Pine, and Hugh C. Anderson also of Ghost Pine. The ceremony took place at the United Church House and was witnessed by Mr. and Mrs. C. H. Ruby Rev. H. B. Brundage officiated.

2 in 1! For Weed Control or Summer Fallowing

There's nothing as fine for summerfallowing as the OLIVER FALLOWATOR equipped with the "duck-foot shovels." Every bit of soil is thoroughly worked and a mulch is maintained to conserve moisture and assure larger future yields.

Then it is simple and easy to change to Spring Teeth so that the Fallowator can dig out the most stubbornly rooted weeds—the ones that sap the soil of its moisture and smother your crops.

Success

The play, sponsored by the Young People's Society, last Wednesday evening was enjoyed by a large number of interested spectators. The stage was suitably decorated with red, white and blue streamers and Union Jacks. Robert Collins was stage manager and Edith Maltzger acted as house manager.

The play, directed by J. D. Haver, Mrs. Bernier and O. A. Kelly were well handled and the stage gave a creditable performance. In the intermission, Miss Helen Hill and Eudie Brundage favored with solo, and the audience enjoyed the excellent music.

The first play, "The Jeweled Hand" was directed by Mr. Harvey with the following cast: Julia Giegler, Arthur Beaver, Murray Blackader, Margaret Johnson, Madeline Chapman, William Klinge, Christine Raden.

The second play, "A Ghostly Evening," directed by Mrs. A. Bernier, with the following cast: Catherine Higgins, Rosemary Kelly, Bob Smith, Una Jenkins, Dorcas Montgomery, Ruth Moore, Gladys Nelson, Philip Doe.

The last play, "The Wedding" directed by Mr. O. A. Kelly, with the following cast: Vera Hutton, Beth Giegler, Eudie Brundage, Lloyd Jones, Beatrice Helen, George J. Camerling, Beth Edwards.

God Save the King.

With a tremendous wheat harvesting problem confronting the Dominion, farmers are being urged to give serious consideration to the need for reducing wheat acreage, and to observe the regulations in respect to the federal wheat bonus policy, in order that they may benefit from the plan.

A doorn was held in the 10:15 P.M. on Monday evening in honor of Mer Hallowquist. The evening Mer was presented with a pro and pencil suit. On Tuesday evening members of the local boys' lodge, of which he has been Secretary, enjoyed a social time in his home, and C. J. Davidson presented him with a B.P.O.E. ring on behalf of the lodge.

Three Hills Copes With
Wheat Marketing Problem

More wheat annexes are being rushed to completion by local companies. A 50,000 bushel annex has just been completed by the Becht company while a 25,000 bushel annex is being constructed at the A's Pacific elevator and another at the F&H contemplated.

To date 1,300,000 bushels of grain have been marketed at this point, with 711,000 bush. having been shipped out, and 450,000 in storage according to W. Haver, local C.N.R. agent.

← GHOST PINE →

Old Bergen, 15 year old son of Mrs. Florence Bergen had his right arm amputated while climbing grape. His glove became caught in the machine, tearing the limb above the elbow. He was rushed to Drumheller hospital and is progressing favorably.

Threshing is nearly completed and seeding is under way.

A magnificent chorus was held at the home of Mrs. Stan Davidson last Tuesday week in honor of Mildred Linder, a recent bride. About 50 ladies were present, and Mrs. A. J. Cameron gave the address to the bride. Margaret Kuehse staged a treasure hunt for the bride. Mrs. C. J. Davidson gave a reading, and Mrs. J. H. Somerville gave a reading of her own composing. There was a quiz and during the evening many beautiful and useful gifts were presented to the bride.

A Red Cross meeting is being held today at Mrs. J. M. Milne's.

with Moore's Paints

Good Paint, with its freshness, its color protection, is the "making" of any home.

It lasts the sun, not the cost of a home that count. All this way it is "kept up."

There is no better way of "keeping up" your home than by using MOORE'S Paint.

Lovely, modern colors, unsurpassed durability—these are things which make MOORE'S House Paint the best buy in home protection and beautification.

And when you paint this year you will SAVE. Sky-rocketing metal prices are greatly increasing the cost of paint. Higher prices are in view.

CANADA CALLS

Canada has reason to count her blessings in these days of trial. Canada is three thousand miles away from the sound of guns which are devastating Europe.

The broad Atlantic Ocean rolls between us and the ruthless savagery of the German Armies.

The strongest fleets in the world—British, American and Canadian—patrol the sea between us and the enemy.

We have a great friendly nation, probably the richest and most powerful in the world, at our side.

CANADA CAN AFFORD HER SACRIFICES

This war is a mechanized war.

We have the nickel... copper... lead... zinc and other metals the war industries need. We have access to the iron. We can make the steel.

We have the organized industries to fabricate these metals and make the trucks, and tanks, and guns, and planes, and the ships.

We have skilled workers and the plants for mass production. Canada has the wheat and the food supplies.

Let us count our blessings, and tighten our belts.

Canada is rich—one of the richest countries per head of population in the world. Let us lend our strength to the utmost of our power. Our national future depends upon Victory.

We must win to live.

THERE WILL BE FURTHER CALLS

There have been many calls upon the people of this country for money since Canada entered the war at the side of Great Britain.

There will be further calls.

Let us face the future unafraid.

Canada can carry the load.

But every Canadian must shoulder his and her share.

This is the most critical hour in our history. Let the future historians say of Canada, as they will say of our Mother Country: "This was their finest hour."

Get under your load...and LIFT

Second Fire Within Few Days

A fire occurred at noon on Monday when the garage at the rear of Chaple Davidson's residence caught fire. A large crowd was gathered at the scene and a bucket brigade was formed which kept the fire from spreading until the house could be put into action. The garage was badly damaged but fortunately nothing else was burned. It is not known how the fire started but several children were playing in the building just before the fire broke out.

**A Plow With Sense
and Backbone**

This new Oliver Overhead Beam One-Way Disc Plow has fewer because the power lift and new power return lifts the plow out of the ground and returns it to work in a more practical way than on any plow ever built before. Secondly, it has backbone because the square 2 1/4" x 2 1/4" superior steel overhead beam provides a central pillar of strength and makes the power lift and power return possible. That overhead beam with the beam above the disc—also gives for greater clearance for the handling of weeds and trash by the disc.

Victory Loan 1941

Three Hills and district quota is \$63,146 or an average of \$7,600 per Township, not including the Town.

This should be easy. You are asked to invest, not to donate. The security is the best that Canada has to offer and the interest rate is 3.00 per cent.

During the next three weeks the canvassers will be working hard to cover the territory. Help make their task easier by being ready with your investments. Do not argue with them. They have many more people to see.

This is OUR War, fellow Citizens, and we must be prepared to invest if we cannot collect.

UNIT ORGANIZER.

Unit Headquarter News

The much welcome rain delayed our canvassers in the country but the boys in town were right on the job and report that subscriptions are rolling in.

Congratulations are due to a young old gentleman of Three Hills who is 87 years old and has the honor of being first purchaser of a Victory Bond from an official canvasser.

Member Certificates and Touch Pins will be given to every subscriber. Get into the fight! Roll up your sleeves and turn out your purpose. Do it now! Get out your flags, donate your store windows, your houses, your cars. Every man and woman in Canada must do something to help the campaign.

A meeting of canvassers from all towns in the district was held in Treche last Friday, and instructions were given to canvassers by the Calgary officials. Mr. Arthur Stonehouse acted as Chairman.

During the luncheon at the Yale hotel, the proprietor, Mr. Walker tendered a \$1,500 subscription to start the Treche campaign.

"Measured by all the tests of sound finance, Victory Loan bonds provide an attractive investment. The security is that of a country whose present wealth is small compared to the resources it will develop as the years pass. Where marketability must be a consideration there need be no hesitation since Dominion Government bonds can be turned into cash at a moment's notice."—Financial Post.

"Our policy of War Finance is actually reducing our debts abroad; we have not yet borrowed a cent in the United States or any other outside country."—Financial Post.

Campaign headquarters are at W. E. Webb's office. Values and enquiries are welcome.

A canvasser reports the sale of a \$50 Bond to a young man who changed his mind about buying a suit, another is selling a valued ring to purchase a bond. That's the spirit!

Premier Stephens says, "we are satisfied to do two little less late while Hitler does two much too soon. We're a big, but we just do not deliver the goods according to our capabilities. Only the stark realization of a two-ocean invasion will awaken us from our state of apathy."

Let us pray that Ontario's promise is wrong.

The 1941 wheat crop in this district will add for approximately \$780,000,000. Is the Government asking too much that we lend at 3 per cent interest, \$65,000 of this amount?

Stop, Look and Listen!

Watch the thermometer on Main Street.

Come across, or Hitler will!

Royal Canadian Air Force No. 4 Training Command

Facilities for recruiting officers.
Interest holders in many lines
of education, subject to selection
by the R.C.A.F. for training as a
pilot, observer, or wireless operator
(no payment) are encouraged at
Headquarters of No. 4 Training
Command, Regina, Sask.

The Canadian Legion Educational Service are prepared to
provide courses of study for pre-
rehabilitation education of the ex-
servicemen of the present by organiza-
tion of classes, preferably night
classes, in the relatively large
centre.

Through no fault of their own,
a considerable number of young
men have been unable to complete
their education. These ex-servicemen
are active in the war, in continuous
service and it is expected that the
ex-servicemen will undertake by
the Canadian Legion Educational
Service will find the way to the
attainment of the goal to which
they are striving.

Heretofore such educational
service has been provided through
correspondence. The new method
of personal instruction is expected
to attract much wider interest and
more rapid progress.

Much disappointment among
young men has been caused by the
fact because they could qualify in
all respects but educational.
For the education of these men,
the following qualifications
standards are necessary:

1. To be selected, candidates
must have attained the age of 17.
 2. Have successfully passed the
first year of High School.
 3. Be physically fit for flying
duties in the R.C.A.F. (all must
pass a medical examination prior
to being accepted for the course)
 4. Be suitable in other respects.
- An early response to the country
office of the Canadian Legion is
suggested. Application is a valid
commitment as quickly as possible
to the R.C.A.F. Recruiting Office
at their nearest place of residence.

In No. 4 Training Command
there are located in offices:
1201 St. John, Calgary.
Presidential Bldg., Edmonton.
Regina Training Co. Bldg., Regina.

Principal and interest will be payable in kind money of Canada, the principal
at any expiry of the bonds of Canada and the interest semi-annually,
unless changed, or any bonds in Canada of any Canadian Bank.
Bonds may be repaid or prepaid or not as principal and interest.

CASH SUBSCRIPTIONS

Cash subscriptions for whole or half portions of the loan may be paid in full at the time of subscription
at the loan price, in which case no interest will be paid. Bonds with coupons will be available for
prompt delivery. Cash subscriptions may also be made payable by instalments, subject to interest as follows—

HAVE A SHARE IN Victory !

The Empire braces itself for supreme conflict. Today your country asks you to co-operate to the limit. You are not asked to give—but to lend at the point of sacrifice.

Canada needs the use of your savings. Canada needs your money to make this struggle a march of Victory. And Canada will pay you with interest.

The BIG Tractor
For BIG Jobs

Here's the tractor with ample power for steady power, and
the ability to handle sudden overloads. The tractor that's
in a class by itself. The belt pulley and power take-off
are easily operated from the driver's seat, and the ability to
tack into the belt with a "dead belt" pulley is one of its
many advantages.

Let us tell you more about this handy, powerful tractor

WEDDING

BOLES - NELSON

Local gossip and other blooms
were a fitting background for a
pretty wedding which was cele-
brated on Wednesday, June 1st at 2
p.m. at Three Hills when Marjorie
Evelyn, elder daughter of Mr. and
Mrs. Carl Nelson of Huxley became
the bride of Howard Herbert Boles,
elder son of Mr. and Mrs. Foster
Boles of Three Hills.

The bride, given in marriage by
her father, entered in the strains of
the Royal Chorus by Liebering
played by Miss Kathleen Desbours-
ier, cousin of the bride.

The bride looked lovely in a
floor length gown of turquoise blue
satin, with a white knotted
and straw hat and accessories,
carrying a bouquet of white carnations
and maiden hair fern. Her
only ornament was a locket, the
gift of the groom.

Miss Beatrice Boles, sister of
the groom, was bridesmaid and
wore a floor length gown of pink
satin with a white hat and carried
a bouquet of pink carnations. Mr.
Loren Nelson, brother of the bride's,
attended the groom.

After the ceremony a reception
was held at the home of the bride's
parents, for the immediate families.

A three tier wedding cake de-
corated with wedding bells and horses
was centered the table.

Rev. J. B. Brown officiated at
the ceremony proposed the
toast to the bride, the groom mak-
ing a suitable reply.

The bride's mother was becom-
ingly attired in a navy blue re-
vues dress, with a ruffled hat
and a corsage of American Beauty
roses. The bridegroom's mother
wore a redolent navy figured
sleeve, with a small black straw hat
and a corsage of Tallulah roses.

Amid showers of confetti and
good wishes the happy couple left
for a trip to the mountains. On
their return Mr. and Mrs. Boles will
reside at Three Hills.

KILL THE WEEDS

The heavy rain which has fallen in recent weeks in many districts will make it impossible to get out of the weeds. Therefore, have a golden opportunity of killing weeds of their kind before they get a chance to grow. Kill them now with a light misting or cultivating in their bed before they get a chance to grow.

"Don't you wish you could shorten the war?"

"Well, in a way you can, you know."

"But, George, we've not avoided to do anything..."

"Thinking doesn't matter but what I'm thinking about is one wondering whether we couldn't get some of our human into War Savings Canada."

"And why not? We might have to go without one or two per hour—just wouldn't it be worth it to bring back peace again?"

"And won't we be glad of the money—and the interest it will have earned—in a world without war?"

"The help of a Canadian is needed by France. In this hour of the desperate battle against a nation in our own efforts to maintain peace, it is vital to our own efforts to bring the war to a speedy end."

AL JOHN

A quiet wedding was celebrated at 5:30 on Thursday afternoon (October 19th) at the home of Mr. and Mrs. Vincent Beatty, when their eldest daughter, Sarah May, became the bride of Howard Thomas Love son of Mr. and Mrs. T. Love of Victoria. Rev. E. H. Brundage officiated.

The bride, who was given in marriage by her father, looked lovely in the bright gown of white satin, with long veil held in place with a wreath of orange blossoms. The groom's bouquet was from Mrs. Louise Weaver, cousin of the bride, and in his right hand she wore a ring of pale green gem set with a diamond.

Mr. Howard Love supported the groom.

During the signing of the register, Mrs. Beatty, sister of the bride, sang "Love You True."

After the ceremony a delightful dinner was served to thirty-eight guests and friends.

Mr. and Mrs. Love are spending a short honeymoon at Seattle and then going to the States where will reside in Delta, Saskatchewan where the groom is stationed with the R. C. A. F.

LODGE NOTES

The I.O.D.F. met at the home of Martha Jackson on Tuesday evening with thirteen members present. It was decided to have a picture show, sponsored by the American Drive, at a date to be announced soon. Lunch was served by Ethel Mulligan and Ethel Huber. The next meeting will be held at Agnes Cameron's.

NOVEMBER

The Three Hills Capital

Volume 11, No. 2

THREE HILLS ADVERTISER, SATURDAY, NOVEMBER 14, 1931

\$1.50 weekly

At a meeting of the meeting of the Town Council a movement was launched to make certain that every soldier who has enlisted from the town and district will receive a Xmas box.

Rev. B. B. Brundage, in chairman of the committee in charge and funds are already being secured for this worthy purpose. All organizations in the town are being urged to contribute and in this district a way is made at the present mentioned. It is sincerely hoped that the real Xmas spirit will prevail and on account of a general campaign. The Christmas Boxes must be placed immediately on your present action will help a lot.

Make your donations at:
Miss Bess Mae, Church St.
The Town Clerk, Mr. A. J. Cameron
The Royal Oak, Mr. H. A. Brundage
Rev. B. B. Brundage

Bring to your destination now for the soldiers' Xmas gifts.

Mr. Stull, the new manager of the Three Hills Hotel, held "Open house" on Saturday.

Miss Tom Westwood of Grand St., Alta has accepted a position at the hotel telephone office.

Two cars of Eastern Star members paid a visit to the lodge at Acme on Monday evening.

The "Ladies Sewing Circle" met Wednesday evening at the home of Mrs. A. J. Cameron.

Don't forget the soldiers' Xmas boxes.

Mr. and Mrs. George Keiser, Swanton, left on Monday to attend the U. S. G. convention in Winnipeg on November 15th and 16th.

Town Council

The Town Council met on Monday night with Mayor Robertson, Councilors Mullinger, Kelly, Wetherburn and Nelson present. J. Chas. a few minutes attended the tax sale and Mayor Robertson read the list of properties for sale and the upset prices, to which no offers were received.

Rev. E. B. Brundage appeared before the Council in connection with the sending of Xmas parcels to the boys who have enlisted from this district, asking the appropriation of the council to a sum of approximately \$100.00 to be given to the boys. It was decided to make a grant of \$100.00 on motion of Councilor Wetherburn.

Letters were read from the Dept. of National Defence to Councilors, suggesting that a training unit be established here.

Relief was granted to A. Hatchinson and family to the amount of \$40 per month and to L. McNeil \$30 per month, in cover water, fuel and groceries.

T. J. Mason was granted a license to sell milk.

The Provincial Dept. of Public Works made application for lots on which to park equipment. They were given the privilege of purchasing lots for the purpose.

E. Ross Huchak made application to buy lots for building. Several other applications for lots were also received.

C. T. was granted permission to tear down a barn, and H. C. Dubois was granted permission to move granary in a town, and application to tear down barn and rebuild for chicken house was accepted.

Councilor McHugh was appointed Deputy Mayor for the ensuing three months.

The Council discussed the action of the streets committee in arranging for 75 percent of the cost of housing to apply on taxes and on motion of Councilor Nelson, decided to contact Councilor, Saskatchewan before taking any action on the matter.

A farewell party was held at the Service School last Monday evening for Finn Reed, Surge and readings were given and George (Somerville), on behalf of friends and neighbors, presented Finn with a pen and pencil set.

TWINING

Mr. and Mrs. J. E. Brown were weekend visitors at Viking.

Miss S. Spence spent the weekend in Calgary.

Mr. and Mrs. Matheson of Alder visited at the Woods home on Sunday. Miss Woods returned home with them for a week's visit.

Mr. Albert Kent of Huxford spent a few days visiting Mrs. Woods.

SAVING IS URGENT

A growing savings account reinforces your country's
effort toward victory.

We've got to pay for the war and a savings account
helps to do that because it enables you to accumulate
funds for loans, for Victory Bonds and for War Savings
Certificates. It also provides for emergencies for yourself
and your family. Open a Savings Account.

It's not only wise to be thrifty—it's urgent.

The boys and girls who were friends enjoyed a holiday frolic in the hall on Tuesday. The evening got under way with a buffet supper topped off with ice cream and cake. Bingo was then played and some handsome prizes awaited the winners. Cards and dancing were also included in the evening entertainment and music was provided by Randy Thomas, Merle Kalkbush and Clarence and Leonard Brown with Max Brandy also assisting.

Mary Dunlop had an icy bath on Monday when she went through the ice at the dam west of the mine. Jimmy Dunlop and Freddie Hoffman took her to the Hansen home where she dried her clothes. Fortunately she suffered no ill effects. Children would be well advised to stay off the ice until it is frozen hard.

Mr. and Mrs. J. E. Huxley

Celebrate Anniversary

Mr. and Mrs. J. E. Huxley were among the oldest of those who celebrated their golden wedding anniversary on Sunday, December 31st at the home of their son and daughter-in-law, Mr. and Mrs. H. E. Huxley. Over 150 guests were present for the occasion and was most enjoyed by the honorees. The program of the afternoon, which was a program of musical selections was greatly enjoyed by those present. Mr. and Mrs. George Huxley sang "When You and I Were Young, Romeo," a solo, "I Love You Truly" by Mrs. Huxley and a solo, "You Are My Sunshine" by Mr. Huxley. Another Thomas presented at the piano, Mrs. Huxley read, "Along the Trail," composed by Mrs. Huxley which received all the credits of the celebration. The program continued in the form of a musical play by Mrs. Huxley during the past two centuries.

At the close of the celebration, Mr. Huxley presented the guests of honor with a presentation of a portrait of the couple. Mr. and Mrs. Huxley both kept with thanks. The couple were then seated at a table and Mr. Huxley gave a toast to the guests.

In the evening, Mrs. Huxley and Mr. Huxley, in honor of the family, presented Mr. and Mrs. Huxley with a lovely lamp.

**WE FOUND OUT THAT
ALL-BRAN IS REALLY
THE "BETTER WAY"**

ALL-BRAN is a new, natural, whole grain product that is the "better way" to eat. It is made from the outer hulls of wheat, which are the most nutritious part of the grain. It is a natural laxative and helps to keep the digestive system in good working order. It is also a good source of vitamins and minerals. Try it today and you will see the difference.

War In The Pacific

In a recent article, attention was drawn to the fact that the Pacific theatre of war has been the most active of the world's theatres. The Japanese have been the most aggressive, and the Americans have been the most determined. The war in the Pacific has been a long and hard one, and it is still going on. Ice Carnival to be Gala Event

Next week we hope to have more participants of the program being arranged for the Ice Carnival by the F.P.S. It is reported that the committee is change in planning something out of the ordinary in the way of entertainment.

Three candidates are in the running for the coveted distinction of being Queens of the Carnival and there is a keen demand for the votes which are being given away at local stores with purchases.

Come on Canada!

Thus runs the slogan of Canada's Second Victory Loan, organized for the Ice Carnival by the F.P.S. It is reported that the committee is change in planning something out of the ordinary in the way of entertainment.

The men who are handling the Loan in our community are:

Unk O'Leary - W. E. Webb
 Unk O'Leary - J. E. McFee
 Unk O'Leary - J. E. McFee

Secretary - Miss B. Spence
 Citizens' Committee - E. P. Foster
 A. E. Patton; H. T. Hutter; C. J. Davidson.

Public Relations - O. A. Kelly
 R. H. B. Brundage
 Rural Members - R. Wilson, J. M. Deane, W. McLean.

These form the Committee but are the subcommittee.
 Come on, Three Hills!

Shower

A trivel shower was held last Wednesday evening at the home of Mrs. W. Harle in honor of Mrs. Norman Stewart, a recent bride.

The rooms were tastefully decorated with pink and white streamers. The address to the bride was given by Mrs. Quigley, who also on behalf of the Presbyterian Ladies Guild welcomed the guest of honor. Mrs. Stewart was assisted in opening her gifts by Mrs. Aldous Stewart and Mrs. H. J. Fisher.

Mrs. Stewart thanked the ladies for their kindness in a few appreciative words. The programme was in charge of the Presbyterian C.O.I.T. A delightful reading was given by Margaret Buckenfield, piano selections by Carol Harle and a concert was enjoyed. A dainty lunch was served by the Ladies Guild and the evening was closed by the singing of Auld Lang Syne.

After some general discussion Whillarto moved a vote of thanks to the Board and the meeting was adjourned.

7 vacancies on School Board and Council, only 2 nominations those of Councillors Kelly and Mullinger were handed in to the Returning Officer. One nomination was rejected owing to lack of the necessary qualifications. Nominations will again be received on Monday.

With two nominations still required on the council it was decided to hold another nomination next Monday.

The other Sealwell entry was the J.C. Ramsey rink, which put up a game fight in all events, but all skaters are not equally good on both hard and soft ice, and because many good rinks fell by the wayside owing to changing ice conditions. Several outstanding

The story of the Canadian
farmer's life and his
contribution to the world's
food supply.

To Trust or not to Trust
This is the question that
every farmer must ask himself
when he is faced with the
choice of a seed supplier.
The answer is simple: Trust
the man who has the reputation
of being a fair dealer and
who has the best seed to
offer.

It is with seed that the
farmer's life begins. It is
the seed that he sows in the
spring that will determine
the success of his year's
work. It is the seed that he
sows that will determine
the success of his family's
future.

The farmer's life is a life
of constant struggle. It is a
life of constant effort. It is
a life of constant sacrifice.
It is a life of constant
dedication. It is a life of
constant love.

The Purchase of Sugar is Now Regulated by Law

A prudent precaution, the quantity of sugar which may lawfully be consumed in any household is now restricted by law to an amount of three-quarters of one pound per person per week, and it is now unlawful to purchase more than two weeks' supply at any one time or to make any purchase if present supplies are sufficient for more than two weeks.

This step has been taken to conserve the satisfactory reserve stock of sugar in Canada and is an assurance to the consumer that there is no room for hoarding buying of sugar.

British consumers will not need to enforce the sugar limitations in Canada. The supply of sugar in our country has been under control for more than two and a half years and the homekeeper has always been able to satisfy her needs; she will continue to be able to do so and the price ceiling law protects her against any increase in price.

The maintenance of the new regulation governing the purchase of sugar, roots, and the success of all laws in a democratic country must rest upon the loyal support of the people. Any consumption of sugar in excess of the quantity stipulated by this regulation is not only an offence against the law, but is also a betrayal of the war effort and consequently an offence against decency.

Reports received from retailers indicate that in some districts there has been misunderstanding of the requirements of the law. In some cases, people are under the impression that they should at once lay in a sufficient supply for two weeks, thus the impression that a continued supply of sugar is assured. In other cases it has been noticed that a greatly restricted ration of sugar is secured. In other cases it has been noticed that the Wartime Prices and Trade Board has already stated that the sugar supply situation is such that requirements of the consumer at the rate of three-quarters of a pound per week can readily be supplied.

As a means of protecting consumers from unknowingly breaking the law, it is suggested to retailers that, for the present, they limit sales to any one customer to an amount of not more than five pounds.

Summary of Sugar Rationing Regulations

1. The ration is 4 pounds per person per week, including adults, children and infants, members of the family, boarders, servants, and guests who remain for four days or more.
2. Purchase your sugar at the ordinary way, but not more than two weeks' supply at a time. No coupons, stamps or tickets are required.
3. Do not purchase any sugar if you have two weeks' or more supply on hand.
4. Persons in remote areas who are not able to buy every week or two weeks may continue to buy more than two weeks' supply at a time, but should consume that consumption at the rate of two weeks, namely 16 pounds per person per week.
5. Landlords and other firms providing board and lodging must see that consumption is restricted to 4 pounds per week per person, effectively immediately.
6. Consumption of sugar is every way you can, some people can get along on less than the ration. Persons living in hotels, restaurants, etc., are expected to restrict their sugar consumption.
7. Addition: supply of sugar will be made available for home preserving and cooking.
8. The restriction applies only to cane and beet sugar of all kinds—granulated sugar, icing sugar, fruit sugar, brown sugar, raw sugar, etc.
9. In addition to the supply of sugar, honey and other sweeteners, honey and sweeteners, will be sold by the Sugar Administration have the sugar rationing.
10. Retailers are entitled to refuse sale or to limit sales to any person who has consumed in excess of the rationing to be dispensed this law.

Violations steps will be taken to punish without instructions of the law. The penalties provided are imprisonment for as long as two years and a fine up to \$5,000.

Hockey Notes

On Thursday last night, M. J. and I went to the rink to watch the exciting hockey game between the Capitals and the Hawks. The Capitals were a quick and aggressive team, and the Hawks were a strong and fast team. The game was a close one, with the Capitals leading 2-1 at the end of the first period. In the second period, the Hawks scored two goals, but the Capitals responded with two more. The game ended in a 3-2 victory for the Capitals.

The Capitals' defense was excellent, and their forwards were very effective. The Hawks' defense was also good, but they were out of sync in the third period. The Capitals' goalie was very solid, and the Hawks' goalie was also good. The game was a very exciting one, and it was a pleasure to watch it.

The Capitals' coach, Mr. J. H. H., was very satisfied with his team's performance. He said that they were a very good team, and they were very confident. The Hawks' coach, Mr. J. H. H., was also very satisfied with his team's performance. He said that they were a very good team, and they were very confident.

LET'S KEEP OUR CANADA a happy land for them

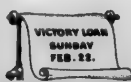

POOR WHITE MEN, a bunch of men, slender fingers clenching at your throats—what kind of a world is this to which you will awake?

You, life, hope, love, will be sick in love and laughter. God forbid that your Canada should ever come under the heel of a ruthless barbarism, where babies are born to be the furthest shreds, or the mothers of a brutal, military race.

We promise that you shall inherit a Canada blessed with the liberty our fathers bequeathed to you. You shall be free as we are free.

So we gladly lend our money to our country in this crisis. We will buy Victory Bonds to the very limit. We must and we will make sure that the threat of a brutal way of life is banished forever.

HOW TO BUY—Give your order to the Capital Loan Committee who will send you a book, or give it to any trust company. You will find the book "Victory Loan Headquarters." It is a very good book, and it is very confident. It is a very good book, and it is very confident. It is a very good book, and it is very confident.

WEDDING

LYSTER ALLWOOD
 Marion Clarke, only daughter of Mr. and Mrs. Clifford Allwood, daughter of Lethbridge, became the bride of Douglas Lyster, youngest son of Mr. and Mrs. J. F. Lyster. The ceremony took place at Vancouver recently.

The bride's gown was styled on mid-Victorian lines with full sleeves, and an off-the-shoulder fitted bodice of net. Her flower-laden veil of most blue net cascaded from a sweetheart hole of bouquet, and she carried a shield bouquet of Calla lilies.

Mrs. Evelyn Lyster was her cousin's only attendant.

Mr. Allwood gave his daughter in marriage and Mr. Harry Atchek was best man. Ushers were Mr. Tom Summerville and Mr. Edward Johnson. Mrs. Mildred Barnwell played the organ music. Mr. and Mrs. Lyster will reside at Chest Pine.

who could have wanted and lost your money but would not, the Committee holds the hope that at another time you may more fully realize the circumstances of the situation and your debt to your own welfare if not to Canada and Mankind as a whole.

At the time of writing, Tuesday evening, the total subscribed for the Three Mill Unit is \$14,200. It is hoped to increase this to \$15,000 in excess of \$30,000 before the Loan closes on Saturday.

If you have not subscribed, call at the Unit Headquarters, Room 300, Bank of America Building, or complete your subscription.

THE THREE HILLS CASE
 A Novel by
 M. M. Lathby
 \$1.95

Following on a letter received by the local branch of the Council on Logistics in Hove, Brighton, a further three trials were carried on our service in England.

Jan 18 1962

Dear Colleagues,

I am sorry to find that among the cigarettes used by you which arrived here was half of stale age. I am going to have to get some more from the States. I will try to get them as soon as possible.

There are not too many here who would expect both fruit and vegetables. The people are generally non-vegetarian and its nearly impossible to find a decent vegetarian diet. I depend on what you eat. But the people don't like preparation to what you eat. So perhaps it is better if you are as good as can be expected under the circumstances.

The people take things very much more seriously than we do about the outcome of this war but as far as I can see there is no end in sight so say nothing.

I have used Minard's Liniment for several years and
 can truly say that it is the best remedy for rheumatism
 and all other ailments of the joints. It is also a
 valuable remedy for all other ailments of the
 body. I have used it for many years and
 can truly say that it is the best remedy for
 all ailments of the body. I have used it for
 many years and can truly say that it is the
 best remedy for all ailments of the body.

CHURCHILL SAID IT!

"WE CANNOT AFFORD TO RELAX. ON THE CONTRARY, WE MUST DRIVE OURSELVES FORWARD WITH UNRELENTING ZEAL."

To express our unswerving love in pursuit of Victory—save every dollar and buy...
WAR SAVINGS CERTIFICATES.

None can afford to do less... each should strive to do more... even if the delay of it means the deferring of non-essential purchases until after the war."

NATIONAL WAR LABOUR BOARD
COST OF LIVING BONUS

The Dominion Bureau of Statistics has announced that the cost of living index number for April 1, 1942, of 115.9 indicated index 115) has not risen by one whole point or more over the index number for October 1, 1941, of 115.5 indicated index 116.8]. Accordingly, the Minister of Labour, pursuant to the provisions of Section 12 of Order in Council P.C. 834, determines and announces, for the period May 15, 1942, to August 15, 1942, subject to the right of employers or employees to apply to a War Labour Board for adjustment of payment of such an amount of cost of living bonus as a Board may determine to be "fair and reasonable" under the provisions of the Order, that:

(1) There shall be no change in the amount or percentage of cost of living bonus payable to any employee.

(2) An employee who has not been paying out of living bonus may not apply to any War Labour Board.

By Order of the National War Labour Board,
HUMPHRY MITCHELL,
Minister of Labour and Commerce
Ottawa, Canada

NEED WATCH DOGS
The British government is free to pay dogs for war service guard, sentries and factories carry messages. It asked dogs to lead their pits to the guard for the duration, suggesting per interest in Almonds also. Letters, maps and to "or crimes between them."

Now the Princess Elizabeth is 16 and officially grown up, and her sister, the Princess Margaret, Rose is just five years younger. They have apparently decided to give up their dowry.

Five of their dolls (two of them wearing copies of gowns given to Elizabeth when on her visit to the United States in 1939) have been given to the British War Relief to be shown in that country and later raffled off in behalf of aid for European child refugees in Britain.

Making Good Living

Lawrence Youth Has Queer Job But Finds It Fun

There are plenty of ways to make a living, but playing the part of a human jack horse up the side of a mountain is not the one most people would choose.

It serves however to pack youthful Val Tour of North Vancouver with a very decent living. A good day he makes more than \$100 and topped that several weeks ago when he piled up \$7 for two trips.

Val packs food and supplies up the side of Queen's mountain for the

country residents who have ridden the snow-tipped peak across Shasta.

They're more careful with their money than do such heavy leaguers. Their rents average on his back the rate of two cents a pound for the two-and-a-half mile "rush" from the foot of the mountain to the camp and chalets. At least that's the price for ordinary supplies—rice, groceries and small parcels. For luxuries, they stretch the length of gaunt, stilted walls and bed springs to charge as five cents a pound.

They're not a packing while he was waiting for a job at the abattoirs to turn up. The perk was in the increased cost of money as compared with a full-time task. He never made his trip late at night. In the morning he'd leave and he was home before he'd gone in. They said you could reach the top before you realized it.

Eight times as many people are now in the mountainous area for natural reasons.

"Graham" flavor**

Christie's Graham's are proud with cheese, jam, or any spread, delicious with dessert and ice-cream. You can give them to the baby with milk, as a reward, or just them to the older children's school lunches. Christie's has the true "Graham" flavor, wholesome and tasty.

Engagement

Mr. and Mrs. William Hart announce the engagement of their youngest daughter, Corinne, to Mr. J. C. P. Hart, son of Mr. and Mrs. W. H. Hart, of the R.C.A.F. The marriage is to take place early in July at St. Andrew's Presbyterian Church.

Armed Forces Air Letter Forces

Commencing June 15th, Armed Forces Air Letter Forces will be authorized by the Canadian Post Office Department to provide an additional commercial and speedier method of communicating with the armed forces abroad.

The new service is available at post offices and the rate is only 1/2c a letter, regardless of where the letter is sent. It is anticipated that this new system will be widely adopted as it provides a ready means for people in Canada to communicate with members of their family or friends serving overseas.

Reduce Rates for Airmail Messages

Postage on Airmail Messages from Canada to any Port in the United Kingdom or British East will be reduced to 5 cents per message from the present rate of 10 cents.

This reduction will help to lighten the cost of this time and space saving facility by which messages written on special forms obtainable from the post office are processed on a reel of microfilm and carried by plane to the United Kingdom, where a photographic reproduction is made of each message which is placed in an envelope and delivered.

All Metal Tubes Must Be Returned To Stores

Converting the vital to Canadians in the United Kingdom Government has made it illegal for anyone to throw away used metal tubes and have ordered citizens to turn in all available stock of the current possible number.

All tubes which have contained lead points, having areas which must be turned in to drug and department stores. These tubes contain lead, used in the war effort and 250 such tubes will provide all the necessary in replacing one of Canada's modern housing plans.

Sorting on Wire Frames

Because a single strand, electrically charged wire on light stands around a square made of wire giving a series of 18,000 feet of twisted wire weighing 220 pounds, the Western Electric and Trade Board has arranged a priority for manufacturers of electric control, and for use on such frames.

Beef Control Plan

A new plan of the Western Electric and Trade Board to secure adequate supplies of beef to the home, while giving beef producers the maximum benefit of the equivalent of the export price for their cattle. Cattle to be slaughtered will be sold at such a price as will allow the producer a profit of 10 per cent on the cost of the animal.

These prices will be adjusted from time to time with reference to the fluctuating market. Beated prices will be based on the half day price, plus the mark up, multiplied by the number of cattle sold, and divided by the number of cattle sold during the same period.

W.M.S. Meetings June 22

A joint meeting of the W.M.S. and Trade Board will be held on Thursday, June 22, at 7:30 p.m. at the home of Mrs. W. H. Hart, 1711 17th Avenue S.W. The speaker will be Mr. J. C. P. Hart, son of Mr. and Mrs. W. H. Hart, who has been with the duties as assistant of the Western Electric and Trade Board.

WEDDING BARR-PARRY

A pretty candle-light wedding was celebrated at Knox United Church, Calgary, on Monday evening July 29th, when Pearl Inel daughter of Mr. and Mrs. H. Parry of Three Hills, became the bride of Sgt. W. E. Barr of the R.C.A.F. son of Capt. and Mrs. T. K. Barr, of Wells Hole, Washington. The Rev. Hubbard officiated.

The church was attractive with ferns, gladioli and delphiniums, and lit by tall yellow tapers.

The bride, given in marriage by her father, was charming in gown of white chiffon fashioned with a train. She wore a chapel veil and carried a bouquet of sweetest thyme with white sweet peas.

The bridesmaid, Miss Clara Parry, wore a white chiffon floor-length dress, a corsage of carnations and carried a bouquet of pink carnations.

Luc L. Whitehead was best man and the ushers were Sgt. J. Conner, R.C.A.F., and Mr. Philip Wray of Three Hills.

During the signing of the register, Miss Margery Wells sang "Lead".

After the ceremony, a reception was held at the Hotel Varsity. Mrs. Parry receiving in a painted beehive with crepe drape with tallness seen for her courage.

The bride's table was covered with a three tier wedding cake, flanked by tall ivory tapers in silver candleholders and bouquets of silver peonies in crystal vases.

The bridal couple left by train for Wells Hole, Wash. the bride travelling in a dainty two rooming car, with matching bed and dresser. On their return they will reside in London, Ontario.

New Teachers Engaged

When the bell rings on Tuesday morning, Sept. 1st, Three Hills school will have an entirely new set of teachers. Following will comprise the new staff: R.G. Collier principal; Christine van der Meer, vice-principal; Minerva Johnson, salesman; W. W. Parker shop and grade 8; Irv Hamilton—Miami economics and grade 7; Marion Walker, grade 5 and 6; Irene Illmer, grade 3 and 4; Carol Wetherston, grade 1 and 2.

Supplementary examination will commence on August 13th. (1) A Kelly will be the presiding examiner.

C. P. McDougall and W. T. Kinney returned to Edmonton this week. The former will proceed to Dawson Creek where he has secured a position on the U.S.-Alaska highway. Paul and Dorene have been employed on the project for some time.

Mrs. A. Grey and young son have been visiting at the home of Mrs. H. J. Murray.

Harry Treushon son of Mr. and Mrs. Albert Treushon has enlisted in the R.C.A.F.

GHOST PINE

Ghost Pine U. F. A. picnic went off with a bang on Thursday. A good crowd turned out and everyone took part to make it a success. Mr. Jack Patterson from Hanna was on hand and added interest to the game. His talk was about farm problems and was well received.

One of the most interesting features was a puck up ball game, which was won by Margaret Kaeble. Tounded up a team and led them to new victory over a team rounded up by J. B. McCubbin. The battery for the women was M. Kaeble and Anne Matus and for the men, L. Vassar and J. Kaeble with Joe Kuehn as umpire. They were many amusing plays and much fun.

A picnic lunch was served in which all joined and the day ended with a ball game, Maria vs. Oshawa, which had to be called about the sixth inning because of rain.

Mrs. Katherine Currie, R. M. of Wells, B. C., has been spending her vacation with her brothers, I. C. and E. W. and families of Oshawa.

Miss Mary Sommerville has taken a position for the summer in Calgary.

Mr. J. Lynde left for Vancouver last week on a business trip.

A Boy Scout meeting was held at Seven on Saturday evening with Scout Master James of Oshawa present.

Mr. Joe Brumie has been working on the Boise clearing the woods from among the trees which were planted two years ago.

The marriages of Norman King and Evelyn Davies took place in Knox United Church on Wednesday.

Mrs. Gertrude of Loomis is visiting her son, Mrs. Grace King and her brother, D. C. Little.

SUNNYSLOPE

W. O. Palmer of the R.C.A.P. Hamilton, former principal of the "Sunnyslope" school, spent Tuesday evening acquaintances in the village. He was accompanied by Mr. J. H. Kupper and the R.C.A.P. They report that the Germans and Japs are on hand to capture on the docks. They have a hard task ahead.

Mr. J. H. Kupper of Calgary is in charge of the house of his son, Winston last week.

Mr. A. W. Ritten and family have moved to Delburne.

Mr. E. A. Thomson and Mr. and Mrs. A. Thomson of Calgary, returned to the city after spending some time visiting his sister Mrs. A. Kerwin.

Mr. and Mrs. K. Coffin of Calgary returned to the city after spending some time visiting his sister Mrs. A. Kerwin.

Thanksgiving service will be held in the Anglican church on Sunday Oct. 4th at 7:30.

GHOST PINK

Tom Campbell who has been visiting at the home of his uncle and aunt, Mr. and Mrs. Bert Campbell, left for Calgary last Saturday. Mr. J. J. Crabb and son, were in town here recently.

Mr. Norman King is visiting at his old home.

John Johnson celebrated his twentieth birthday by having some of her school chums to tea.

Combining has started and threshing will be general by the end of the week if the weather continues.

Next Red Cross meeting of the Ghost-Pink group will be held at the home of Mrs. Ruby on Oct. 18.

Mrs. A. Nephew has been setting a good example for the ladies during the labor shortage, by driving the grain truck in the harvest field.

POLICE KEPT BUSY

Mr. Seal's progress of the Three Hills Hotel has received a valuable boost on Saturday night. The hotel from one of the rooms, due to the weather, was closed for the night. Constable Jack Buckley and the Calgary City Police. The man suspected for the theft was Walter Tuley, who, lately employed by Davidson Bros. as truck driver. He had departed for Calgary when the theft was discovered last night. The city authorities were notified and the culprit was found in a room in a running house with the alleged thief. He will stand trial in Calgary.

A brawl took place in the J.B. Cafeteria Saturday night, attracting a considerable audience. The boys broke a window and were going to finish it outside when Const. Buckley intervened.

A drink was picked up on Tuesday by Const. Buckley and lodged in the local jail. The lack of a police magistrate in Three Hills to handle the various cases which come up from time to time, is causing considerable hardship, and it is to be hoped that this situation will be remedied before long.

THRESHING STARTS

The weather man has perched the way for a delightful Indian summer, and given our farmers the break they were hoping for. As a consequence the beginning of the week saw farmers feverishly mowing their lawns ready for an all out blitz in the grain field, and as we put these lines the outlook is promising indeed. Combining began early in the week and threshing will be general by the latter part of the week, weather permitting.

THIRD VICTORY LOAN

Canada's Third Victory Loan will be opened on Monday, October 1st with an objective of \$1 million dollars according to an announcement by Finance Minister Fisher.

The last Victory Loan in February had a \$60 million dollar national objective, but was greatly over-subscribed.

The Commonwealth, weapon of nations, all-out warfare, will be the symbol for the new Victory Loan. Some 725 Commonwealth "Legion" army units from Sheffield Eng. have been flown to Canada for distribution to the 72 local units of the national war insurance committee.

When each community unit reaches its war loan objective it will dispatch a Commonwealth dagger to the regiment overseas which represents that community.

The dagger will be for actual use in battle by a member of the regiment and will stand as a pledge from the folks back home to support the armed forces with all the weapons and equipment they need to reach Berlin.

The more they come, the bigger they get! We refer to the second collection of commonest vegetable specimens raised in the J. R. Trencher garden. Says Aircraft Is Unable To Take The Place Of Ships In The Transportation Of Freight

The Canadian Air Transport Commission, in its report on the future of air freight, says that aircraft is unable to take the place of ships in the transportation of freight. The commission, which was set up by the government to study the problem, has found that the cost of air freight is too high to compete with sea freight. It also found that the capacity of aircraft is limited, and that the time taken to load and unload cargo is too long. The commission recommends that the government should subsidize air freight to make it more competitive with sea freight.

Jim Says--

It Can Be Done

Jim finds times hard. His standard of living has dropped. There are all those new taxes. Now there's another Victory Loan and Jim is expected to subscribe.

"Rock Bottom!" was Jim's first thought. "We're on rock bottom. Just can't find the money!"

He's thought some more since. And he's decided it can be done. Jim says he doubts if Morris lost much time wondering if it could be done when he crossed that bridge at Disappe.

FACE THE TRUTH

We're faced with a real and terrible danger and we've all got to help—we've got to give them what they need to fight with—and we can't do it unless we deny ourselves those luxuries and conveniences that not only cost money to buy, but take labor to produce.

Remember, we can lose this war if we don't supply those vital war materials. Any price we pay for freedom is not too high.

Nothing matters now but Victory

Seed Supplies

The variety which makes up our wheat, oat, barley and flax crops have changed with extraordinary rapidity during the past few years. The changes have nearly all been improvements, and for this we must thank the plant breeder and other agricultural scientists. These pure stocks of some varieties will not be equal to the demand, now in the time to begin thinking about purchases.

A farmer may be obliged to obtain new seed because the quality of his own is inferior. It may be heavy, sprouting, shriveled, etc.; or replacement may be necessary. It is a point of maximum of seed needs which cannot be overestimated. In such cases, replacement may be made with pure seed of the same variety. The farmer seldom can afford to wait more than a few days to get his seed.

If a different variety is required, the farmer may have merely what he wants. Even though he does, it is a good plan to consult the Provincial Department of Agriculture, Field Crops Branch, or the Provincial University or nearest Dominion Experimental Farm. You are entitled to get helpful information from these organizations as well as from the latest experimental results.

Elevator agents of Late Elevator Company associated with the parliament are authorized distributors of seed for Manitoba, Saskatchewan and Alberta Crop Improvement Associations. As soon as official variety recommendations are available, they will be in elevator agents' office.

Mr. and Mrs. Tom Galt and family left on Thursday for New Westminster where Mr. Galt will work in a sawmill. They held a very successful sale, Wednesday.

The JODER held a work meeting on Tuesday evening at the home of Mrs. Lawrence Davis.

Wedding Bells

ANDERSON-SCHAEFER

Reginald John was substituted to Royal United Church on Sunday afternoon, Dec. 8th, when Mr. M. Anderson and his bride, Mrs. M. Anderson, both of this district were united in marriage. Rev. M. H. Hughes officiated.

A large number of relatives were present, and the ceremony was most impressive. Mr. and Mrs. Anderson, after the signing of the register, an appropriate hymn was sung.

Many congratulations were extended the bride and groom, and the bride's mother, who was also present, was given a gift of a silver vase.

CHATTER-HEED

A quiet wedding was celebrated on Wednesday, Dec. 7th at half past one, when Miss Florence Turner and her bride, Miss Florence Turner, both of this district were united in marriage.

The ceremony took place at the home of Mrs. C. W. Turner, with Rev. J. M. W. Turner officiating. The bride's mother, who was also present, was given a gift of a silver vase.

The bride's mother, who was also present, was given a gift of a silver vase. The ceremony was most impressive, and the bride and groom were both very happy.

Engagement

Mr. and Mrs. Ben Vossler announce the engagement of their only daughter, Madeline M. Vossler, to Mr. John Vossler, son of Mr. J. Vossler and the late Mr. J. Vossler, both of this district.

Looking Back Over The Years

(From the files of The Capital, Dec. 31, 1932)

The Community Chest committee certainly has had a busy year. To have seen the tables in the town hall, loaded with clothing, furniture, toys, etc., was a revelation. These had to be sorted out according to size and allotted to families having children; that the articles would fit. This was no light task. Oranges, apples, nuts, etc., were included in the donations. Anything else needed to bring Christmas cheer was brought with the money donated. About fifty families in the district will have received something to make Christmas brighter.

WEDDING

MILAN - MILAN

At Theresa's Church, Lums, was the scene of a pretty wedding on Sunday, December 24th, when Miss Ruth, only daughter of Mr. and Mrs. L. A. Milan of Ghost Pine, became the bride of Alfred Mehan of Lums.

The strains of the Offertory in B-flat major, played by Miss Emma Mehan, the bride's sister, the church choir, the son of her father and was presented up the aisle by her brother, Vernon Houshous. The bride wore a gown of blue velvet with white accessories and carried a white prayer book. The bridesmaids wore a white dress with white accessories and a carriage of pinkness. She too carried a white prayer book.

The groom was escorted by Mr. Frank Chisholm of Calgary. Father Mehan, who officiated, was assisted by Father Dummer, of Edmonton. The other boys were Walter Houshous, Jr. and Frank Kinnel.

Robert and Dan Milan, cousins of the bride, were ushers.

A reception was held at the Milan home where forty relatives and friends sat down to dinner. Mrs. Milan, the bride's mother, chose Queen's blue with a carriage of red room while Mrs. Mehan, mother of the groom, chose black and white with carriage of red room.

The bride's table was centered with a three tiered wedding cake flanked by white candles and the place cards had favors of pale blue forget-me-nots.

After the reception the happy couple left by car for Calgary and the north.

For going away the bride chose a dressmaker suit of black wool custom over which she wore a dark midnight coat and black accessories.

On their return from their honeymoon they will reside on the groom's farm north of Trochu.

Wm. Parker, shop instructor and teacher of the intermediate grades at the town school will return to his former position at Orla after the New Year. Mr. Eddie Bassant who has received his honorable discharge from the army, will take Mr. Parker's place on the local teaching staff, taking over his former position here.

WEDDING

MILAN MILAN

St. Theresa's Church, Lethbridge, was the scene of a pretty wedding on Saturday, December 20th when Frank Keith, only daughter of Mr. and Mrs. Lee Milan of Great Falls, became the bride of Alfred Mehan of Lethbridge.

The strains of the Offertory on the organ played by Max Hansen, Lethbridge, the bride entered the church, the arm of her father and was preceded by the aisle by her bridesmaid, Teresa Houtchens of the local town.

The bride wore a shade of blue velvet with white accessories and carried a white prayer book. She wore a large diamond necklace. The bridesmaid wore a white suit with white accessories and a carriage of pink roses. She too carried a white prayer book.

The groom was supported by Mr. Frank Kneiblich of Calgary. Father Korman, who officiated, was assisted by Father Dunsmuir, of Edmonton. The altar boys were Walter Houtchens, Jr. and Frank Kneiblich.

Robert and Dan Milan, cousins of the bride were ushers.

A reception was held at the Milan home where forty relatives and friends sat down to dinner. Mrs. Milan, the bride's mother, chose Queen's blue with a carriage of red roses while Mrs. Mehan, mother of the groom, chose black and white with carriage of red roses.

The bride's table was centered with a three tiered wedding cake flanked by white candles and the place cards had favors of pale blue forget-me-nots.

After the reception the happy couple left by car for Calgary and the north.

For going away the bride chose a diamond set of black and white cut over which she wore a dark midnight coat and black accessories.

On their return from their honeymoon they will reside on the groom's farm south of Trochu.

Wm. Parker, shop instructor and teacher at the intermediate grade at the town school will return to his former position at Olds after the New Year. Mr. Eddie Houtchens who has received his honorable discharge from the army, will take Mr. Parker's place on the local teaching staff, taking over his former position here.

Red Cross Meeting, Wed.

The annual meeting of the Three Hills branch of the Red Cross will be held on the 15th of Jan. at 8 o'clock.

The first birthday cake of the 1941-42 season was presented to the Red Cross by the local business community.

The O.R.P. are raising an eighteen and eighteen, presents to give to the Red Cross.

TOWN COUNCIL

The Town Council held their first meeting of the year, Monday at 8 o'clock at the council chamber. The first item on the agenda was the presentation of the 1940-41 financial statement by the treasurer, D. H. Brown. The statement showed a surplus of \$10.10. The council then considered the report of the fire alarm committee, which recommended the purchase of a new fire alarm system. The council agreed to purchase the system and to increase the fire alarm rate from 10 to 15 cents per month.

Appreciates \$5.00 Gift

The following gentleman has been received from Mr. A. K. Davis, who has contributed \$5.00 to the Red Cross. The gift was presented to the Red Cross by the local business community.

Dear Sir:—On Dec. 18, 1940, I received a Christmas card from Mr. George M. H. Davis with a five dollar bill enclosed. I was very much surprised to find that it was from Mr. George M. H. Davis, who has contributed \$5.00 to the Red Cross. The gift was presented to the Red Cross by the local business community.

GHOST PINK

Mr. and Mrs. Gordon Campbell who have been spending a few days at the home here, left Monday for Calgary. Mr. Campbell is a resident of Calgary and has been in the city at the end of the week. Mr. Campbell has been posted to Ottawa and will leave about the middle of the month.

Quite a number gathered to church on Tuesday to attend the wedding dance in honor of Mr. and Mrs. A. H. McLean. The bride was a lovely girl, and the groom was a fine fellow. The dance was very successful and the guests enjoyed it very much. The bride and groom were very happy and the guests were very kind.

Wedding Bells

BISHOP BURBAR

A wedding of interest to many friends here, was solemnized on Dec. 19, 1940 at 7.30 p.m. when Rev. Mr. Bishop Burbar, of the Methodist Church, officiated at the marriage of Miss Gertrude Burbar of Fredericton, N.B., and Percival William Bishop of Three Hills.

The bride, who was given in marriage by her brother, Thomas J. Burbar, wore a tropical blue street-length dress with matching hat, shoulder length veil and matching accessories, and carried a bouquet of American Beauty roses and tiny white carnations. The bride's mother, Mrs. L. H. Burbar, the bridesmaid wore a dress of cream and tulle. The groom wore a suit of dark blue and white with matching accessories, and wore a boutonniere of tiny white carnations.

After the ceremony a dinner was held, at a table at which twelve guests were seated, who were most graciously entertained with a three tier wedding cake.

Later, the bride and groom left for the west, for a visit with the groom's parents, Mr. and Mrs. T. J. Bishop of Three Hills.

The bride is a graduate of the Fredericton High School and Union University in Fredericton and has been employed at the American Consulate in Fredericton. Before leaving Fredericton the bride was guest at a number of parties held in her honor, and was the recipient of a many lovely gifts.

The groom is a graduate of Crescent Heights High School, Calgary and an honor graduate of the University of New Brunswick. After studying in Vancouver the couple will reside at Ft. Nelson where the groom will be employed as an assistant on the Alaska highway.

COLWELL-WILSON

The marriage took place at Fletcher Creek on December 28th, of Margaret Dore, eldest daughter of Mr. and Mrs. Robert Wilson, and Frying Officer Roy A. Colwell, S.C.A.P., only son of Mrs. P. Colwell and the late Mr. Colwell of Medicine Hat. The ceremony was performed by H. Franklin Fox of Fletcher Creek. Roy was employed at the Royal Bank here a few years ago. Following his enlistment he served overseas, returning to this country about the middle of last month. He will be posted in Canada and left on January 1st for Ottawa.

SANDS OF HAZARD

By J. B. RYAN

And I was sure I would have done
explained Robert. But I know that
was intended that to be demonstrated

The water's bland expression did not change. "Think the Burgundy fishermen are excited?"

"Think you're a fish?"

The cork dangle and popped up his empty cup. "The coffee was excellent."

The waiter bowed and, with reverentness, turned the cork dangle about his waist. He made a pretense of wiping the moist coffee and watched the pouring man. But the waiter is no one, examining through his hood from a safe or the cup.

"You brought them here?" Storey lifted an eyebrow. Alio Salla lay back and smiled at him.

"It is all right, Monsieur," said the shop to Toung-ut where there is no more and day after day."

Andre Hebel added a streamer of smoke to the black hair above the white beard of the old French writer who appeared at his elbow smiling "bring me a bottle of your best A.O.C."

WHEN the two men were alone, Storey once more, Hebel smiled indulgently at the young man's presence in Aljo Salla's Monsieur Storey. With you satisfy my curiosity regarding the "equipment" are far much end said?

"I'm on my way like a train to the United States," countered Harry. "My country is on the way now you know - I'm from Los Angeles I shall come back to my country in the night. Come to them I ought to be there - my way of reaching America is the shortest. Come to me making this shortest journey - how is it?"

"The train to the United States is with me," Harry's wife told him. "Righted his mindless train." "You remember him," he said. "I shall be there. I shall be the man who says that I was giving you my thesis for half their value."

"SANDS OF HAZAR"

Jack Stivers thought he was on an adventure behind when he sold his sheep near Algeria and started for Libya. Egypt on the long route into the States. He never dreamed, of meeting the late Free French spy, Amélie P. More. Nor did he know that himself had been drafted as agent of the Axis. A full adventure reminder.

MILITARY CALL-UP

Attention!

*** SINGLE MEN ***

A statement recently made by the Minister of National Defence, Hon. J. G. Macdonald, in the House of Commons, has been widely quoted. It was to the effect that the Government was not prepared to call up any more men for military service. This statement has been widely quoted in the press and has caused much discussion. It is interesting to note that the statement was made in the House of Commons on January 18, 1934, and that it was made in answer to a question asked by Mr. J. G. Macdonald.

Memories of the Town Bard

The town bard, Jack B. Webb, has been widely quoted in the press and has caused much discussion. It is interesting to note that the statement was made in the House of Commons on January 18, 1934, and that it was made in answer to a question asked by Mr. J. G. Macdonald.

To All Eggs and Poultry Producers

Town, School Annual Meetings

The annual meeting of the Town of Three Hills was held last Friday evening. Those present were Mayor Robertson, Councillors Mullinger, Helton, Waterbury and several ratepayers. Minutes of the last annual meeting were read and adopted. The annual statement was presented to the meeting and the mayor then gave a summary of the activities of the council during the year, explaining that the Town is now in good financial position and free of debt. Reports were then read by chairman of the public works, fire and police and the horticulture committee.

Coun Mullinger then explained the action of the council in setting the mill rate on farm lands.

At the conclusion of the above meeting the annual retrospective meeting of the Three Hills School District was called to order with M.J. Helton in the chair. Minutes were read and the financial statement was presented. The school principal, Mr. Coles was present at the meeting and reported on harmony among the teaching staff. The reports of the teachers and trustees were read by Chairman Helton. Several questions concerning the annual statement were satisfactorily explained and a lengthy discussion took place with the regard to the controversial subject of the setting of teachers' salaries.

A vote of thanks to teachers and trustees brought the meeting to a close.

LOCAL NEWS

Mr. Cunningham is improving, slowly but will have to remain in hospital for some weeks.

Miss M. M. McLean, Market Street, was visiting in town this week.

Mr. and Mrs. A. H. Goss of Calgary are in town this week at the Holy Cross hospital Jan. 31.

K. H. McLean, representative of the National War Services Board, will be at the hospital on Monday afternoon and evening Feb. 4th. From Wednesday to Saturday, (closed) at Holy Southern Building, Calgary.

Elmer Anderson and Wilma Rose are moving into the cottage at the F.P.A. hall.

Clay Thomas, who is well known in these parts took over the truck of Mr. Russell on Monday of this week. Clay is engaged to give dependable transport service in future. His announcement appears in another column.

At the Lorne Theatre this week George Formby in "Mark American George." Another of those excellent pictures by the famous film director of Banff. The wedding will take place on February the nineteenth at Knox United Church.

Engagement

Mr. and Mrs. R. C. Robertson announce the engagement of their daughter, Mary Frances, to Mr. Laurence A. Tollington, son of Mrs. M. R. Tollington of Banff. The wedding will take place on February the nineteenth at Knox United Church.

Married Men to Receive Army Call

Married men, with or without children, between the ages of 31 and 35 are being called to receive medical examination at army depots in the past year, for the first call-up of married men since compulsory military service became effective more than two years ago.

Officials of the Calgary branch of the National War Services Board state that about 1,200 men in the province would be affected. The call-up would affect men who were 16 years old as at July 1, 1940, and 25 years old as at July 1, 1941. This will make them 31 years and 25 years of age at the present time. There is no indication when these men would be required to report for military service or taking their medical examination.

The United Church Youth People held an enjoyable farewell in the church Monday evening, in honor of one of their members, Mr. Elmer Murray, who is leaving Three Hills to join the R.C.A.F. During the evening he was presented with an Air Force ring with the words good wishes of his many friends. At the conclusion of the group, consisting of 11 members in Johnnie's, 11 one of Modern Day to enjoy a very appetizing lunch prepared by Mr. and Mrs. Shragar.

The Mercury Boats

The present mild spell is a well-known relief after the intense cold of recent weeks. It will excite citizens to thaw out frozen water pipes, replenish the coal supply and find out just what it is like to feel warm once more. No doubt our rural telephone companies will avail themselves of the opportunity of putting their lines in shape, which received a terrific pounding in the blizzard.

FOR SALE

One light bay saddle horse. Weighs over 1200 lbs. Fast but gentle. Can be used for single driving. In dandy shape. See Louis Hanna, 2 doors north of Presbyterian Church.

The Royal Bank of Canada 74th Annual Meeting

Morris W. Wilson, President and Managing Director, urges plan for planning on basis of free enterprise. Only system likely to appeal to self-reliant young Canadians.

Sydney G. Doherty, Vice-President and General Manager, reports assets over \$1,291,000,000. Liquid position exceedingly strong. Was able heavily to routine duties of banks.

The Royal Bank of Canada, which has been in existence for 74 years, held its 74th annual meeting at the Hotel Vancouver, Vancouver, B.C., on Thursday, Jan. 31, 1935.

The meeting was presided over by Morris W. Wilson, President and Managing Director, who in his report to the shareholders, stressed the importance of the bank's position in Canada and its future prospects.

The bank's assets were reported to be over \$1,291,000,000, and its liquid position was described as exceedingly strong. The bank was able to meet its obligations to the public in a most satisfactory manner.

Wilson, in his report, stressed the importance of the bank's position in Canada and its future prospects. He stated that the bank was well equipped to meet the needs of the Canadian public and to contribute to the development of the country.

R. Ray McLean, Organist and Organist, will be at the St. Andrew's church, 1000 1st Avenue, on Sunday, Feb. 8, 1943, at 10:30 a.m., for the service of the late Mrs. McLean, deceased.

At the Lyric Theatre this week, George Formby in "Buck America Group." Another of these excellent pictures in the famous Fox lineup of the 20's! Don't miss this one.

What to do in 1943

As a result of the Dominion Provincial conference held at Ottawa, Ont., on January 2, it was announced that the Dominion Government will issue a booklet, "What to do in 1943," which will be distributed to all Canadians.

The booklet is not a suggestion; but it is a guide to the things that you can do to help the war effort. It is a booklet that will be of great value to all Canadians.

Motor Licenses Available Mar. 1

License plates for some 30,000 motor trucks in Alberta will be available March 1 for the new license year that opens April 1, according to information received by the Alberta Motor Association from the provincial highway ministry.

The board proposes to make the license renewal as early as possible to facilitate the renewal of positive records as there is a general belief that trucks will be returned for sale, just as in the case with passenger cars.

This year, trucks will carry a special trade plate, attached to the rear of the vehicle. The color will be black on white as an orange background.

Sgt. W. Tetz Killed In Accident

Word of the first casualty among those enlisted in His Majesty's Forces from the Three Hills district came on Saturday night when it was learned that Sgt. Walter Tetz, son of Mr. and Mrs. Chas. Tetz of Three Hills, had met with a fatal accident at Trail B. C. where he was on institute in the tank corps.

The deceased was driving a Bren gun runner down a hill when the machine turned over and crushed him. Being seriously injured, his wife and child were sent for, but another was arrived simultaneously by advising of his death. He was expected home on leave this week.

Born in Lander, B.C., 25 years ago, Walter spent his boyhood in Three Hills district and last June enlisted in the Army Service Corps later transferring to the tanks. He commenced his training at Sherwood Camp, going from there to Oshawa to Victoria, Campbell River and the latter part of January was moved to Trail. He married Kate Reubert in Dec. 1931 and has an infant daughter, Marion, residing in Three Hills. He also leaves a brother Arthur, and two sisters, Ma (Mrs. K. Schmidt) and Edna of Three Hills.

The remains were shipped to Three Hills and funeral services are being held today, Thursday from the P. R. I. (Patrons' Funeral Home) has charge of arrangements.

Get your new ration books at the Town Hall any day this week from 2 to 5 p.m., and on Saturday from 9 to 9 p.m. Mrs. R. A. Davidson and Mrs. H. E. Waterbury have been appointed as distribution officers and are being assisted by other voluntary workers from the various organizations in town.

Innoculation

The second whopping cough inoculation will be given at the Town School on Friday, Feb. 20th starting at 9:30 a.m. On Friday March 13th the first inoculation for diphtheria will be given starting at the same time.

GHOST PINE M.D. ANNUAL MEETING

About 25 representatives attended the above meeting Feb. 19.

The financial report showed the district to be in very good standing. In view of the fact that the school trust balance is large it was recommended that the school mill rate be reduced.

The motion was expressed that the agreement of the local and the council was instructed to request a new agreement for 1943.

The following resolutions were passed: That the taxpayers of M. D. Ghost Pine M.D. are opposed to any attention to the present boundaries of said district.

Resolving councillors Steyger and Hogg were elected.

The Three Hills Art Cadets will hold a concert in the Lyric theatre on Wednesday, March 11th. Buy a ticket and help the Cadets purchase the equipment they need.

STAUFFER COUNCIL

About 30 representatives attended the annual meeting of Stauffer Municipal District held at the Lyric theatre on Saturday afternoon. A discussion of municipal affairs took place after which nominations for councillors were received, resulting in the re-election by acclamation of councillors Perry and Marsh.

Fire broke out in the bank house at the Three Hills mine last Thursday, but was discovered by the engineer before very much damage was done. The blaze is thought to have started from a cigarette left in the miners' clothing and two outfits valued at \$20 were lost.

Red Cross Drive Starts Monday

The Red Cross Drive for funds commences next week and the collectors will be around to call on you as they are prepared to minimize them and make a substantial contribution to this great cause. O. Hagar Makes Crash Landing

While driving home from Goodwell on Saturday night in his 1940 Willys coach, Oscar Hagar met with a serious accident about two miles north of Goodwell when a marking went wrong with the steering wheel and the car plunged into the ditch. Mr. Hagar was unhurt but the car was wrecked, the front wheel assembly being torn completely off and the body crushed. The wrecked machine was hauled into Three Hills and later taken to Calgary for repairs.

Wedding Bells

Knox United Church, Three Hills, was the scene of a beautiful wedding on Friday noon, Feb. 19 when Mary Frances, only daughter of Mr. and Mrs. Richard C. Robertson, was united in marriage to Mr. Laurence A. Tellington, son of Mrs. M. J. Tellington of Bonifay B. C. Minister of Health, a University friend of the bride and groom, officiated at the ceremony, assisted by Rev. I. N. Hughes, pastor of the church.

The bride, charmingly gowned in white sheer with finger-tip veil brought by a coronet of lace buds and carrying a bouquet of pink rose buds, entered the church on the arm of her father to the strains of Mendelssohn's Wedding of Obed. She was attended by Mrs. O. L. Robertson of Drumheller as Matron of Honor and Miss Margaret Hutchison of Victoria, B.C. as bridesmaid. The groom was ably supported by Mr. C. D. Dumbly of Obed. The ushers were Mr. J. C. Robertson of Calgary, brother of the bride, and Mr. Chas. Becker of Obed.

The altar of the church was backed by fern and spring flowers. To a very large gathering of friends, Mrs. Chas. Becker, sister of the groom, sang, "I Promise You," during the signing of the register.

After the ceremony the guests were entertained in the reception room of the church where, centred round a canopy of pink and white streamers, a lovely decorated table contained the three tiered wedding cake. At each end, Mrs. Theo Bowden of Three Hills and Mrs. Geo. Tellington of Calgary, past and present, while Mrs. R. A. Swanson, Mrs. C. B. Swanson, Miss Clara Perry and Miss Elizabeth Swanson served the dainty luncheon.

Mr. O. L. Robertson, elder brother of the bride, was Master of Ceremonies and very ably assisted by Mr. R. S. Christie. Proposed the toast to the bride and a few choice words were responded to by the groom. The toast to the bridesmaid and the Matron of Honor was given by Mr. R. A. Swanson and was responded to by Mr. C. D. Dumbly.

Appropriate greetings were briefly expressed by Messrs. R. C. Robertson, W. A. Jones, Chas. Becker and Rev. I. N. Hughes, after which hearty congratulations and goodwill were showered upon the happy bridal pair, both University graduates who have active in church work and social activities in their respective homes.

The many beautiful and useful gifts bear eloquent testimony to the high esteem and popularity.

Old-Timer Passes

An old timer of Three Hills died last night. Mr. C. W. Drake passed away February 19th in Seattle hospital. The late Mr. Drake had reached his 83rd birthday on January, coming to Three Hills from Iowa, U.S. in 1910 when he took a homestead (160 and a half acres south of town). In 1918 Mr. and Mrs. Drake moved to Seattle where they have since resided. Mr. Drake was in good health up until three weeks ago when he slipped on an icy street, fracturing his hip.

He leaves to mourn, his wife, Lydia and three daughters, Mrs. Wm. Taylor, Seattle; Mrs. W. M. Walker, Bremerton, Wash.; Mrs. C. S. LaRue, Three Hills.

Dr. Ray McLean, Optometrist and Optician, will be at the Bowden office on Monday afternoon and evening, 7 to 9 p.m. From Wednesday to Saturday, 9 a.m. at 1015 Southern Building, Obed.

The annual Communion will be held in Three Hills on Saturday, March 7th. List given any time with C. S. LaRue clerk. Show flowers, centerpiece.

Knox United Ladies' Aid will meet at the home of Mrs. Murray on Thursday, March 6.

The I.O.O.F. will meet at the home of Mrs. Gordon on Tuesday, March 24.

The Presbyterian Ladies Guild will meet at the home of Mrs. Gordon on Thurs. March 6.

Photographs of local young people who have joined the Service, are being displayed in the windows of Joseph's Grocery. They are all very attractive portraits and are creating a considerable interest locally. The display is intended to stimulate public interest in the February sale of War Savings Stamps.

is which the bride and groom are held.

Mr. and Mrs. Tellington left on the north bound train for a brief honeymoon in Banff, and will reside in Calgary, where in a short time they will be at home to their host of friends.

Out of town guests were Mrs. M. J. Tellington, Bonifay, Mr. and Mrs. O. L. Robertson, Drumheller; Mrs. and Mrs. Chas. Becker, Mrs. J. B. Cook, Mrs. R. A. Craig, Miss Margaret Craig, Mrs. R. Newman, Mrs. R. Kaler, Mr. and Mrs. W. D. Craig and Norman, Mrs. C. Dumbly of Obed; Mrs. J. A. Robertson, Mrs. Geo. Tellington, Mrs. F. A. Kerr, Dr. and Mrs. H. Steery, of Calgary; Mrs. Hall, Red Deer; Miss Margaret Hutchison, Victoria.

Increase in Livestock

In a recent statistical report received
by Secretary Chas. Christie
of Statistics Canada it is giving the volume
of all farm livestock and grain
crops in the various sections of
the country. It is noted that the
value of livestock raised in this
area is almost triple the value of
wheat crops for a corresponding
period. This is a very good
indication of the present emergency
which calls for an increase in the production of live
stock.

The Air Cadets

With a goal of \$50,000 have the
Royal Canadian Air Cadets are
organizing into grade and getting
their personnel with one of the
simplest uniforms it has ever
been a boy's privilege to wear.

Based on the state of the Canadian
active army battle dress,
the uniform has improvements that
make it outstanding, besides being
smart and military.

There are twenty-five members
of the Three Hills Air Cadets and
the boys find the work interesting
and useful. The following subjects
are being given:

Air navigation—E. Bassett.
Signals and wireless—W. Hart.
First Aid—W. Mullinger.
Drill and armament—E. P. Foster.
Mathematics—J. Cohen.

Boys between the ages of 15 and
18 years are eligible to join the
Cadets and will be supplied with a
uniform. There is no membership
fee or charge for equipment
and although the Cadets upon
completion of this preliminary
training will possess knowledge
valuable in the Air Force, they will
in no way be obligated to enlist in
this branch unless they so desire.

The local Cadet unit has to raise
funds for the purchase of
equipment, etc., and Cohen held a
concert for this purpose in the
Lyric theatre on Wednesday, Mar.
17th. Boy a ticket to help this
worthy cause.

A recent W.P.B. order stipulates
that accounts must be paid on the
15th of the month following the
month in which the goods were
purchased. This means that an
account for goods bought in March
becomes due in April and so on.
The order covers the purchase of all
groceries, meat and other food
supplies.

A large gathering of friends and
neighbors met at 5 o'clock Monday
evening, the occasion being a
farewell party for Mr. and Mrs.
Hester Davidson, who are leaving
to take up residence in Drumheller. Mr. Hester acted as
chairman and carried out his
duties in his usual pleasing style.
Songs were contributed by the
Dundas group and Mr. and Mrs.
George Summerville and were
accompanied by Lester Thomas,
who also rendered several selections.
The evening was a very successful
one and was a pleasant surprise
to all. The party was held at the
home of Mr. and Mrs. Hester Davidson.
The guests of the evening with
a silver tea service. Mr. and Mrs.
Hester both thanked all present
for their kindness during Hester's
illness and after singing "Here We
Are" the guests of the evening with
a silver tea service. Mr. and Mrs.

Hester both thanked all present
for their kindness during Hester's
illness and after singing "Here We
Are" the guests of the evening with
a silver tea service.

In spite of badly drifted roads
Hester acted as hostess and
laid out Tuesday evening when friends
and well wishers met to honor Mr.
and Mrs. Hester who are leaving
the district. A program of
songs and music interspersed with
receptions was enjoyed and a poem
composed by Mrs. George Summerville
was read, after which the
chairman, Walter Hester, presented
the guests of honor with a
lovely glass topped coffee table,
fine, thinking everyone for the
gift, spoke a few words of
appreciation to all friends, thanking
them for their friendship during
the time Hester has been in
hospital at Ghost Pine. Mrs.
Hester also spoke a few words
and invited her friends to a cup
of coffee anytime. Lunch was served
and the floor cleared for dancing.
Music was supplied by Lester
Thomas, J. Hester, Ray Johnson,
Frank Gibson and Buzz Thomas.
Mr. and Mrs. Hester leave on
Monday morning for Calgary where
Hester will visit his mother and
sister.

Mrs. T. J. Hester who has been
visiting in Hester returned home
last week.

Don Milne is spending a few
days with his cousin, Bob, before
leaving to join the Air Force.

Prof. Alex Vancouver who is now
stationed in Ontario, is ill with
scarlet fever.

Mr. and Mrs. Marion Tupper,
of Drumheller spent a few days
at the Vancouver home.

The household is busy cleaning
the rooms around Hester.

The next Red Cross meeting
will be held at the home of Mrs.
Hester on March 4th.

Cpl. Albert Johnson left on
Tuesday for London, Ont., to take
a mechanic's course.

WAR DOLLARS

Do Three Essential Jobs:

- 1. HELP CARRY ON THE WAR**
Every possible dollar will be needed to bring the war to a successful conclusion. THEREFORE, every dollar you lend enables you to play a vital part in the great fight for freedom.
- 2. CURB WASTEFUL SPENDING**
To retard spiralling prices and rises in the cost of living, income must be diverted from unwise purchases and made available for war use. WAR SAVINGS mean money put aside to aid essential war production.
- 3. PROVIDE A NESTEGG**
Following every major war, there is a period of economic re-adjustment. The man who has taken his share of WAR SAVINGS will find this money very useful during this transition period.

RENEWAL OF UNEMPLOYMENT INSURANCE BOOKS

To all Employers:

The 1942-43 Unemployment Insurance Books expire on March 31st.

New Insurance Books for the fiscal year 1943-44 will be exchanged by the Local Employment and Selective Service Office in your area for expired Insurance Books.

Do not send in your Insurance Book without completing forms enclosed with circular letter 623.

If you have not received this circular letter, get in touch with your nearest Employment and Selective Service Office.

Where it is necessary to quote the Employer's Insurance Number—use the number with the profile letter shown on the front cover of the book, example P-49247, E-23454. Do not quote the book serial number printed on the inside pages of the book.

Protect the benefits rights of your employees by following closely the procedure outlined in the circular letter, and prevent delays by acting now.

Bob Bates Writes From Britain

The following letter was received by Mrs. J. O. Bates from her son, Bob who is serving in the forces in England.

"My very sincerest thanks to the many organizations and friends to three Hills from whom I received so many Christmas parcels."

It is hardly proper to thank you all, but I am actually at a loss as to what I'm to do, since I received so many parcels from you and elsewhere. I've just returned from a camp in Wales and I'd certainly like to go back there. It is a very beautiful country and reminds me of westerners in much of the landscape, but one often stops to wonder if it is not a section cut from the Rockies and transplanted over here especially for the Canucks.

Our training has been greatly interested since we arrived here and is the next thing to real action. Everybody is really putting their hearts into their training and waiting for when the Big Day arrives, but I also might add that most of us are possibly a little homesick and hoping for the end of this Big Day and once again, the trip across the Atlantic. A million thanks to all of you again. Sincerely,

Bob Bates.

Overseas Soldier Receives All Parcels

Interesting letters have been received by Postmaster General Macleod from the mother of a soldier overseas since December 1st. Mrs. J. N. Johnson of Calgary, Alta., pays tribute to the Postmaster General and the men who man the ships for the safe delivery of letters and parcels also regularly sends to her son. One of Mrs. Johnson's letters reads as follows:

The Postmaster General
I thank my son who has been overseas with the Canadian Army since December 1939 holds a record for mail received. To date I have sent him around 70 parcels, also numerous cigarette orders, and I have all his letters acknowledged every one of them. He says he is the luckiest boy in the Army. Personally I am proud of the efficiency of the mail service to our boys, not forgetting the kids who men the ships.

Motor License Cut Depends on Ottawa

Reduction of motor license fees in Alberta appears to depend upon whether the province succeeds in obtaining compensation from the Dominion for an anticipated loss in revenue from this source.

A drop of over \$300,000 is expected in motor license revenue this year due to federal restrictions on gasoline and rubber.

Provincial Treasurer Low stated that if compensation is received from the Dominion, this will be passed along to motorists in the form of reduced license fees.

The Alberta Motor Association is urging a reduction in license fees.

Workers' Let Has Declined

In connection with the progress of the German people under the Hitler regime some very interesting facts have been brought to light by the British Ministry of Information. The German farmer has experienced a decline steadily in the past 10 years. It is said that between 1932 and 1939 the number of hours engaged in farm work diminished by a million, and the decline has continued since the time Hitler took power. In 1939, 1,000,000 German workers were employed in agriculture, but in 1935, 1,100,000 were engaged there. The number of hours spent on the land was 1,100,000,000 in 1935, but in 1939 it was 1,000,000,000. The number of hours spent on the land was 1,100,000,000 in 1935, but in 1939 it was 1,000,000,000. Throughout most of Canada, foot-wood is obtained not far from where it is consumed. Its production and distribution are the business of local citizens. The Dominion Government recognizes that the wood-trest shortage is caused by the fact that even though the full cooperation of everyone in affected communities to adequate supply is not assured. Accordingly, it has been decided to minimize the output of wood-trest by assisting those normally engaged in its production and distribution. To this end, the following measures will be adopted:

■ A subsidy of \$1.00 per cord will be paid to dealers on all commercial foot-wood contracted for and cut on or before June 30, 1944, and held in dealers' account on that date.

...BACK THE ATTACK

Put your money on the winner. For this money will be the victor of the second front, the all-out drive that will set the House of Hitler back on their heels. Back it up with every dollar you can scrape together, go without one essential.

The warlike is nothing compared with the alternative. Give me here the money they need and let them smash the enemy. Land your money for victory... Remember it's Freedom versus Slavery. Put your money on Freedom to win.

It is not to be denied that the Capital is one of the best in the West. It is not only a place where you can get the best of the West, but it is a place where you can get the best of the Capital. It is a place where you can get the best of the Capital.

The first three Victory Loans were issued and Mr. Foley was given the amount of the first loan for \$1.00, with every other dollar being required.

It is not probable, demand a greater effort to raise the national income and social population, but we can not believe that the people generally are prepared to make every necessary sacrifice to reach back the thousands of our gallant fellows who have gone into the struggle to preserve for us the liberties we hold so dear.

We must find all we have in this enterprise struggle for the preservation of the simple rights of the human family.

A profession of faith

We have faith in Canada
We have faith in her past, in the
spirit which animated Confederation and
which is content with the shining steel
of railways, have faith strong, foundations
for national greatness and unity.
We have faith in her present, in the
part she is playing to save
the world from tyranny... in her young men
and women who serve on land and sea
and in the air... in her workers who labour
for more than wages... in every man
and woman and child striving for victory.
We have faith in her future, in believing
that she is destined to meet an
increasing influence in world affairs,
and in the shaping of tomorrow,
when many will turn to her with new hope.

her untapped resources, or even the
glories we record of a people numbering
less than twelve millions.
We have faith in a faith in a land we
love, whose soul speaks to us from
every free acre of Canadian soil...
in the splendour of a Laurentian basin,
the quiet of an Ontario woodlot, the far
call of prairie horizons, the surge of
surf on the Atlantic shore and the work
of the Pacific tides. It speaks to us from
churchyards where Canadian dead lie
beneath the rains of English blossoms...
from the poppy fields of Flanders and
Elendore... from the plough and
sowing and mechanical joys of a new man.
We have faith in a faith in her people...
people, who are brave and who are
boldly shouldered... and by whose
united effort, sacrifice and creative vision
the greater Canada of tomorrow will be built.

We have faith in Canada

Services next Sunday.

Three Hills .. 11 a.m.
 followed by Sunday School
 Service 11 a.m., followed by Sunday
 School.
 Subject: God and Revelation, or
 a Plain Statement of Faith.
 Special music by choir.

Good Friday services in Knox
 and Sarsco churches were well at-
 tended by joint congregations of
 Anglican and Presbyterian church-
 men. Rev. Mr. Chapman led both of
 the morning services and Rev. J. M.
 Hughson preached in the evening.
 Special music was rendered by
 mixed choirs.

Later services were also largely
 attended at Knox and Sarsco, tax-
 ing the capacity of both churches.
 Special anthems and vocal num-
 bers added to the inspiration of
 these services, directed by Rev.
 Hughson. Mrs. C. Edwards di-
 rected the choir and presided at the
 organ.

The 12th anniversary of the
 Independent Order of O.C.O.F. will
 not be held in A.M. as stated
 last week owing to a change in
 arrangements. It was decided to
 hold this in the United Church
 Three Hills on Sunday, May 12th
 at 2 p.m. All British Columbia
 and those from subordinate O.C.O.F.
 lodges in Acme, Becker, Sunny-
 slope and Three Hills are, weather
 permitting, invited to attend in
 full force. This would make
 the head committee invite everyone,
 whether a member or not to come

I.O.O.F. Anniversary

The 12th anniversary of the Independent Order of Oddfellows was observed in Knox United Church, Three Hills, on Sunday, May 2nd, when members of the Rebekah and subordinate Lodges from Belcher, Acme, Sunnyslope and the local Lodge assembled in gratifying numbers for divine worship.

Bro. J. N. Hapgood, Past Grand Chapter, was the guest speaker and gave the historical background and re-orientational message on the great and happy set of this illustrious Order. Members of the local Rebekah Lodge organized a choir and two special numbers were sung. "Go Down in the Old and the Wise" and "Terry Palmer." Bro. Rev. Foster of Acme sang "An Evening Prayer."

Friends drove in for many miles to attend this very impressive fraternal service.

C.W.A.C. Recruiting Unit Coming

In hopes of interviewing girls primarily interested in enlisting for present duty, no typists, stenographers or cooks, in the Canadian Army Corps, a mobile recruiting unit in charge of 3 Lieut. Lucile Jones who will be in central east Alberta next Thursday, Friday and Saturday.

With the need for new recruits growing daily, so they release category "A" men in army offices for active service, it is hoped that girls in the district will come to the nearest point visited by the unit, to see Lieut. Jones. Civilian advances in the town in that area have been notified so as to date and time.

From noon to 9 p.m., Thursday May 6th the unit will be at Three Hills, and girls from Tredinn, Sunnyslope, Sunnyslope, Allingham, Swallow, Ghost Pine, Tuxford and other nearby points may arrange an interview with Lieut. Jones.

On Saturday from 10 a.m. to 9 p.m. the unit will be at Drumheller.

LET'S EACH BUY MORE VICTORY BONDS

It looks as though this community will exceed the quota of Victory Bonds which we were expected to buy. That's fine but let's not take this for granted. Let's make sure that our quota will be exceeded.

As a matter of fact, there should be no quotas in connection with the sale of Victory Bonds. Until the war has been won there is no halting--no resting for any of us. We haven't won the war yet.

Our fighters are not working on a quota basis. They are "all out," doing everything they can to get the job done.

So, if we give this matter proper thought, each of us will buy "more" Victory Bonds. We will buy all we can for cash, and we will buy more on the instalment plan - all we can pay for in the next six months. If necessary, we will arrange to do it.

Mrs. Mary Bailey and Audrey are visiting in Three Hills for a few days before leaving for Calgary. Mr. and Mrs. Arthur Kirk's little son will visit with them.

Harold Fries spent the weekend at home.

Mr. and Mrs. H. Rebeck spent Sunday at Delburne.

Mr. and Mrs. Glen Weatherly, Mrs. Penner and Mrs. Hoffman were in Calgary on Thursday.

Joe Milne of Calgary spent Sunday with friends and relatives.

The Presbyterian Ladies Guild will meet at the home of Mrs. Hattie on Thursday May 14th.

Miss Katherine McMillan left for Weston on Monday.

John Kucharski is a patient in the Three Hills hospital that week. What is likely to be suffered an attack of appendicitis and was operated on immediately.

GHOST PINE

Mr. King and Marieje accompanied Mr. and Mrs. Clifford King to Calgary on Sunday. Cliff went on to Barrow Camp and Mrs. King left for Edmonton.

Mrs. Donald Dufosse and her two daughters of Valois are visiting in the home of Mr. and Mrs. Art Stevens.

Mr. Stevens and Kathleen had tea at 10th street home at the Norman Stewart home, Mrs. Ede, accompanied to morning tea.

Sunday has started in the Ghost Pine district.

Miss Rose Houchens was hostess last Thursday afternoon when a shower was held at home school in honor of Mrs. Ray Colwell.

The school was greatly decorated with flower flowers and candles when a big Easter bunny arrived around three on the place.

Rev. Thomas played the wedding march while Mr. Colwell, accompanied by his brother, Mrs. Ede, Wilson, and her sister, Mrs. Moore Wilson, who helped serving the girls, continued the noon.

Those coming along the program were Ruth Kelly who sang, "I Love You Truly"; Betty Johnson and Ruth Thomas played solo voices, accompanied by Lemmie Thomas.

Miss A. J. Courvoisier had a trousseau given after which she gave the address to the bride. The girls were brought in by Mrs. Houchens and Miss Ann Wilson as a decorated wagon. The bride then accompanied her appreciation and invited her friends to visit her in Calgary where P.O. and Miss Colwell are at home.

A little comment was made that is related by the host of guests, and women, as they were cloth which happened to look like the First King when on April 25th when between here and Calgary gathered to christen Mr. and Mrs. Clifford King who were married to Edmonton the previous Thursday. There was a lot of fun enjoyed by all other than Jim Houchens presented the couple with a poem and expressed the great wishes of all present. Lunch was served after which the singing of "The Lord's Prayer" brought the evening to a close.

The T. O. D. E. signs will be nailed in the Little Theatre on May 15.

Three Hills Goes Over the Top in Victory Loan Campaign

Last weekend's information from Unit Organizer Walter K. Webb, the Victory Loan campaign at the weekend of May 2nd and 3rd has been the best in this town, which is far above the quota. This means that there is a very good chance of going beyond the \$100,000 goal this year. The local committee is greatly pleased for the splendid response shown by Victory Bond purchasers and unit organizers.

Unit organizers who decorated their store windows for the benefit of the campaign.

Tuesday's results for the \$100,000 goal was \$4,300.00 being the cumulative total to date.

The drive ends this holiday night.

Continuing May 1st plans show will be held at the Little Theatre every week night.

War-time Adjustments

THEIR ADJUSTMENTS

As a result of the war, the Canadian people have been called upon to make many adjustments in their habits and in their way of life. These adjustments have been made in many different ways, and in many different parts of the country. Some of the most important adjustments have been in the field of food, clothing, and housing. In the field of food, the Canadian people have been called upon to eat less meat and more vegetables, and to use less fat and sugar. In the field of clothing, the Canadian people have been called upon to wear less expensive clothes and to use less fabric. In the field of housing, the Canadian people have been called upon to live in less expensive houses and to use less space.

Dealers Helped By New System

The new system of dealing in automobiles has been found to be very helpful to dealers. It has enabled them to sell more cars and to make more money. The new system has also helped the dealers to keep their cars in better condition and to make them last longer. This has been done by having the dealers check the cars more often and to make sure that they are in good condition before they are sold. The new system has also helped the dealers to make sure that the cars are sold at a fair price. This has been done by having the dealers check the cars more often and to make sure that they are in good condition before they are sold.

WHEAT ACREAGE REDUCTION

Formers of the Prairie Provinces, including the Peace River and Central areas of British Columbia, who desire to divert wheat acreage to the production of any other crops or to nonagriculture in 1935, may claim payment for doing so.

Payment of \$2.00 may be made for each acre by which the wheat acreage on any farm (1934) is below that needed on such farm in 1935. If there was no wheat on a farm in 1935 but there was wheat in 1934, the 1935 acreage may be used instead of that of 1934. Any crops or nonagriculture may be substituted for wheat but payment will not be made on abandoned lands.

Payment on any farm is limited to an acreage not greater than 50% of the total cultivated acreage of such farm.

To obtain payment for acreage not made a wheat statement of claim immediately on completion. This should plan to do so NOT LATER THAN JUNE 30.

Any farmer who did not apply for Wheat Acreage Reduction payment in either 1934 or 1935 and intends to do so in 1935 must notify his municipality of his intention before May 31, and then make his claim as follows.

Forms are available in the offices of the municipalities or direct from the Wheat Acreage Reduction Administration in Winnipeg, Regina and Edmonton.

Statements of claim may be submitted to Municipal Offices or to Office especially arranged to receive them in localities not served by municipalities. Delay in making claims should be avoided; they will be filed immediately on completion. Farmers having interests in farms in localities may submit applications at once.

Much Work Done By Volunteers

Men Released For Service

Increased their share of the war effort in great measure by releasing men from the army and air forces, and their contribution to the advancement of Canada's war effort is great. A number of outstanding Canadian women are now serving in official capacities on the Wartime Prisoner and Trade Board in large war industries. Canadian nurses have responded to the needs of their services in the war and in the spring of 1942 there were 875 nurses in the ARMY. Nursing services are also maintained in the Navy and the Air Force. It is clear that when the war is won Canada may find that she has developed on a small scale the strongest fighting capability of the world, detenda.

**NO MORE "DOSING"
MY CONSTIPATION
—I'VE CORRECTED
THE CAUSE!**

Constipation is a common ailment, and one which is often overlooked. It is a condition which can be caused by a variety of factors, including a poor diet, lack of exercise, and a sedentary lifestyle.

It is important to recognize the signs and symptoms of constipation, such as a feeling of fullness, bloating, and discomfort in the abdominal area. If you experience these symptoms, it is time to take action.

The first step in correcting constipation is to identify the cause. Is it a result of a poor diet? Are you not getting enough exercise? Or is it a result of a sedentary lifestyle?

Once you have identified the cause, you can take steps to correct it. This may involve changing your diet, increasing your exercise, or simply making some lifestyle changes.

Remember, constipation is a condition that can be corrected. It is not a permanent ailment. By taking the time to identify the cause and make the necessary changes, you can feel better and live healthier.

For information on how to correct your constipation, write to: **Dr. J. C. Williams, M.D., 1000 Broadway, New York, N.Y. 10018.**

Dr. Williams is a leading authority on the treatment of constipation. He has written several books on the subject, and his advice is widely respected by medical professionals and the general public.

By following Dr. Williams' advice, you can correct your constipation and feel better. Don't let this common ailment continue to bother you. Write to Dr. Williams today for more information.

Dr. Williams' advice is simple and easy to follow. It is a natural approach to the treatment of constipation, and it has helped millions of people feel better.

Write to Dr. Williams today for more information. You will be glad you did. Your constipation will be corrected, and you will feel better than ever.

Wedding Bells

The marriage took place on May 16 at Alkali Lake, B.C., of Miss Evelyn Town and Mr. Herman M. Aker, whose parents reside near Three Hills, and who is well known here. The ceremony was beautiful and impressive.

The ceremony took place at the ranch home of the bride, and Rev. Redman of Williams Lake, B.C. officiated. The young couple spent their honeymoon at Vanouver and will make their future home at Alkali Lake.

Among the wedding guests was Mr. E. A. Maurice, mother of the groom, who was accompanied on the return trip as far as Calgary as the bride and groom.

Gull Lake Bible Camp

By E. Redman, Sec.-Treas., Three Hills

Many people have asked and we will answer, "what is Gull Lake Bible Camp? I hear so much about it." This article is written to acquaint people with the origin, development and action of this thriving camp project.

In the fall of 1935 a beautiful campsite comprising 7 acres of wooded land on the S.E. corner of the lake was purchased. The location is ideal, being about 12 miles west of Lacanville and only one mile north of the gravel highway. A board of seven directors was formed and the property was officially incorporated under the name of "Gull Lake Bible Camp."

At the time of purchase, there were only two buildings on the site, a beautiful structure designed for a club house, and one cabin. During the past four years the following improvements and additions have been made. The club house building has been remodelled into a spacious dining room. Seventeen shingle roofed cabins have been erected, a large tabernacle seating some three hundred has been built, and also a camp office.

The purpose of this camp is the religious and Christian training of young people. The lives of hundreds of young people have been transformed at this camp. Four evangelistic camps will be held on these grounds this summer. A combined Young People's and Christian Workers' Camp will be held July 31-31. The morning and evening hours are devoted to Christian instruction, while the afternoon is largely free for sports and swimming. We extend to all a hearty invitation to come.

Mrs. Jennings proudly goes to school!

MRS. JENNINGS had been just managing to keep her family going. But things were looking brighter at last. Now with the children able to help with the housework, she had applied for the post of school teacher: and had been accepted.

But that meant she needed suitable clothes and clothes cost money.

She took her problem to the manager of her bank. On the strength of her ability and character, he arranged a loan of \$80. And so it was that she was able to take the position and greet her first class proudly. She paid off the loan after six months at a cost in interest of only \$2.40.

This is a true story. Only the name has been altered. It is typical of hundreds of human dramas in which the bank manager has been privileged to play a helping role.

Woods, Woods and Services
The Lone Elevator Association has completed construction work on 11,000 square foot farmer's market on highway over last year of nearly 2,000. All supplies have been tested, and all supplies have been tested. That means a total of nearly 20,000 tons and all of your little big things, 2,000,000 and 1/2 ton one in 1000 has a 1/2 ton each of the other.

Then, again, we take the liberty of announcing to you that if they

firm, they may be making serious trouble for the future. Small patches of perennial weeds can be disposed of cheaply, but, later on, seedlings may come so much to the land or worth it is only necessary to pull out good specimens, including flowers and roots and take them to the nearest line elevator agent. He will forward them to us and we will identify the weeds and indicate whether or not they are likely to be serious pests. Or, weeds not be sent to any Dominion Department of Farm, Forestry Department.

The importance of the matter could be overestimated.

"The Line Division's" wood building, "In Florida I Could be From West," is available through the division again, as by writing to the Agricultural Department, The North and Line Division Association, Washington.

It is a very nearly lost year since the Line Division's Committee organized this Department to serve people farmers. Each succeeding year has brought increased demand for services and publications; the

Mr. and Mrs. J. Gordon Campbell returned from their recent visit to the former's parents, Mr. and Mrs. B. Campbell. This week they are enjoying Mr. Campbell's parents at their home, 1111 St. George Street, Ottawa, Ontario.

Mr. A. L. Cameron spent a few days in Calgary attending to the duties of the Grand Chapter O. E. S. The Red Cross group will meet at Mrs. B. Campbell's on Thursday, June 12th.

Harold Crawford had the pleasure to host the guests in his home last week.

Mrs. B. Campbell returned word of the death of her father, Mr. B. Campbell, who was in his 80s.

The many friends of Mrs. B. Campbell of Calgary will be sorry to hear that she recently sustained a heart attack and is a patient at the Holy Cross hospital. It is now slightly improved, however, and Mr. and Mrs. B. Campbell and Mrs. B. Campbell are visiting her.

YOU MUST MAKE A 1942 INCOME TAX RETURN NOT LATER THAN JUNE 30TH

... IF SINGLE and your net income exceeded \$4000
... IF MARRIED and your net income exceeded \$2000

For incomes not over \$3000 get form (2) copies of simplified Form T. 1 Special.
For incomes over \$3000 get form (3) copies of Form T. 1 General.

Income Tax dollars are not ordinary dollars... they are Victory dollars... necessary dollars to help win the war. Income Tax is fair to all. All are taxed in proportion to their ability to pay.

Under the new system introduced this year, income Tax is now on a pay-as-you-earn basis. The reduction of the 1942 Tax made this possible.

In most cases the larger part of the reduced tax will have been paid by the 1942 tax deductions or installment payments. One-third of any balance must be paid by 30th June and the remainder on or before 31st December, 1942.

You must file an Income Tax return and pay any balance to establish your right, after the war, to the refund of the Savings Portion of your tax.

FARMERS

You must attach to your return on Form T. 1 Special or Form T. 1 General either a statement of farm gross income and expenses, or completed Form T. 1 Special. The T. 1 Special statement lists all forms of farm crops and expenses, and is a guide for determining your actual net income. Forms may be secured from your local Post Office or District Inspector of Income Tax.

To help you fill out your Income Tax form a booklet "Farmer's Income Tax Guide, 1942" has been prepared to cover the special conditions which apply to farm operations. It can be obtained free on request from your District Inspector. If you don't know his address, pay mail your letter to "District Inspector of Dominion Income Tax."

Author of our "getters" boys has signed up in the RCAF and is present in Edmonton. The latest G.P. contribution for Victory is Tom Bishop.

Miss Laura Mow, teacher of Bible school, spent the weekend in the district, leaving a reprieve of the former week when roads were frozen. O'key and Sayers made it impossible to return for Monday. The first local street-viewers heard of in the district were found in the McCubbin garden, Sunday.

The King and Little families were entertained at the Davies home on Monday.

During the past week many farmers tried to Trochu to apply for wheat acreage reduction loans at the M.D. office.

Art Davis of Delburne has been in Trochu hospital the past week recovering from a double hernia operation.

Greek War Relief Fund

As the donations to the above fund will be gratefully received at the local branch of The Royal Bank of Canada it is hoped that all those in the town and district who are not unable for donations will make their contributions. It is the last chance to make a point in any event before the end of July.

The proceeds of the fund will be used to buy food and supplies for starving Greece. The Canadian Red Cross will help the supplies. As you can see there are thousands of children and adults dying of starvation in Greece. Today, in Greece, little children hardly more than skeletons fight over catfish bones in search of food. Little families beg together. Starvation mothers with emaciated infants cry and shiver in the streets. It is a common sight to see abandoned babies and young children lying around the streets to be seen. Mothers carry their dead children to secret burial so that they can save the ransom capital of the dead. It is to avert these conditions that this appeal is being organized.

LOCAL NEWS

Mr and Mrs Frank Alsworth of Bonanza were receiving acquaintances in Three Hills on Sunday.

Mr and Mrs Weatherly and Big Hoffman motored to Brooks, Sunday.

Victor Gustafson and family also Mrs H. Gustafson attended the field day of registered value breeders at the Levenhoe Experimental Farm on June 26.

Mrs Kallan underwent an operation in Calgary, this morn.

Art Hallee spent the week end in Edmonton.

The Rike and Oddfellows are offering a 1000 barrel granary in connection with their Sports Day on Aug. 4th. Tickets are only 50 and proceeds will be in aid of the Snake Fund.

Miss Irene Stripling has accepted a position at the hotel.

Ladies on the winning team for the Royal Purple membership drive were banqueted by the ladies side following the regular meeting on Monday evening. The table was nicely decorated with flowers and white linens, paper napkins and candles. After the banquet Mrs Dowell who is leaving this eve, gave a wonderful shower, and Mrs Cron on behalf of the Lodge presented her with a beautiful set. As a Dowell thanked the ladies for their kindness, and invited them to visit her in her home.

High Protein Feeds Made From Grain **Diversify**
 Grain prices today are rising sharply, and the farmer is being urged to diversify his crops. One of the best ways to do this is to raise livestock. The first step in this process is to obtain the best possible feed for the animals. This is where the new high protein feeds come in. These feeds are made from grain, and they are very high in protein. This means that they are very good for the animals. They will help the animals to grow faster and to stay healthier. This is a great benefit for the farmer. It will help him to raise more livestock and to make more money. This is a very important step in the process of diversifying the farm. The farmer should consider these high protein feeds as one of the best ways to improve his livestock and his income.

A.M.A. Urges Action On Salvage Rubber

Action on the part of federal salvage authorities to secure tons of rubber collected at country points has been urged by the A.M.A. givers to full support when the campaign was underwritten on the part of quantities of rubber and a steady supply of rubber were available.

It appears now that these stocks have been moved out. Naturally the rubber should be moved to the delivery points and it is of value in saving the country's transportation program.

While these stocks remain, there may be less incentive for others to agree to carry a valuable asset which has been organized to augment the supplies of rubber in a vital need in carrying on the war.

Sports Day Successful

The sports day on Wednesday was favored with good weather and a large turn out. A full program of races and sports provided lots of fun for the children, while competition was keen in the basketball and athletic games which were the feature attractions of the day.

In the basketball game, the Central Pines defeated the Three Hills team in the first game, while the second game was a draw. The basketball game was a very close contest, with the Central Pines leading for most of the game, but the Three Hills team was able to tie the game in the final minutes.

Three Hills team: J. Brown, M. Nelson, Ray Davis, H. H. Watson, Claude Davidson, M. Kallinder, Keith Nelson, Jack Halliwell, Clay Thomas.

Guest Pines: Ray Johnson, Frank Hunter, Vera Hunter, J. K. Nelson, Norman K. Nelson, John Nelson, Ben Nelson, Ben Nelson.

The Pines won the basketball game by a score of 24 to 18.

The day of sports was highly successful. Much fun was had by all who took part. The Pines won the games, with a score of 24 to 18. The Three Hills team was able to tie the game in the final minutes.

TWO-THIRDS of the total number of loans outstanding in Canada's Chartered Banks average less than \$500 per loan.

Through bank loans, Canada's Chartered Banks help Canadians to benefit themselves, their fellows and their country. Many of these loans are small—but all contribute their share to the day-by-day activities of Canadian enterprise.

Some further facts about Canada's Banks:

Chartered Banks' loans related to agriculture as shown on the last official return to Parliament, totalled \$140,118,475. This sum included loans to farmers, ranchers, fruit raisers and to grain dealers and grain exporters.

Every general mortgage today bearing a Chartered Bank endorsement is a junior in some small branch.

Up to and including February, 1945, no fewer than 6605 men, and 194 women bank employees had enlisted in the armed forces.

Canada is every inch of life and in every part of Canada are served by more than three thousand branches and sub-branches maintained by the Chartered Banks to facilitate the nation's business.

Amendments to the Unemployment Insurance Act

Notes to Interested Employers and Employees

AT ITS 1945 Session, the Parliament of Canada amended the Unemployment Insurance Act, 1940. The effect of these amendments is to require that additional workers be covered under unemployment insurance.

On and after September 1st, 1945, employers must make contributions in respect of the following employees:

(1) ALL PERSONS engaged in employment in the insurable, regardless of the amount of earnings who may be paid on a hourly rate, on a daily rate, on a weekly rate, or on a piece rate (including a salaried rate).

(2) ALL EMPLOYEES paid on a monthly or annual salary basis, whose salary, including any cost of living bonus which may be received, does not exceed \$2,500 a year.

All employers, on above described, must pay their contributions as required by law.

The combined contribution for each employee earning \$50 or more a week will be in Class 7—50¢ a week.

To Employer: Obtain unemployment insurance bonds from the nearest local office of the Unemployment Insurance Commission as soon as possible, for employees above described who will become insurable on September 1st, 1945.

To Employees: It is in your interest to see that your employer makes contributions on your behalf from September 1st, 1945, if you become insurable through this Amendment.

Get out of the rut.. Get into the fight!

MAYBE you're making bombs or tanks or planes
purs or ships—just the real job, the big job today
is delivering the mail right into the heart of enemy country. No job is
more essential today than carrying your messages from the front
than blinding half-made U-boats back into enemy nets.

If you're a fit, young Canadian eager to do your bit, there's a place for
you in service. There are best training places and skilled instructors
waiting to help you get wings and get into the fight more quickly
than ever before.

And the specialized training you get today as a member of an R.C.A.F.
Aircrew will help you take your place in the skyways of tomorrow.
Make up your mind to get into the fight now. Join your nearest
R.C.A.F. Recruiting Centre today.

If you are physically fit, mentally alert, over 17½, and not over 35, you are
eligible for aircrew training. You do not require a High School Education.
You can be a uniform or not!

**Henderson Secretarial
School Entrance Exam**

The progress of the Hindians

[illegible]

The high ideals inaugurated by the school's founder, the late Mr. J. Henderson, have been carried on by the management. Mr. Henderson was well known throughout the entire province as a great leader, teacher and friend.

Since Mr Henderson's passing the school has been in the very capable hands of his daughter, Mrs Dorothy Henderson Wallace.

Equipment and Faculty—
The Henderson Secretarial School uses nothing but the very latest and finest of office equipment in their training. Their courses of study are continually checked and revised to meet the constant changes of modern business. The faculty of twenty-five members have been specially selected for their ability to teach, as well as for their sympathetic understanding of each student's individual requirements.

Business Educators' Association—
The Business Educators' Assoc.

The **Association of Educators** of Canada has recently announced that Henderson's has been chosen as its Calgary member. Membership in the Association is by appointment only, and is composed of the leading business training schools in Canada. The purpose of the Association is to increase and improve the graduation standards as well as the instructional methods of all affiliated schools. Henderson's are proud of their membership in this Association.

Mr George W. Wallace, Business Manager, has recently returned from the new where he attended their annual convention in Toronto.

Henderson's day classes are in session the year round with a wide selection of secretarial studies on their curriculum. Evening classes are in session four nights each week, Monday, Tuesday, Thursday and Friday. Their advertisement appears in this issue.

Large Unit Proposal Discussed at Joint Meet.

A meeting of the Councils of Ghost Pine, Stettler and Narquay was held in the Stettler municipal hall on Sept. 23 to discuss the proposed enlarged unit of "Three Hills North." Carbon municipal Councilman asked to attend but could not attend as he was present. Those present were Robert Foster, Councilman King, Norman Hogg, Campbell and Mrs. G. King. Also present were Mr. Rexie Ryan, Mr. Mackenzie, Mrs. Walker, Mackenzie and the C. Councilman of Stettler M.D., Robert Macmillan, Councilman Baker, Orlan Baker, M.D., and Mrs. H. H. M. L. A. King.
Mr. Ryan moved that Mr. Foster be chairman of the meeting. Mr. Foster was asked to accept the chair of the meeting.
Moved by Mr. King and seconded by Mr. Macmillan that the meeting consider the proposed Unit of Carbon, Stettler and Narquay form one unit and the M.D. of Ghost Pine and M.D. of Stettler with their present boundaries and with two townships (24 25 & 26) added, form another unit. Carried unanimously.

Moved by Mr. Stettler of Ghost Pine, seconded by Mr. Brown of Narquay that whenever said unit is formed, the Councilors for the Unit be elected by the Division, and that the present Councilors be consulted in the forming of the boundaries of the Division.
Moved by Cousie Campbell of Ghost Pine that the Councilors here assembled ask the Deputy Minister to name a place and time in the near future to meet the combined Councils of Ghost Pine, Stettler, Narquay and Carbon.

The present set-up as suggested by the Dept. would include Carbon and Narquay intact, Stettler with the whole of range 26 cut off, Ghost Pine with three townships in range 24 cut off.
The proposal as made at the above joint meeting is to have Narquay and Carbon as a unit, and to leave Stettler and Ghost Pine with their present boundaries, and with two townships in M.D. of Archer added, to form another unit.

The United Church Ladies' Aid will hold a 24 singer in the church basement on Saturday Oct. 10th, commencing at 8:30 p.m., everybody welcome.

Mrs. Bertha Stettler returned from the home Sunday after a vacation at the home of Mrs. M. L. Stettler. Mrs. L. Stettler, Mrs. J. E. Johnson and Mrs. J. E. Johnson of Marquette, Alta.

LETTER TO THE EDITOR

Dear Sir:- Following is an open
letter to all those joining the CCF
in the district

It is gratifying to see so many
among behind the CCF movement
and much credit is due to the dis-
trict taken by Mr. Frank Hove in
the cause. Some of us who have
been behind the organization in the
first place feel that our faith and
loyalty have been justified and that
at last we are in a position to put
in a government in Edmonton that
will fulfill the wishes of the majority
of people in the province.

Back before 1931 when the
Liberals were in power, we wanted
more progressive action, but could
get none, so we put a C.P.A. group
together to get a change. Great
hopes were raised, but while some
advance was made, the C.P.A.
was not the members not back in
the breeching instead of working
with the people and in 1935 were
replaced with the B.C. This time
the people were sure something
could be done but instead of
doing what they could legally
develop the natural resources for
the benefit of the people they
went off on several lines they
could not do and again the voters
were let down.

Now the CCF idea, which was
pushed aside then, has come back
in great force and will no doubt
become the next government of
Alberta. To some who oppose us,
this could mean switching of allegi-
ance from C.P.A. to B.C. and now to
CCF shows lack of stability. But
we it shows determination on the
part of these people to have their
will carried out, which is more
important than sticking to one
line hope.

What makes our opposition
'poor' is the real fact that a CCF
government will surely implement
its promises, and they are careful
to provide nothing but what can
and will be done.

There is a word of warning that
I would like to sound to all new
members, and would-be members.
If you don't want to 'go places'
and really have conditions bettered
then you better keep out, for
before this fight is won there is
going to be plenty of pleasure
directed at us and you will be

see all the people who are not for
special privilege line up against
us, we are sure we are on the right
track.

We are holding a big meeting in
Three Hills on Nov. 10th and will
have E. E. Roper, M.L.A. of
Edmonton to go on the platform
with us. We extend to all a cordial
invitation to this meeting.

Yours truly,
J. B. McCallister, Chairman,
C.C.F. Group.

INFORMATION

For Western Farmers Selling
Feed Grains to Eastern Farmers

WHEAT · OATS · BARLEY

1. Wheat, up to 14 bu. per
authorized acre and one car of
oats and/or barley over the
quota may be shipped.
2. Every seller must apply to
the Canadian Wheat Board,
Winnipeg, for a permit to ship
each carload before loading for
shipment.
3. Cars shipped will be in-
spected at Winnipeg for grade
and dockage. On the basis of
sample inspection, certificates
will be issued by the Board of
Grain Commissioners, for cars
held "too full" for regular
inspection. The Inspection Cer-
tificates establishes the grade
and dockage.
4. Dockage up to 5% is al-
lowed. Dockage above 1%
cannot be charged for, and pay-
ment will not be made for the
difference in weight between
1% and the actual dockage.
5. Elevator scale tickets or rail-
way weights must accompany
the bill of lading. Freight
charges are to be paid by the
farmer in Eastern Canada.

PRICE INFORMATION

On oats and barley the price
per bushel to be charged the
cassava farmer is the culling
price (or the cash price if it is
lower), less in store at Fort
William or Port Arthur.

GOVERNMENT SUBSIDIES AVAILABLE

As announced by the Dominion Government, the subsidy of
10c per bushel on oats and 15c per bushel on barley applies
on oats and barley sold by any owner farmer to a farmer or
feed dealer out of Fort William-Port Arthur. Special appli-
cations must be made to the Canadian Wheat Board, Winnipeg,
in order to secure payment. Special forms for this purpose
will be provided by the Canadian Wheat Board on request.
These subsidies will only be paid on customary rates between
farmer and farmer in western Canada, provided the farmer
delivers the grain over an elevator scale and meets other
requirements of the Wheat Board.

THREE HILLS AREA - THURSDAY, OCTOBER 2, 1941

PHONE 98

Three Hills Quota: \$91,000

Subscribed up to Tuesday Night: \$65,400

AMOUNT REQUIRED: \$25,600

A PERSONAL

The lads and lassies who have enlisted in the Army, Navy and Air Force have oversubscribed their quotas in the Fifth Victory Loan and their figures as at Oct. 31st stood as follows: Navy 127, Army 148, Air Force 183, while Three Hills was only 51. Surely if the enlisted men and women not only offer their lives but lend their money too, we should not hesitate to LEND our money.

MESSAGE ---

Come on, People of Three Hills Unit! Support this Loan to the limit. Buy for cash; buy on the instalment plan or the deferred payment plan. Victory is in the making and every dollar invested in 5th Victory Loan Bonds will help to speed it. Will you be able to say to the boys and girls listed below, "I Helped to Speed Victory!" Above all, invest in Victory Bonds.

Peter Hugo has built a new house and here on his land north of the town he has the school and church were on that corner lot, it would look as much like a village as some of our western towns.

F. M. King took a carload of old-timers to Three Hills to attend the funeral of Grandpa Sanderman, Wednesday.

The Ruby house and outbuildings are nearing completion and make a quite a showing. It will mean more life old time to have them back on the old place again.

We regret to hear that C. A. T. Miller of the RCAF, has been heard of and is reported as "presumed lost in action."

The Happy Little family made a business trip to Drumheller, Tuesday.

These are the days when school people are taking on extra work by studying parts for Xmas concerts.

Unless something is done very soon about destroying the tall weeds which line most roads in this part there will be plenty of starting at home done by the natives this winter after the first snow and blow.

Meeting of Farm Fur Viewers' Committee

The second meeting of the Drumheller Area Farm Fur Viewers' Committee was held in Drumheller on Nov. 15. Three Hills is included in this area. Cyle Baily being the local representative.

Current agricultural problems were discussed, and E. W. Brown, secretary of the Alberta Federation of Agriculture was in attendance.

A lengthy discussion took place with regard to satisfactory wages for the winter months. It was unanimously decided that a good fair average wage would be \$4.00 per month.

The meeting of farmers banded to defeat income tax from the wages of farm laborers was considered and it was the general opinion that the present system was wholly unsatisfactory, and the following motion was carried:

"That this be carried by the government through whatever all farmers and laborers in the income statements making each individual responsible for the paying of his own income tax."

Mr. Brown agreed to play this motion before the coming conference of the Canadian Federation of Agriculture at Ottawa.

After a short discussion on the business of sheep, but insurance policies in certain frequently held

of districts the following motion carried:

"That all such areas in western Canada be stopped until the substitute (inserted) placed until the benefits of the Prairie Farm Assistance Act."

Mr. Brown gave a brief address in which he stressed the urgent duties of the Committee in connection with the Farmers' Political Party. He said he advised that these committees act as advisory boards to the District Agriculturalists in their decisions.

Chas. Watson Is Accidentally Killed

The holiday season was marred by a tragedy on Xmas Eve at the Three Hills C&N mine when, at 2 o'clock in the afternoon, Mr. Charles Watson fell down the air shaft. He had been working Christmas at the home of Mr. and Mrs. Pete George, the accident having occurred just a few moments after Mr. George had descended down the air shaft to feed the horses in the mine.

Mr. George reported hearing a strange bumping sound in the air shaft and on investigating found the body of his friend resting on a horse some thirty feet from the bottom. Cpl. Murphy and Corporal Dr. T. Gordon were summoned to the scene at the accident, and by the use of a steel rope the body was brought to the surface.

An inquest was held in the town hall on Tuesday afternoon, with the following members of the jury: R. P. Foster, Foreman; D. Priest, S. J. Wright, S. L. Laker, W. Davidson, W. P. Laidlaw. A verdict of accidental death was handed down, and a recommendation was made that the top of the air shaft be covered with bars strong enough to hold a man, spaced six inches apart and the inside of mine be either boarded up or covered with bars wire from top to bottom.

The late Charles Watson was a former restaurant proprietor in Three Hills but during the past

Mrs. Moorhead sor. Passes

As the last of December of the year 1943, Mrs. Moorhead passed away. Her funeral services were held at the Trinity Methodist church on the person of Mrs. Moorhead on Thursday, December 30, at 2 o'clock in the afternoon.

Mrs. Moorhead was born in March 1875. She was married in 1907 to Mr. J. H. Moorhead, who was a well-known citizen of the town of Three Hills. They had three children: two sons and one daughter.

Surviving are three daughters: Mrs. J. H. Moorhead, Mrs. J. H. Moorhead, and Mrs. J. H. Moorhead. She is survived also by her son, Mr. J. H. Moorhead, who is now in Los Angeles, also by her grandchildren.

Last rites will be held in the Anglican church, Three Hills, at 2 o'clock.

A very enjoyable concert was held on Thursday by the United Church Sunday School. Mr. Ben Robertson was chairman and there was a pleasing program of musical numbers, plays, etc., by the children. At the close, Santa arrived and laden with treats and gifts.

The story referring to the collapse of the Dux and Thompson case in last issue was not intended to perpetuate either of the delusions was to blame for the accident.

The Anglian W. A. will hold a tea and soup supper on January 13th in the LaRoe building.

Mr. and Mrs. J. H. Young of St. Cloud, Florida, observed their fifty fourth wedding anniversary on Saturday, Dec. 11th at the home of Mr. and Mrs. I. O. Young, who gave a dinner party to their home, to some old time friends and relatives.

Mr. and Mrs. Young were married in Greenfield, Iowa, on Dec. 11th, 1890. They have one son and four daughters. Mrs. W. J. McCabbin living in British Columbia, Mrs. C. E. Ruby and Mrs. G. D. Somerville of Ghost Pine, Mrs. Fern and Mrs. I. O. Young of St. Cloud, Florida. They have eighteen grandchildren and six great grandchildren.

Mr. and Mrs. Young were among the early settlers of Ghost Pine, having homesteaded in the fall of 1905. They were producers of grain and livestock there until 1928 at which time they moved to Florida and purchased an orange grove.

Mr. Young has operated and developed this grove until the last six years when he retired and moved to his son, Mr. I. O. Young, who lives in this district until 1928.

Mr. and Mrs. Young have been back here a number of times in the last twenty-five years and are looking forward to the time when they can come again to see their children and very dear friends.

Dore Peters informs us that he has taken eight truck loads of logs from this district in the Calgary market this week which probably sets a record. During these times when it is difficult to market when the increased amount of livestock being raised is so encouraging sign and will mean more dollars in the pockets of our farmers.

Four Shots Kills Three Grizzlies

The following news item is of particular interest locally since the young hunter concerned has acted as guide for local hunting parties the past three seasons. Last fall he conducted a party consisting of Happy Little, Don Davis, Harry Fryer, Robt. Anderson, Ray Johnson, Vic Gustafson, Max Dan and Jay Brown. Albert Hill and Uday Matson. On this trip Max Dan secured a grizzly.

Killing three grizzlies with four shots is the accomplishment of the son of Jack Duggee. While inspecting his trap line west of Caroline, young Duggee saw an old grizzly eating on a carcass and shot and killed her. He had just barely time to pump another shell into his rifle when grizzly number two appeared. One quick shot killed the bear. Duggee then found himself facing two younger bears. A third shot killed one bear and a fourth wounded the other. Duggee still has one shot left.

Mr. H. F. Fryer is resuming the business of auctioneer, in which line he was successfully engaged in 1933. He discontinued this however, during the depression years. Mr. Fryer will be pleased to talk over your proposition if you contemplate a sale.

THE CAPITAL, THREE HILLS, ALTA.

A number of Three Hills people attended a very interesting Social Credit meeting at Trachs last night. The addresses were given by Norman Cook M.L.A. and A. Askey M.L.A. The meeting lasted until 12:30 and was greatly enjoyed.

Alack, Alack Us Poor Women!

Alack, alack and we are me,
I am a curlier's wife,
Of all the women on this earth
I lead the saddest life.
Before the town went crissling and
In waters long gone by.
We spent our evenings playing cards.

Or reading—Jim and I.

But now, alack, the times are changed,
At home Jim will not stay,
At work his talk is all of "mucks".
And drives and how they "muck".
I went down once to see a "guy",
And so surprised was I!
To find that Jim could use a bronco!
My how the world did fit
I never saw him sweep at home
For all that I could see.
The ice was clean and why they
Is far from plain to me.

Jim says no female understands
The first points of the game.
But when he brings his pretty home
I'm pleased. But all the same
I'm glad when summer breezes
blow.

And ships he more cry "sweep",
For now I only see my Jim
When riding or asleep.

Temperance Convention, Field Day at Drumheller January 30 and 31

This big field day will be followed by a regional convention of the Salvation Army Citadel Monday Jan. 31st at 2:30 p.m. to be followed by a Mass-Meeting in the Drumheller United Church at 8 p.m., at which will be shown the moving movie-talkie film "It's the Brain that Counts." Addresses will be given by J. A. Winghamdale M.L.A., Winghamdale, and Ben H. Spence of Toronto.

Sunday, Jan. 30 there will be a Temperance Field Day in this part of the province under the auspices of the Associated Temperance Forces of Alberta. Rev. H. B. Gledhill was in the district for several weeks organizing the great demonstration.

For two years, Dominion and Provincial Government officials have announced elaborate production plans in view of times for farmers to plan their crop programmes. The first objective, made public over a month ago, have had time to "look for it."

In looking over the published figures, I, for one, find it difficult to distinguish between hopes and expectations. The Dominion-Provincial Conference favoured no return in wheat acreage, but in view of the relation between the price of wheat and other farm products, and the determination of wheat acreage reduction payments a considerable increase is probable. The figures published for oil seed crops are putting me considerably on the side of Mr. Gledhill's statement, as quoted in the "Farm News Press City News, No. 424," which reads in part, "Oil special products, such as oil producing plants (crops)... it is hoped that some improvement in quantity will be accomplished." But the 1944 "objectives" for all seed crops as given, on the same page, at 2,000,700 acres—only 86% of the 1943 acreage! For what it is worth, we offer the same sum that the objective was 2,000,700 acres. The Minister's hope will be, unless the price for flaxseed is found at a very attractive level. The farmer will be governed very largely by what will pay and by what the United Nations need. He has, to some extent, sacrificed the former for the latter, but can only go so far. We mustn't expect to get flax without paying what it costs.

Presbyterian Ladies' Guild Honor Memory of Burns

Mr. Andrews and Briel Lurie Guild held their regular meeting last Thursday at the home of Mrs. Templeton. After the usual business session, a Scottish program commemorating the anniversary of Robert Burns was enjoyed by the large number of friends and women present. The program, arranged by Mrs. Quigley and Mrs. Harris was in full swing, community singing of Scottish songs, solo by Mrs. Glen Sommerville, reading by Mrs. J. Frank, the life of Robert Burns by Mrs. Harris, recitation on Scottish cities, and two solos by Mrs. Quigley, "Lassie O'Muir" and "The Auld Hoose." A delicious lunch was served by Mrs. Harris. Mrs. Dick Taggart and Mrs. Glen Sommerville.

Three Hills — 7:30 p.m. Service — 11 a.m. Prayer — 8 p.m. Sunday School at usual hours. This is temperance rally Sunday and Rev. W. Gray Rivers, B.A. Provincial Secretary of the Boys' Work Board, Calgary, will be the guest speaker. Mr. Hagstone will take the services at Trachs German Baptist Church, Huxley and Trachs United churches.

The missionary rally last Sunday was an encouraging success and over \$500 was realized for the M.M. fund. Members of the V.P.S. and Mr. Mueller assisted with the service which was illustrated by pictures.

The great esteem attached by the Alberta Government Insurance office has resulted in their issuing several new forms of policies. Each one of these is devised to help policy holders get protection for their loved ones at minimum of cost, and in some cases at no cost at all. Here is an example:

A man 30 years of age takes out a policy with premiums payable to age 65. He pays \$25.00 per year which makes a total payment of \$875.25 for the 35 years, and although he has been insured for \$1,000.00 during this period he can cash his policy at maturity for \$872.00, or 65¢ more than has been actually paid.

GRADUATES AS FLYING INSTRUCTOR

Pilot Officer Andy P. Kirk

of Three Hills, who graduated as a Flying Instructor at No. 2 Flying Instructor School, Pearce, Alta., on February 24th, 1944. P. O. Kirk is a native of Wapiti, Alberta, British West Africa, where his parents are serving in the Indian Air Corps Mission field.

HEAVY SNOWFALL THIS WEEK

There was no mistaking the fact that March came raining in with all the gusto of the prehistoric flood, and the mailmen were drenching themselves out to express. One very ambitious citizen was reported to have jumped off the snow from in front of his house (?) Well, away the misadventures of some of our former friends that this half foot of snow is good for the soil, is rather cold comfort to most of us.

TO A FLYING OFFICER

Just a little, fair-haired fellow—Sondergaard across his face, Always seeking new adventures, Putting things all out of place. Even when a two-year baby He would chew at coal and sand, Always doing sets of much-bled, That his older brother planned. And when he was dared to do it, Though his parents spanked him hard, He would light up little fires, Anywhere around the yard.

He would clamber up the stairway, Scatter straw and oats and wheat, Just like boys who reach 'teen age— Never time to clean his feet. He would work and play with vapor And go trucking to and fro, Just a big impetuous fellow, And his mother loved him so.

Loved him when she saw him leaving In his uniform of blue, Knowing how he served his parents He would serve his country too.

BOARD OF TRADE ELECTIONS

Over seventy men set down to a most enjoyable Board of Trade banquet in the dining room of the Three Hills Hotel on Tuesday evening. The menu consisted of roast turkey with all the trimmings. Members of the Executive Board were in charge of catering. Among the largest and most interesting program was provided. The President of the Board of Trade, W. E. Weib, acting as Master of Ceremonies, called on Mr. P. Kirk to propose the Toast to the King, to which Mr. Mullinger ably responded. Mr. Kirkfield of Toronto rendered a solo accompanied at the piano by Mr. Spelman.

The chairman then extended a hearty welcome to the newly elected members of the Executive Board of Trade and addressed were given to the members of the Board of Trade, H. P. Kirk and C. Campbell and returning officer, J. A. Gordon.

Mayor C. J. Davidson then gave an address, expressing gratitude for the large turnout and extending a welcome to the out-of-town visitors. He spoke of the potential use of the prosperous district and gave some interesting figures concerning the value of farm products shipped from the area. Song books were distributed and everyone joined in community singing.

Music speakers were Mr. Gregor of Canadian Utilities Ltd., Calgary, who spoke on the subject which is usually affects the farming population, "Rural Electrification," and Mr. A. H. H. of the Calgary Power Co., who dealt thoroughly with post-war planning and the possibilities which await us after the war. He had a wealth of facts and figures relative to the great advancement made in science and other fields. The speakers conveyed the best wishes of the Calgary Board of Trade.

A resolution was moved by Mr. P. Kirk and seconded by Mr. Arnold that a committee be appointed by the local Board of Trade to deal with post-war planning.

The Board of Trade will hold its next meeting in the Town Hall on Monday evening when new officers will be elected.

Your attention is drawn to the announcement in a column which appears on the inside page.

CURLING NOTES

In the final competition of the annual bonspiel H. T. Hogg's rink won out on the front draw and T. Lawrence won the back draw. The second competition is now under way.

First Objective

In these decisive months all Canada's effort is concentrated on one great objective—the attack that is to destroy the Nazi menace and all that it represents. Yours of work have gone into its preparation. The best of our young men are staking their lives on its success.

We in Canada must support and strengthen this attack with all our effort. This one purpose must command our work, our minds and our hearts.

We must not permit any scramble for private gain or individual selfish ends, to distract us from our main task. If we concentrate on working, individually or jointly, higher prices,

higher pay or higher profits, we shall be diverting our attention from the main task at this critical time. We shall also endanger the stability of prices which we in Canada have achieved after great difficulties—a stability that is essential to efficiency and fairness in war, and to permanent prosperity afterward.

Our young men are fighting for a Canada and a world in which all men can have faith, hope and security. Each of them wants to come back to a job—or a farm—with a future. We at home must keep secure for them a strong and stable foundation on which alone a permanent period of peace and achievement can be built.

This advertisement is one of a series being issued by the Government of Canada to emphasize the importance of preventing further increases in the cost of living and deflation later.

At the IOOE, meeting held at the home of Mrs R. Grant, a presentation was made to the past Regent, Mrs Merrin Nelson.

A brooder house and 800 chicks were destroyed by fire on the Ed. Hays farm Monday night. An overhead stove was the cause.

Pope Riley—A strange thing occurred at the C.N. station a few days ago, says Bill Harris, when a cardboard box containing an express shipment, started to smolder and would have burnt into flames had it not been discovered at once. There was a pull over by, and it is thought that the reflection of the sun on the box may have been responsible.

TRANSPORT

for a NATION AT WAR

The Canadian National has been privileged to join with all the citizens of our country, including those who are serving in the armed forces, in the prosecution of the war. It believes that its services will be essential in this nation of some of the world's war activities.

Excerpts from Annual Report of the Directors of the Canadian National Limited

OUR OBJECTIVE IN 1943, as in other war years, was to place the full strength of our management and resources at the disposal of the Government. This and all our efforts have been directed. The requirements of the armed forces, of industry and agriculture, for transport and other services, have been met in all of the various provinces of the Dominion and in the important sections of the United States in which we operate.

ROADS TRAFFIC

These demands were greater than ever before, the traffic moved in 1943 being 17.7% greater than in 1942, the previous peak year, and 44.7% greater than in 1940, the post-war year.

Freight traffic in 1943 was more than double that of 1939, and passenger traffic four times that of 1939.

Despite this, the very large movement of war materials and personnel reached their destinations in accordance with schedules and arrangements. There was no lowering of the standards of safety.

MANUFACTURE OF EQUIPMENT

The Company has continued its activities as a manufacturer of equipment, ships and naval installations.

GENERAL PURPOSE

The 1943 operations demonstrated the general purpose of the Company, the nation, proving again that it can handle an immense volume of business consistently as well as efficiently.

After providing from resources for all operations, the Company has continued its activities as a manufacturer of equipment, ships and naval installations.

THE OFFICERS AND EMPLOYEES of all departments of the system have worked hard and loyally to cope with increased responsibilities arising out of the war, and the directors express their appreciation and thanks. The traditional harmonious relations between management and employees were maintained throughout the year. Appreciation also is expressed to deliver the travelling public since for their cooperation in not operating a manufacturing of difficult operating conditions could be the best.

Three articles appearing weekly in this paper, are made possible by the generosity of the Swanton Drug Store, who supply the complete line of animal medicines, vaccines, and various other remedies. Keep the clippings, they will prove useful. The following is taken from the Swanton Veterinary Laboratory, the books are at your disposal, free.

10—ACETONEMIA IN CATTLE

Also known as Feline Milk Fever Ketosis

Explanation—For many years the condition now known as Acetonaemia has been observed in dairy cows during milking period. Symptoms of certain symptoms closely related to milk fever it is sometimes called "false milk fever" or "chronic milk fever". Most significant difference between a chronic and milk fever is. Later is caused by lack of calcium in the diet, while acetonaemia is caused by lack of sugar in the blood. Acetonaemia is not an infectious disease but rather a nutritional problem due to carbohydrate deficiency. It usually occurs from 1 week to 6 months after calving. The majority of cases are usually found when cattle are on dry or poor feed as is winter, or on dry summer grass.

Symptoms—There are three distinct types of this disease. 1. The digestive type. 2. Milk fever type. 3. The nervous type. Each one of these types have the typical symptoms, but the general symptoms are loss of appetite and decrease in milk flow, also there is rapid loss in condition usually constipation, or sometimes diarrhoea. The cow stands with back arched, the head lowered and the eyes half closed. When the cow twitches, temperature is usually normal, 101.5, or below normal. The cow becomes very thin and runs down, a few have wandered about with a staggered gait and even fallen down. A cow may be found down unable to rise, and after a time regain her feet without help. A moderate degree of excitement and muscular twitching is occasionally present.

Prevention—Prevention of the disease is not always easy in the case of heavy milkers. The heavier feeding of grass during last month before calving, and for the first 6 to 8 weeks following calving. The addition of 1 qt. of molasses per day is a excellent during this time and should be given if at all possible. Alfalfa hay should also be fed in liberal quantities.

Treatment—Prompt benefit results by giving 500 cc. of a percentage of dextrose given daily. This may be given in the vein or under the skin. 1 to 5 doses are required for complete recovery. 50 grams of chloral hydrate once or twice daily has also been effective. Also give 1 or 2 pints of molasses daily. A new treatment, using insulin is very effective and complete details on treatment can be obtained from Swanton Drug Store, in their veterinary department. Exceptional results have been obtained in this district with the insulin treatment.

GHOST PINK

A wedding of interest to the community took place recently in England when Betty, youngest daughter of Mrs. Collins and the late Mr. Collins of 7 Bond Village Burnham, Bucks, was united in marriage with Gar, Charles Quance, youngest son of Mr. and Mrs. J. Quance. The ceremony took place on March 11th in the Anglican Church, Burnham. The service was fully choral.

The bride was attired in white beaded satin with long train and long length veil and carried a bunch of white lilies.

A reception and wedding breakfast was held at the home of the bride, following the ceremony. The young couple spent their honeymoon in Oxford.

W. O. D. G. Campbell and Mrs. Campbell and baby son, Robert James returned to Lethbridge on Tuesday by T. C. A., after spending leave at Ghost Pine and East Colville.

PUT your signature on a Victory Bond application today. See that our boys have everything they need to fight with—to smash the enemy and win victory sooner. BAUGHMAN FOR MEMBERS OF CANTATA

On Wednesday, April 26th the members of the Presbyterian Young Peoples extended an invitation to all those who took part in the Cantata, to join them at a dinner.

After an enjoyable meal Miss I. Jenkins took charge of evening the toast to the King was proposed by Mr. H. I. Larson, and the Toast to the Church by Miss M. McPherson. The response to the latter was given by Rev. L. H. Hugheson, to which time he publicly welcomed the Presbyterian minister, Mr. McGilivray.

A presentation was made to Mrs. C. W. Edwards in appreciation of her efforts in connection with the Cantata, and the proceeds of the Cantata were handed to Mr. C. J. Davidson, President of the Red Cross.

Play Is Much Enjoyed

A large number turned out to the play, "M-Lur" by the Lums players on Thursday last in the LYTC Theatre. The cast was as follows: Helen Oshare as M-Lur, Sophie Gibson, Joe Kubert, Marie Hugheson, Peter Hines, Joe Baird, Amelia Kober, Anne Martin, Joe Martin. Mayor C. J. Davidson was chairman, and the proceeds, amounting to \$250.00 were turned over to the Red Cross.

A three-act comedy-drama, the most latest place in an old mining town called Smith's Pocket and in the story of Miner Smith and his daughter who are being evicted by an evictor couple, Smith is murdered and after the trial which is presided over by Judge McGilivray, played by Joe Baird, the guilty couple are properly dealt with and Smith's daughter falls heir to the mine.

The parts were all well acted, especially the leading role, by Helen Oshare.

BOYS BONG FOR SAKE OF SOLDIER BOY

There is a man in Windsor, Ont. with an idea worth carrying. He envisages his purchasing of Victory Bonds on his personal support of his young nephew now serving in Italy.

Explaining his plan, he said that his children were all girls. He had a change in his son as his direct was intended.

"When I bought bonds in the first and second issue, I measured my purchases by figuring out how much I could comfortably afford," he said. But since I have begun to think of my bond purchases as my banking of this particular boy, I find myself thinking in terms of what he needs instead of what I can afford."

If this idea were adopted generally throughout Canada for the present campaign, bond sales might rise to a startling total.

The 15th Anniversary Service of the Independent Order of Odd-fellows of Alberta, District No. 17 met at Agrie United Church, on Sunday, April 30th when both Rebecca and Goldfish were worshipped in a holy. Rev. J. H. Hugheson, Past Grand Chaplain, conducted the service. R. B. Fowler rendered a solo and was accompanied by Mrs. Greenaway of the organ.

The Presbyterian Ladies' Guild will hold a tea and sale of work on Saturday, May 6th.

VICTORY LOAN CAMPAIGN STILL GOING STRONG

Sixth Victory Loan sales have reached a new high record in the district and subscriptions are still coming in satisfactorily. At the close of business, Wednesday, May 1st, the total for Three Hills was approximately \$11,000.00, which is far more than was received during the previous Victory Loan campaign. Keep up the good work Three Hills and buy Sixth Victory Loan Bonds to the limit of your financial ability!

Come attend for the distribution in the Sixth Victory Loan, as of May 2d was \$71,250.00, according to announcement from Ottawa.

DEATH REMOVES POWER OF DISTRICT

Gloom was cast over the district by the passing of a well liked and respected power in the person of Mr. Hugh Scott, who died at midnight, Monday, May 1st at his home in Three Hills. Mr. Scott had been ailing for some time with heart trouble and just a short time ago had visited with his brother, William at Vancouver in an effort to regain his health.

Past District Deputy Grand Master of District 17, I.O.O.F., and holder of the lodge jewel, representing 25 years as a member of the O. O. M., Mr. Scott has worked diligently for the good of the lodge at all times, and his achievements will long be remembered by his fellow members. It would be difficult to enumerate the many lasting qualities of the late Mr. Scott, but truly he has set before us a high standard of conduct.

Born in Southville, Scotland he was 56 years of age, and came to this country in 1906. He settled first at Eldorado where he engaged in blacksmithing, moving a year later to Three Hills to join his brother, William. He homesteaded what is now the Arai Agri-ferm and resided here since that time, operating a well drilling outfit.

He leaves to mourn beside his wife, Mrs. daughter, Helen Mac-Entegrie, and two sons, Thomas William and Hugh Alexander; a brother, William and a nephew Allan Scott in Vancouver, a grandchild; also his mother and four sisters in Scotland.

Last rites are being performed this afternoon in the United Church.

M. LARSEN ADDRESSSES BOARD OF TRADE

Will Provide Much Needed Playground

A regular meeting of the Board of Trade was held on Monday evening with President L. H. Arnold in the chair.

It was decided not to go further with the bond donor service.

The Municipal Hospital question was discussed and a letter from H. W. Maxwell, Supervisor of Municipal Hospitals was read. A letter was also read by H. E. Westbury in this connection from Mr. McGregor. It was decided to have the Post War Committee contact the council of M. D. C. No. 1 and report at next meeting.

The matter of providing a playground was considered and it was decided to have the town park used for this purpose. A playground is urgently needed and it is hoped that the town council will cooperate in developing this project.

Later from the town of Hanna was read regarding a water system and Mayor Davidson spoke regarding a letter from Mr. Hadden, Calgary engineer who wrote that it would cost in the neighborhood of \$600 to make a survey here. It was estimated that the Town Council had definitely decided to have a survey made, and have invited Mr. Hadden to interview council.

Mr. H. Larson spoke on the "Trends of Modern Education." A complete report of the address will appear in this paper next week.

The question of entering the large school unit was discussed and it was decided to appoint a committee on back page.

Post-War Housing

PRIME MINISTERS IN OTTAWA, in a period report, advised that the Prime Minister's report on the post-war housing situation in the Dominion. The report for these purposes was a statement that the first two years after the war, 1945-1946, and 1946-1947, were the most critical years in the history of the Dominion, and that the housing situation in the Dominion was the most critical in its history. The report also stated that the housing situation in the Dominion was the most critical in its history.

Similar Need Is Felt Here

The housing situation in the Dominion and the manner in which it is being handled, as of this date, is similar to the housing situation in this city. The housing situation in the Dominion is the most critical in its history, and the manner in which it is being handled is the most critical in its history.

Special Study Of Farm Homes

The Department of Agriculture has been studying the housing situation in the Dominion, and the manner in which it is being handled. The study is being conducted by the Department of Agriculture, and the results of the study will be reported to the public.

ONE GOOD REASON

Many people are complaining that the housing situation in the Dominion is the most critical in its history. The reason for this is that the housing situation in the Dominion is the most critical in its history, and the manner in which it is being handled is the most critical in its history.

The following is taken from the new Veterinary Library which is at your disposal, free, at Jackson Drug Store.

Coccidiosis in Poultry

The cause is a protozoan known as coccidia and two species of coccidia. It affects birds of all ages, especially the younger birds. Birds contract the disease by drinking water or eating feedstuffs contaminated with the organism.

Symptoms.—The first symptoms are generally rapid diarrhea, the dropping of food and water, depression, loss of appetite, listlessness. In the early stages the droppings may be white to yellow, but later may be reddish brown, or streaked with blood. Leg weakness and paralysis are also symptoms.

Prevention.—This condition can largely be prevented by effective sanitary measures: removing droppings as soon as they are found; removing feed and water daily. An intestinal antiseptic such as Tark-Gin, at drinking water at least once a week may be helpful. Treatment.—Folates of affected birds. The use of sulfa drugs is much used for 10 to 14 days has proved effective. Tark-Gin 1:1000 in drinking water for 3 days will help. On premises where this disease has appeared, all hay, straw and yards must be cultivated and weeded at least monthly. If substitution is not practical the latrine system should be thoroughly cleaned and disinfected each week.

Previous articles have appeared as follows: "Disease Prevention" on April 13, "Why we go down in the tank," April 20, "Antemortem examination," April 27, "Laboratory Work Done in Calgary." May 4.

NATIONAL WAR FINANCE COMMITTEE APPROPRIATE SUPPORT GIVEN BY PRESS

The Editor of the *Edmonton Journal* has written a long and interesting article on the National War Finance Committee. The article is a commendable contribution to the cause of the war effort. The National War Finance Committee is a body of men and women who are working hard to raise money for the war effort. They are doing this by selling war bonds and stamps, and by organizing drives to collect money for the war effort. The National War Finance Committee is a very important body, and it is good to see that the press is giving it the support it deserves.

WASTE PAPER STORAGE

The waste paper storage is still very much in demand. It is a very important part of the war effort, and it is good to see that the press is giving it the support it deserves. THE THREE HILLS CAPITAL

Issued Every Thursday
M. Leathley, Publisher

Well Done, Three Hills!

Since the last figures for the Victory Loan were published, the total reported by the Three Hills Victory Loan headquarters in the final report was \$147,854. This represents 167% of the quota, with 156 applications being received which is a large increase over the last loan. For this splendid achievement Three Hills was awarded three pennants.

High School Paper Next Week

The High School edition of The Capital will make its appearance next week when a mechanical and editorial staff of students chosen by the teachers, will assume the responsibility for all the editing and writings etc.

The students have entered upon this new venture with determination, and we can assure readers that the number will be a credit to those responsible for its production. Much stress is placed on the need for a closer understanding between home and school, and perhaps the publishing of the High School number will be a step toward this goal.

The student body will benefit financially from this unique undertaking and we bespeak for them the loyal support of the business men.

The New Masthead

Our readers will no doubt have noticed that the "Old English" masthead, which for so many years adorned the front page of The Capital, has given way for new a heading.

Many events of town and district have been printed in the pages of The Capital since the old heading was first set up in type. Roughly, 500,000 impressions have been printed from it, or about \$25,000 worth of copies.

And so, after those long years of usefulness it is committed to its last resting place—the hell box.

Crop Prospects Good

Over 12 inch of Rain Since
Last 10 Days

Seeing as the weather has been so good since the last report, and as the prospects for the wheat crop are so good, it is probable that the wheat crop will be a good one. The weather has been so good since the last report, and as the prospects for the wheat crop are so good, it is probable that the wheat crop will be a good one.

More wheat has been sown this year, because of the improvement in the wheat situation in general. The quota was recently increased from 14 to 18 bushels. The wheat delivered to local elevators total about 300,000 bushels for the last crop year.

It is estimated that there is in the neighborhood of 1,000,000 bushels of wheat in storage in the town. This example should inspire every farmer in the district.

The First School in Three Hills

Three weeks ago Mr. Leathley, principal of the school, would be interested in seeing a High School edition of The Capital. Since then my English classes have busied themselves with this project. The benefits derived through this enterprise have proven to be manifold. However, the first standing feature of eagerness was the genuine interest of every scholar in seeking out the intricacies of newspaper publishing. Besides the first hand experience of editorial work, advertising, reporting etc., the school as a whole will benefit by the strenuous effort of its students. I cannot just yet state the benefit in dollars as our share of the week's returns, but suffice it to say that we will realize a sum significant enough to allow us to place in our school a large and up-to-date dictionary.

May I conclude by thanking my English I, II and III classes; Mr. Leathley, the merchant, and the country reporters for their kindest co-operation in making this first venture into the field of publication, a complete success.

With this High School edition of The Capital it is perhaps fitting to present this brief description of our Town School and recall some of its early history. A commentary on the curriculum has been well taken care of by Allan Edwards in his article appearing on the back page.

The present school building is a landmark of the district. Of durable brick construction, it occupies a beautiful and spacious site on the south-east portion of the town. The Three Hills Town School provides modern educational facilities of the highest standard. The teaching staff possess excellent qualifications, while a fine spirit of co-operation exists between them and the School Board.

Referred again to the first time in Three Hills in the old Presbyterian Church (now Knox United) in January 1914, with Miss Katherine McElish as teacher. Three Hills School Board was organized October 31, 1912 at a meeting held in the C.P. McDonough residence, and consisted of A. E. Patton, chairman; A. A. Dakin, Geo. Peters, trustees; C. P. McDonough, secretary (all deceased).

Construction of the first school was started in 1914, financed by the sale of \$2,500 in debentures. It was opened January 1915, with Mr. Hugh Dakin and Miss Mary Douglas in charge. It is interesting to note that many of the first pupils still reside in the district following is a partial list of the first pupils: Weldon Patton, Dick Tugimier, Gordon Watson, Leola Peters, Chayne Patton (Mrs. Tom Ellis), Alveta Crist (Miss Ray Johnson), Jake Reimer, Marie Reimer, Johnnie McGillivray, Margaret McGillivray, Howard Bowman, Tom Bowley, Inez Pratt, Edna

Peters, Amy Arnold, Ruth Burroughs, Verna Burroughs, Frank Pratt, Esther Mattson.

In May, 1923, after being replaced by a new building, the former school was moved near main street where it has been used since as a Town Hall and Fire Hall.

Construction of the new building was completed in 1921, consisting of four rooms and assembly hall, at a cost of \$50,000. It was opened with the following teachers: H. G. Peters, principal; Miss Frances Knight, Miss Bertha Wilson, Miss Maude Herald.

In 1921 the School District was enlarged by the inclusion of fifty square sections. The school grounds were enlarged and a fence built around the property. The Board was composed of Messrs. J. J. Robertson, chairman; Geo. Bus and the late Wm. Ellis St.

In 1929, four more rooms were added, and also a home economics room, at an additional cost of

Important Board of Trade Meeting Next Tuesday

Local merchants were urged to attend the regular meeting of the Board of Trade next Tuesday in the Town Hall at 8 p.m. Early store closing will be discussed, and other important matters.

Plans are being made for the Elks' Annual Charity Fund Dance at Kruger's lake, August 9th. Keep the date open.

School Aids War Effort

At the commencement of the current school year 1923-24, the High School started its War Savings Campaign since that time the second week of every month is set aside as War Savings Week. From Monday to Wednesday each room representative accepts pledges from his or her fellow roommates, then at noon, Thursday, the Stamps are sold. A graph is used to denote the amount bought by each room.

Grade IX is at the top of the graph to date. The total amount of Stamps sold in the High School at present amounts to \$128.25.

879,000. The teachers at this time were, K. L. Young, principal; A. H. Dakin, Blanche Liphard, Lillian Bar, Ruth McLaren, Mary Whelan, Hannah Christensen, Mrs. E. C. Midgley.

Finances of the School are in excellent shape.

Stop Sales and Delivery Of Hot Air Furnaces

Temporary suspension of sales and delivery of all hot air furnaces in Canada and subsequent sales of these furnaces through essentialia verification is announced by the Prices Board.

Shortage of steel and labour limit production of these furnaces, and the supply will not reach over a year for replacements and new build.

A purchase permit grant will depend on type and stage of the building construction, and if any other kind of heating can be used.

Applications for certificates of essentiality for the purchase of hot air furnaces are available at regional and local offices of the Board.

Stampede Draws Huge Crowd

Dance Is Overwhelming Success

The Three Hills Third Annual Stampede on Wednesday was favored with ideal weather and the big event culminated all former years for attendance. The committee in charge had the program well in hand, and there was plenty of rough riding cowboys and wild horses to make the day a success. Most of the Stampede-stay was for the dance which was equally successful.

SHUR-GAIN News OF THE WEEK

INCREASE EGG PRODUCTION

One of the surest methods of increasing egg production is to take every precaution with the health of each bird. One of these precautions is to be sure you have plenty of water for your flocks at all times of year, and it is best to be sure of this by having a water supply that is not subject to frost.

Water is clean, and has good vitamin health. Water softens the food in their crop, aids in carrying food through the digestive canal, and dilutes the various digestive juices. Water is also vital to the blood supply of normal living animals, which is why it is so essential to their health.

A bird producing eggs will use water in the process of laying. Every healthy bird will drink water in the process of laying. It is better to have a bird that is healthy and will drink water than a bird that is unhealthy and will not drink water.

ANSWERS for Victory Gardeners

What kind of plants should I use in my Victory Garden?

The kind of crops you can produce on the kind of soil where you garden is important. There are many things you can grow on any soil, but some are better suited to certain soils. You should choose plants that will grow well on your soil.

What is the difference between Victory Gardens and home gardens?

Victory Gardens are small gardens, usually one to two acres in size, that are planted with vegetables and fruits to help the war effort. Home gardens are larger gardens, usually more than two acres in size, that are planted with a variety of plants, including vegetables, fruits, and ornamentals.

What's The Matter With Alberta?

Increasingly, some people are asking the question: "What's the matter with Alberta?"

The answer is simple. Alberta is a beautiful province with a rich heritage. It has a lot to offer its people, but it needs to be better managed.

There are two important things that need to be done in Alberta. First, the government needs to be more efficient. Second, the people need to be more responsible.

Only by doing these things can Alberta become the best province in Canada.

Let's all work together to make Alberta a better place to live.

... ask yourself this question

One look in your mirror will give you the answer... Am I man or mouse... am I one of those who take the other fellow for all the danger, who take all the risks? Look yourself over in the eye and ask yourself this question... Am I mouse? Am I man? You can see the G.I. badge on my sleeve... as bright as my button, my people may be firm. You'll need muscle of character to make you fighting fit. Your people is battle every man who has the courage to see it through. Consider's Army made you NOW, and made you for overseas service.

Ray Bell of Carstairs, C.P.F. Candidate, accompanied by his Campaign Manager Hugh Evans, and Frank How, President of the local C.P.F. Club, held a meeting at the Lumsden Hotel, Wednesday, July 26th. There was a good attendance and much interest shown.

On Thursday, July 27th friends and neighbors met at Sarsce school to pay tribute to a local young airman, Loe Clifford King. Miss Hugdon was pianist for the evening and contributed a piano selection. A duet was sung by Miss Hugdon and Ruth Huby. Gen. Somerville was Chairman and a pleasant evening was spent in community singing and reminiscences.

Mr. A. J. Cameron, one-half of the community, presented the young airman with a signet ring. Clifford, who was accompanied by his wife, very graciously thanked them present, after which lunch was served.

Lae Clifford and Mrs. King left Monday for Calgary, enroute to West Pt. Grey. Mr. King and Gordon accompanied them to Calgary.

Three-Day Rain Saves Crops

Rain fell steadily throughout the district during the weekend and although coming a trifle late, it undoubtedly saved the crop situation. It was not a cloudburst but a steady rain which was most beneficial. Snow cleared again on Tuesday morning and the C.N.R. rain gauge measured 2.65-100 inches of rain.

Roads were made impassable and many in the country were unable to return home Saturday night.

Sale and Redemption of Impounded Animals

Notice is hereby given under Sec. 48, Domestic Animals Act, Municipalities, that a brown gelding, age about 6 years old, wire cut on left forefoot, weight about 1200 lbs., age about 6 years, impounded in the pound kept by D. Kerschke, located on the N.E. 10-31-3-4 on Tuesday, July 18th, 1944, and that said animal was sold on July 20th, 1944, to Elmer Hilder of Ghost Pine Creek, Alta., and that said animal may be redeemed by the owner or on his behalf within a period of 30 days from the publication of this notice in the Alberta Gazette, upon payment of all fees and costs due to the municipality and the purchaser of said animal.

For information apply to the undersigned.

C.C.F. Meeting

An enthusiastic C.C.F. meeting was held on Tuesday evening with a good attendance. Grant Field, the C.C.F. candidate for this, was present but only spoke briefly as he was scheduled to speak at Trochu the same evening.

Raymond Bell, Candidate for Dildbury Constituency gave an interesting address, outlining in full the C.C.F. platform. Afterwards a discussion took place concerning the returned soldier problem and Mr. Bell was asked several personal questions on this subject.

Mrs. Edith Bridges spoke in support of the C.C.F. and dealt with the subject of natural resources. She explained how private enterprise could be made to benefit Canadian citizens as a whole.

A question period followed and the meeting closed with the singing of the national anthem.

Mr and Mrs. Alva White and Mr. Jack White have been visiting Mr and Mrs. W. A. Milne.

Mr and Mrs. E. M. Huxley, Melba, and Marie Dowell are holidaying at Pine Lake.

Miss Peggy Barnette is visiting at the Burian home.

Mr and Mrs. Fred Paul of Blairmore are visiting the latter's mother, Mrs. Mattias.

Miss Margaret Peterson of Da-Winton spent the weekend at home.

A shower, sponsored by the C.W.L. was held last Monday evening in the Elks Hall in honor of Miss Rosemary Kelly. The address to the bride was given by Mrs. W. A. Saunders. Mrs. Rosemary Edwards gave a reading and Theresa Hourigan played a piano solo. Mrs. E. P. Foster on behalf of the C.W.L., presented the guest of honor with a gift. Mrs. Barkley and Christine Raffan assisted in unwrapping the many lovely gifts after which dainty refreshments were served.

Born to Mr and Mrs. Alf Stewart, at Drumheller, on July 30th, a son.

NOTICE

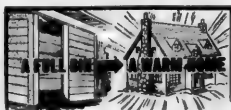

It has been brought to my attention that rumors have been circulated to the effect that I am supporting the C.C.F. movement.

"Nothing Could Be Further From The Truth"

I stated previously that I could not be a Candidate in the Dildbury Constituency owing to ill health, but that I am in complete agreement with the Independent program and would again ask you to support C. C. Gillespie, the Independent Candidate rather than the illusory promises of the C.C.F. or Social Credit.

There's a lot of talking in 1942 about how important it is to eat a nutritious breakfast every day. But what if you're a night owl, or you're a busy professional, or you're a student? You can't always eat a nutritious breakfast. But you can eat a nutritious lunch or dinner. And that's where Kellogg's Corn Flakes come in. They're a great way to get your daily dose of nutrition. Milk IS NOT ELASTIC

Milk is our most valuable food. It must provide us with milk to drink with butter, cheese, evaporated and concentrated milk and a score of other products.

Canadian farmers have done a magnificent job. They have increased

milk production in 1943 by more than 140 million quarts over 1938. They have done this by the use of a far greater use of farm equipment, machinery, and the fact that it takes two to five times as long to bring a calf into milk production.

WHY DOES MILK HAPPEN TO US ALL THIS MILK?

1. In the first place, farmers in Alberta have many farms. 2. In the second place, farmers in Alberta have many farms. 3. In the third place, farmers in Alberta have many farms.

SEEDTIME HARVEST

W. D. Abbott—A Tribute

Throughout Western Canada, W. D. Abbott is known as the author of "Family Hints from the Beaveridge Station." In the Peace River Block, he is known as a pioneer, a good farmer, representative of the representative citizen, a wonderful host and a true Canadian. For a day, seen as the Dominion Experimental Farm Branch has wanted to hold a day for Mr. Abbott, and some has named a greater word. The Beaveridge Station has given out of Mr. Abbott's homestead and its influence is apparent throughout "The Peace." His interest in the discovery of agricultural science has never changed and he has directed his life transforming those of science into more successful farm products and more attractive farm homes.

For many years ago, however, gentlemen can give to him from the name of tobacco and hard work. Mr. Abbott has one "Secret" but "Secret" Farmers and professional agriculturalists also use him a great deal.

As a result of hard work—perhaps his last—Mr. Abbott is obliged to rest for a period at these months. I, and he may after admiring produce, will really have the pleasure of meeting "Trudy Smith" for a time, just and we can look forward to an early re-encounter. We all gladly join in wishing him many more years of good health and of service to Canadian agriculture.

WEDDING

A pretty wedding was solemnized at St. Teresa's church, Lethbridge, on Saturday, September 23rd at 10 o'clock, when Mary Frolek, daughter of Mr and Mrs Andy Frolek, became the bride of Digby Laing, R.C.A.F., of Brampton, Ontario. Father Keenan of Trochu officiated.

The bride entered the church on the arm of her father who gave her in marriage. She wore a gold wide crepe dressmaker suit with matching accessories and a carriage of roses. Her sister, Christine Frolek, acted as bridesmaid. She wore a mauve dressmaker suit with matching accessories and a carriage of roses.

Joe Frolek, brother of the bride, was best man.

After the ceremony a wedding breakfast was held at the home of the bride's parents, followed by a reception.

The happy couple left for Calgary where the groom is at present stationed.

PADRE PAYS TRIBUTE TO LATE DUNCAN WHYTE

The foregoing letter was recently written by Mr. and Mrs. C. D. Whyte, following the death of their son, Duncan, who was killed in Italy. Dear Mr. and Mrs. Whyte:—

I write during a brief spell from other activities in the forward areas to express the sympathy we have as a foundation for the loss of your son, Duncan Craig

who fell under enemy fire, Oct. 17. He did not suffer. He was a good man. He had had him in our Bengal registers, which he well looked and cared for. He had his roots with these companies. Military regulations do not permit us to divulge his location.

Duncan was a grand soldier and a stout friend with all of us. His heroism and devotion to duty were well known to all his fellow workers and to his friends.

It is our ready belief that he will be worthy of his respect, and we shall be glad to build that better world for which Duncan has worked.

I know this flock will be a very good one, and I know that the thought of your son's death and the fact that he is in the hands of the enemy will be a great comfort to you and as he gave His Own Son for us all may He comfort you both who have given your own dear son for a happy world.

Yours most sincerely,
Roy C. H. Durnford, Padre

CHRISTMAS CARDS—printed at the Capital office.

To Have Peace of Mind

When you're sending money to outside people, it's wise to make sure the money GETS THERE.

Part of your Treasury Branch service is the issue of drafts and money orders that give you this peace of mind. All Treasury Branches issue Canadian negotiable drafts for amounts over one hundred dollars. Money orders are sold by all branches and are specified amounts.

When you wish to send money, use the Treasury Branch service. It's safe, convenient, low in cost.

Neil Bell to be Candidate For Legislature Seat

F. L. Neil Bell, former school teacher of Three Hills is an H. A. candidate in the election to be held between Jan. 8 and 20 for seats in the legislature representative of each of the provinces.

F. L. Bell is now in Britain awaiting return to Canada after having been repatriated from Sweden, where he and members of his crew were interned last April.

On a mission over the Red Sea he and his crew bailed out after their plane had been knocked out by enemy planes. They dropped on Swedish territory and were taken into custody by Swedish authorities. Before being interned F. L. Bell participated in twenty missions.

Two brothers are in the service. F. L. Bell is a navigator, at Yarmouth, N.S. Sgt. Bill Bell of Edmonton has just graduated as a flight engineer. Mrs. E. C. Bell, mother of the boys, resided at Beynon.

F. L. Bell enlisted in 1911, trained at Toronto, St. Catharines and Trenton, and received his wing as navigator Sept. 1912, going overseas the same month.

Send a gift subscription to the Capital for that friend or relative in the service this Christmas. No extra charge for mailing The Capital overseas.

CURLING NOTES

A meeting was held Nov. 17 for the purpose of organizing for the coming season. Four enthusiastic supporters turned out, and after a hot, not, Hamill, (in Dec. 11) another meeting is scheduled. Let's have the situation reversed. Hamill, a real live winter of curling. Women please note, you are more than welcome at the meeting (town hall, 8 p.m.).

Also please note, nobody but those who come to the meeting are allowed to grouse about it thereafter.

E. L. Larsen, Sec.

Electric Organ Dedicated At Christmas Service

Preceding the Christmas service at Bashaw United Church the new Minshall organ was dedicated and Miss Bonnie Wilson inducted as church organist. The new organ's flexibility of control impressed those present most favorably, and its introduction to Bashaw church people on this occasion opened up visions of even greater enjoyment as time goes on.—Bashaw J. ALBERTA POSTWAR SURVEY

Most advanced move undertaken in any part of Canada to obtain accurate facts and figures to aid Albertans in meeting their postwar problems will get under way in mid-January.

The plan is a sweeping one. The Alberta Postwar Reconstruction Committee knows that to meet with success, farmers, business-men and homeholders must give the plan their full cooperation. The management committee will be asked to provide detailed and accurate information on their postwar needs and plans. The information will be held in strict confidence and will only be used in bulk with other details. Here is summary of what the people will be asked to provide:

1. A report of the changes affecting them, which have occurred during the five years of war.

2. A statement of their expectations and plans for the postwar years.

3. Their suggestions of ways and means of facilitating the transition from wartime to peacetime economy.

4. Their recommendations for expanding industry, production,

services and employment in the province after the war.

The overall survey has been divided into three general sections: farm, business and household.

In each division, a representative section of the public will be asked to provide the information needed to ascertain the needs and plans of that group.

To facilitate the tremendous job of gathering the vast information the provincial survey committee under Reg. Ross, executive secretary of the Edmonton Chamber of Commerce, has divided the province into 25 sections. In each section it has selected the aid of a public spirited group such as boards of trade, agricultural groups and other such organizations.

It will be the men of these groups who will voluntarily tackle the job of gathering the detailed information through questionnaires and personal interviews. It is essential that real cooperation be given these volunteer workers.

Hon. A. J. Hunk, Chairman of the Postwar Reconstruction Committee, stated the survey must be made unless Albertans, as individuals and organized groups lend it their whole-hearted support.

More complete details will be announced by the survey management committee soon.

The POST-WAR RECONSTRUCTION COMMITTEE Government of Alberta

We build a "WORK FILE"—a reservoir of jobs for our returning active service men and women, challenges every citizen and all types of industry and business in Alberta. The key to successful post-war reconstruction is WORK-FILE.

WHAT ARE THE FACTS?

For the purpose of expanding and securing the employment of homefronters, before returning men and women, the Alberta Postwar Reconstruction Committee has been set up as a FACT FINDING BODY to seek out the location of jobs and job-making opportunities for the post-war WORK FILE.

25 REGIONS IN ALBERTA

The Province has been divided into 25 regions for the purpose of making a thorough and comprehensive job survey. Each region is headed by its own Regional Committee, headed in a central committee.

YOUR FACT-FINDER WILL CALL SOON

A representative from your Regional Committee will call on you during the period between January 15th and 31st. You can help by answering his questions calmly and accurately. The information will be of direct benefit to those who are now seeking job leads for us.

WATCH FOR FURTHER ANNOUNCEMENTS IN YOUR PAPER AND ON THE RADIO.

Future Growth is Important

In recent years interest in the development of new mining sites in Canada has been waning. The Canadian Council of Ministers of the Environment recently presented a report to the Advisory Council on the Environment, showing the decline on which many new sites were developed. The report revealed that 65 per cent of the mines now in operation were opened before 1910; 11 per cent between 1910 and 1930; 10 per cent between 1930 and 1950; and 15 per cent since 1950. Modern methods of accumulating new material deposits have replaced those of earlier practitioners. The report also noted that the number of new mines opened in 1980 was 11, compared with 100 in 1960 and 150 in 1970. May Leads Report on Sherman Outcroppings

Alfred Tager, Hans Pader, Peter Gernsmeier - Royal Tiger Tank

Many others and men of the 8th Airborne Division in Germany were killed. The tank crew was killed. King Tiger tank was the supreme gun in the heat tank is built to kill.

"Our Sherman are all right in their class but they are out classed - we have the new gun it is the best tank in the world. We have knocked out on 200 feet, but the men who did it say it is a question of time before we have a tank that kills with other tanks or tanks."

This Week's Pattern

[illegible][illegible][illegible]

in the months of the Anniversary, when the masses desire to know more about the work of the Party, and the program of the revolution, and one of the most important means of the advancement of the Party is the work of the Party's activists in the mass organizations, in the factories and farms, that is, in the places where the masses of the workers and peasants are concentrated, in the places where their most direct demands are felt. It is the duty of the Party's activists to go to these places, to explain to the masses the Party's program, to answer their questions, to help them to realize their demands, to bring down these demands and demands.

On naming the last article of the general administration (the article on the general administration) in the newspaper, the Party's activists must be able to give the masses the correct answer to the question: "What is the Party's program?"

All our efforts must be directed towards the realization of the Party's program, towards the realization of the Party's program, towards the realization of the Party's program.

To Have Peace of Mind

When you're sending money
to outside points, it's wise
to make sure the money
GETS THERE.

Part of your Treasury
Branch service is the loan
of drafts and money orders
that give you this peace of
mind. All Treasury Branches
in lower Canadian-posses-
sible draw for amounts over
one hundred dollars. Money
orders are sold by all
branches and specified
agencies.

When you wish to send
money, see the Treasury
Branch service. It's safe,
convenient, low in cost.

New Car Plates in March

New motor license plates for the
year commencing April 1 will be
available early in March.

The province has placed an order
for 50,000 steel plates which
will be delivered to provincial
authorities this month. Distribu-
tion to license issuing centres will
begin as soon as possible.

A single steel plate will be issued
with the license. The plate is to
be displayed on rear of vehicle.

Annual Congregational Meeting of United Church

Annual congregational meet-
ing of the United Church was held
on Friday evening with Rev. I. N.
Ridgway as chairman.

Reports were given by the
chairman of the various commit-
tees, and the financial statement
revealed a satisfactory state of
affairs.

It was felt that the minister's
salary was too low under present
conditions, and an increase was
recommended. It was decided to
continue with the improvement of
the church property.

Mrs. V. Hinton was elected or-
ganizer, Austin Sanderson as Sec-
retary and R. D. Duff, treasurer.

An anthem was rendered by the
choir, and lunch was served in the
basement of the church. During the
evening the electric lights were out most of
the evening.

Mr. and Mrs. Geo. Duff are spend-
ing the winter at Victoria.

The children will hold a
Valentine Dance on Wednesday,
Feb. 14th.

Miss Louisa Thomson, who is
leaving soon to train for a nurse,
was given a surprise party and
presented with a lovely toilet set.
The evening was spent playing
games, after which a dainty lunch
was served by the girls.

We have had a considerable
amount of mild weather so far this
winter and it is interesting to note
that a couple of weeks ago rain-
drops were seen in the Bowden district
according to an item in the Bow-
den News, while we also note that
a spring lamb was born in the
Loomis district lately.

We have been advised that the
Red Cross Blood Donor Club of
Calgary was offered the first
blood donation from a person in
the Three Hills district, Dean Mil-
son. Who'll be next?

FOR TURKEYS AND CHICKENS

The award for the best turkey in the 1944 Calgary Poultry Show
Dec. 12-15, went to the Halloway Turkey Farm of Brooks, one
of the largest turkey farms of Alberta. Here's what Mr.
Halloway has to say about Gold Medal Flocks:

"Ten years ago we started turkey production — a year later Gold Medal
Turkey Farms appeared on the market and, after using several brands,
Gold Medal Flocks became our choice. It is now that really makes turkey
raising a success. But later Permac and Roberts proved their high
breeds and after a little while, our best manufacturing the new vitamin
"Vitamin" was added to Gold Medal Turkey Farms and, presto,
our breeding turkeys are better. For the past four years we have
produced champions at Canada's Greatest Shows."

Annual Meeting of Electors

The annual meeting of electors of the Town of Three Hills and School District No. 14 held Friday morning with twelve persons present. After reading of the minutes of the last annual meeting, H. I. Waterbury outlined the report of the police committee. There were only three convictions last year and three for illegal use of purple gas which did not seem to correct the maintenance of an RCMP officer. However, it was suggested that there was a possibility of the government stationing a police detachment here.

Discussion of the financial statement then occupied the attention of the meeting.

Chairman Hyton then took over and the School meeting came to order. After the usual reading of the minutes and trustee report a discussion on high school education occupied the balance of the meeting.

In regard to the proposed centralization of high schools in the province, F. P. Foster stated that he had recently been in conversation with the minister of education and had been assured that it was not the intention of the department to close any of the existing high schools, but to increase their efficiency and take in larger areas. The opening of new or existing high schools in the smaller points is not recommended.

The question of dormitories for country students was discussed, but no action was taken.

It was moved by E. F. Foster and carried that the Three Hills High School offer to accommodate students within a distance of 20 miles to the east and west, and 5 miles to the north and south, and that the High and Drumheller school divisions be contacted in this regard.

The meeting adjourned at 10 p.m.

Congregational Church Presbyterian Ministry

The annual congregational meeting of the Presbyterian church was held Thursday with an attendance of 100. Supper was served in the basement of the church, followed by the business session which was in charge of Rev. J. M. Fraser.

Rev. Blackburn Superintendent of Missions for Alberta gave an address on missionary work and Mr. Harte was chairman.

Reports of the Ladies Guild, W.M.B., Christian Endeavor, C.G.I.T., Sunday School and the Church were given, showing that efforts are being made.

Officers for the Church Board were elected as follows: E. Potter, J. Davidson, R. Grant, G. Quigley, R. Wilson, Wm. Harte.

Boys Overboard Appreciate Christmas Parcels

Here are some letters of appreciation received by the Three Hills Christmas Fair and fund committee.

Thanks for all the exquisite chocolates and parcels which you the prophet Three Hills have been sending for nearly 3 years. Here in the land of the dyke and wind mill there are no real boy nothing everything that I have received is doubly welcome.

I do not know of any town or organization that shows as much regard for and appreciation of the efforts of the new generation.

I do know that the frequency of the gifts to me from you have attracted comment from my own friends. Sincerely

A. L. (Bert) McNaught

Just a few lines to thank you for the small parcel. You folks have really been wonderful in remembering us in parcels etc. I for one appreciate it and am proud to have come from Three Hills. I spent a very enjoyable Xmas and New Years. We got the best of care here in the hospital. My wound is almost healed and I expect to be out of here in a few days.

A. R. Hammerville

Once again I thank the folks of Three Hills and district for the very delightful Xmas parcel. The contents were most appropriate and you can take it from me these treats will go a long way toward making our Christmas a cheery one.

I would like all those associated with the gift to know how much I appreciate their thoughtfulness and generosity. Sincerely,

Pete Mescon

London, Sept. 10.—The British government today announced that it had received information from a reliable source that the German government had decided to accept the terms of the Potsdam Declaration. The declaration, which was issued by the United States, Great Britain, and the Soviet Union, called for the unconditional surrender of Germany. The British government said that it was pleased to hear that the German government had accepted the terms of the declaration, and that it was confident that the German people would soon be free from the tyranny of the Nazi regime.

SUNDAY SCHOOL LESSON
MATTHEW 11

Read the Gospel of Matthew, Chapter 11, verses 1 to 12. The Lord Jesus Christ, who had just finished His journey from Nazareth to Capernaum, now returns to His home town. He is met by His mother and brothers, who are surprised to find Him there. He then goes to the synagogue, and the people are amazed at His teaching.

Pool Payments Held Up

There will be no payment of principal dividends by the Alberta Wheat Pool this spring. Neither will there be any payment of reserves. Nothing can be done in the spring until the federal government makes a decision on the question of taxing co-operatives.

For some years past the Alberta Wheat Pool has been seeing substantial sums in the form of principal dividends and for the payment of reserves at about this time of year. Members who may be looking forward to the same will undoubtedly be disappointed to hear that these payments will not be forthcoming. Until it is made clear whether the federal government will tax such earnings or not these payments will have to be held up. If it is decided to tax the earnings the amount of the payment will be lowered by the amount of the tax.

In addition, the deputy minister said, it was necessary to improve storage facilities for grain and oilseeds.

The primary responsibility for creating a great training plan is to make sure that there remains a great responsibility for creating a training plan for the future. This we propose to discuss until victory is won.

The rooster gets its name from the Latin word for rooster, which means a rooster.

International Co-operation Must Be Made To Work In Order To Ensure Liberty And Keep Peace

ONLY the strongest understanding and co-operation among nations, in which Argentina has been most keen not to meet the possibility of a third world war that will make the world a very dangerous place to live. It is the only way to ensure the survival of the human race.

Local Horse Sales Seemed Highest at Calgary Sale

Three Hills sold produce some of the finest horses in the province. At the recent horse sale in Calgary where over 1400 head were sold, a horse owned by Ed Thompson brought \$117.80, second highest in the sale. In this string of 6 horses, the average price was well over \$100 each.

Three Hills had the sale in previous years. The record of horse sales is as follows:

1940—B. L. Shallen top price \$102 of M. Price, \$120.

1943—F. Bole, \$125.

A new bunch of 42 horses was shipped to Calgary from here and generally all found a ready sale at various prices. Many credit for the excellent showing in due to the manner in which they were exhibited and shown by Mr. W. H. Watson, one of our very efficient horsemen, Jim Grant.

S. L. Mac Kinnon has been given a ton day retirement. Mr. Mac Kinnon has been selling a well-mixed lot with his wife and infant daughter at the Hallowood home.

He returned in May 1941, and after 1942 he has not seen him in England, Africa and Italy. He has more than the average number of flying hours in his credit and has gained a first hand knowledge of the conditions during his travels.

P. O. Bell left last Thursday for Winnipeg after spending a couple of weeks at his home here. He recently returned from a 27-episode flight over enemy territory.

Napoleon Could Travel No Faster Than Caesar

But Roosevelt Could Span One-Third Of The World In 24 Hours

With all the great resources of an Empire, it is not surprising that the speed of modern travel has increased. Napoleon needed 102 hours to travel from Paris to Moscow. Today it takes only 24 hours to travel from New York to London.

When a difference today, T.C. plans to travel a similar distance in 24 hours. And from Washington, Roosevelt could have reached the Crimea in about a third of the way around the world in just a night and a day.

Today, through unbroken initiative and modern industry, man makes progress at a speed that is formerly slow as a snail.

Transportation In Canada

THE DEVELOPMENT OF FACILITIES FOR transportation is a part of the building of a nation. It is the backbone of the nation's progress and the key to its future. It is the lifeblood of the nation's economy and the foundation of its power. It is the bridge between the past and the future, the link between the old and the new, the connection between the world and the nation. It is the most important of all the things that a nation can do for itself, and it is the most important of all the things that a nation can do for the world.

vehicle under such circumstances. The new traffic regulations stipulate that a driver of a motor vehicle is obliged to stop his vehicle in the event of an accident until the owner gives proof of financial responsibility.

The Ministry of Justice has now issued a circular letter to the effect that, in settling up a manufactured judgment paid to be paid for accidents where the driver's motor car has been fully insured and is insured by the Motor Insurance and Guarantee by Risk Pooling of a new model and a new level. These financially responsible must in any case be able to have

their names also be entered in the Motor Insurance and Guarantee by Risk Pooling to participate in the life of their motor and added.

And for all those motor car owners who are financially responsible for their own motor cars, it is their responsibility for them to have the risk insured and freedom of the British Empire if they so desire.

I intend also to make a declaration of my intention to use all matters relating to the risk to be required to be determined between this country and the Dominions and that takes time.

New Type Is Being Made In The United States

Bureau reports officials have announced reports that the concept of a new type of aircraft has been officially known as T-30 and designed by the "Advanced Research Project Agency" at the Wright-Patterson Army Air Base.

The report says Mr. Patterson in a letterhead memorandum described the task assigned him by the chief of the agency as follows:

"To design a new type of aircraft built" and made its first trials give it power and speed like main while being able to fly at low altitude, prove them now previous American designs."

The birthright from Ages past that will build your better world of tomorrow

Biologically, the Canadian is the same as the Anglo Saxon. Both have the same origin, whether that be Adam or the fish of the sea. But somewhere in past eons pioneers among our ancestors became inspired with the yearning to progress. The spirit of advancement motivated their lives and the lives of those who came after them.

From the yearnings of the past came the achievements of today. And in such countries as ours, where individual initiative has had the opportunity of winning its reward, the entire nation has moved steadily onward and upward to standards of living and leisure ever higher than Man had known before.

In 1939 Monrovia Chemical Co. reported 39% of sales came from products they did not manufacture in 1929.

OBITUARY

The death occurred on Monday evening at 8 p.m. of Mr. Guesnon Seibert, who passed away at the Truett hospital. He was born on October 23rd, at Port Elgin, Ont., and came west to Delabury in 1901 where he farmed until 1907. He then moved to Three Hills district and resided on his farm north-west of town until death.

For the past twenty five years he was a member of the Oddfellows Lodge, and recently received his 35-year jewel.

Surviving are four brothers, Enoch, of Three Hills, Dave of Spirit Lake, Idaho, Walter of Ponfelli, Idaho, Harold of Tabor, and Jerry of Kirkland, Wash. and four sisters, Mrs. Archer of Delabury, Mrs. Watt of Nanton, Lucy of Calgary and Nora of Three Hills.

Funeral services will be held in the United Church on Friday at 2 p.m. in charge of the I.O.O.F.

Douglas Donald Dean, Kenneth Alvin Bebe and Gordon Dale Bebe were christened at the United Church.

Norman Priestly Addresses Meeting

There was a large attendance at the Group meeting on Tuesday last week. The meeting was addressed by Norman Priestly who spoke fully on the co-operatives movement. He outlined the programme for co-operative development in Canada.

At Winnipeg the Co-op marketing plan represents a half million dollar investment. During the past 20 years the Canadian Co-op has had a turnover of 33 million dollars in the livestock and grain marketing. In Alberta 730 out of 1,780 grain elevators are Co-op owned and operated.

Co-op enterprises have done nothing to assist in the marketing of livestock and their influence has led to a tendency to stabilize prices. In Alberta the Co-op Livestock Association has a turnover of two million dollars monthly.

In 1931 the Dominion U.F.A. consisting of 17 locals persuaded the Central office in Calgary to take over the management to supply car lots of points, flour and fruit. This was the beginning of co-op buying and the start of the credit associations in Alberta.

This is an opportunity for Three Hills district to acquire an unusually good business with the management in the hands of experienced merchants.

Mr and Mrs Bebe and George attended the Edmonton General Hospital graduation exercises this week.

Shower

A shower was held at the home of Mrs. Alva Teis on April 18th in honor of Miss Elva Meyer.

A program of music and recitation was enjoyed and a toast to the bride was given by Mrs. Theodore Teis. The guests of honor received many lovely gifts after which a delicious lunch was served.

Canada's Export Trade

THE PROSPECTS FOR THE FUTURE

Canada's export trade has been a source of pride and interest to Canadians for many years. The country's natural resources, its skilled labor force, and its advanced manufacturing industries have all contributed to its success as a major export nation. In the future, Canada's export trade is expected to continue to grow, as the country's resources are further developed and its industries expand.

New Markets In The Future

As the world's population continues to grow, the demand for goods and services will increase. This will create new opportunities for Canada's export trade. In particular, the growing economies of Asia and Latin America are expected to become major markets for Canadian exports. Canada's government is actively working to develop these new markets and to ensure that its exporters are able to compete effectively in the global market.

Producers Must Work Together

For Canada's export trade to continue to grow, producers must work together. This means that producers must coordinate their efforts to develop new products, improve their manufacturing processes, and expand their marketing efforts. By working together, producers can create a more competitive and efficient export sector for Canada.

SMILE AWWHILE

Smiling is a natural expression of joy and happiness. It is a simple yet powerful way to connect with others and to spread positivity. In a world that can often feel stressful and uncertain, taking a moment to smile can make a big difference. It can help to reduce stress, improve your mood, and even strengthen your relationships with others.

Smiling is also a great way to show appreciation and gratitude. It is a simple gesture that can go a long way in making someone's day. So, the next time you see someone, take a moment to smile. You never know when it might be the best thing you do all day.

Opportunities
for ALL

YOUR Liberal Government under Mackenzie King has shown practical sense in not doing anything to the way that there is a whole lot of money to be made in the real estate of this life. It can be done by giving everybody the opportunity to get ahead fast and go home.

But I don't want you to be a slave to make your money in 10 years or less.

Here are definite, practical steps which the Liberal Government has taken (and just what others, but others) to make this Canada a better place to work in and bring up your children.

You will have to decide whether you want the man who devoted these measures to carry them through, or whether you wish to support a man who has failed to carry them through.

- 1. International**
 Plans for jobs for 10,000,000 more workers than in 1939, and definite steps to be taken to create the opportunity for every kind of employment.
- 2. Foreign Trade**
 Liberal Government has taken steps to increase Canada's foreign export income. This income is made up of jobs, and it is based on the number of jobs created by the Liberal Government's foreign trade policy.
- 3. Guide for Immigrants**
 The Liberal Government has set up the Industrial Development Bank to help in the development of Canada's foreign trade. This bank is to help in the development of Canada's foreign trade.
- 4. Foreign Investment**
 The Liberal Government has set up the Foreign Investment Board to help in the development of Canada's foreign trade. This board is to help in the development of Canada's foreign trade.
- 5. New Investment**

Among those who have joined in the effort to plan for a truce and lasting peace are educators here and in other democratic countries. From them have come strong recommendations that a permanent international office for education be included as part of the world peace machinery. Should Learn Of Democracy

Wolfebush of Winnipeg, President of the Canadian Teachers' Federation, stated recently that "if the people of Canada do not succeed in building new intelligent informed loyal citizenship, we shall lose the war even though we win it; we shall march in triumph through the streets of Berlin." He further suggested that Canadian schools should be deliberately designed to provide education "in and for democracy" as a means of preserving our way of life. Such a program would place a great responsibility on those concerned in educational matters, but it might also be a

John Bruckon — The Farmer

'small business' ISN'T SO SMALL!

Ordinarily, our Canadian is every bit as glibly employed, secure, his livelihood is as well established as may be in a farm, a store or a humber-pod; an architect's office or a service station. Taken together, these individual enterprises provide a very substantial part of the nation's total jobs—must continue to do so after the war.

During the years ahead many people who dropped small business for war reasons will have to return to their accustomed or new ways of making a living. These old businesses will be revived. Many new ones will be started by returned men and people new to the war industries. The commercial banks will do their part to afford assistance that no second credit requirement need be laid down in the field of business.

As such businesses grow, they create additional job openings that will boost the picture of Canadian unemployment. Most large companies begin in a small way. And practically all could name some bank which played a part in their growth by providing the loans they needed to finance their day-by-day operations.

You can bank easily to save businesses, small or large, well established or just starting out. Banks do not finance such businesses—but they do furnish necessary working capital and many other forms of banking service.

BE PATIENT!

DON'T CONFUSE THE SIGNALS

War came. Most civilian goods had to be diverted to war needs. That caused shortages of civilian goods—that was the RED LIGHT.

Some restrictions have been lifted, but war demands are still great. We must help our Allies and the liberated countries. We can't neglect them.

(This is the YELLOW LIGHT ONLY).

It does not mean the end of shortages. Getting back to peacetime production will be piecemeal and gradual.

Goodwill, patience and energy now will assure a prosperous Canada tomorrow.

it's NOT the green light yet

Only after Victory over Japan can the Green Light be switched on, and the road cleared for peacetime production to meet all our civilian needs.

DR. E. W. HEATLY

Director

Life Extension Farm Society

(Winnipeg, Manitoba)

Introduction, Book No.

Farmers are provided with plenty

of instruction by professional agri-

culturists, and a a society available

and work. There is a necessity

to a difference between who the

post-annual agricultural thinks

should receive, in terms of money

and what actually does.

An interesting district agri-

cultural in central Alberta recently

attempted to measure the impor-

tance of various topics in terms of

farmer demand. He distributed a

questionnaire containing a list of

24 subjects and asked farmers to

indicate how much interest was in

each subject, "interesting," "very

interesting," "definitely inter-

esting." Nearly 200 farmers

completed the form.

From the summary of results it

was determined that the greatest

popularity was won by "How to

Control Wild Oats and Corn

Thrips," in second place was "Wild

Control" and "Flour Price, for

Farm Products" made third place.

At the other end of the list place

going to "Bookkeeping," 22nd to

"Farmers' Orchard and Garden,"

23rd to "Dry Cattle Inspec-

tion" and 24th to "Different Pro-

duction." Perhaps if the

questionnaire had been completed

by farm wives, the subjects might

have been ranked differently.

Since we have devoted so much

attention to women during the past

few years, it is gratifying to learn

that the group of farmers, at least,

attaches less importance to new

practical information than we had

previously. Unfortunately, since a

little money has been expended on

word research or extension work in

Canada, the required information

is too often not available.

(Take strange words to the nearest

Long English agent. He will send

them to us for stimulation.)

FAMILY ALLOWANCES?

An illustration of a man in a suit and a woman in a dress, both smiling and holding hands. They are standing on a stylized, wavy line that represents a path or a river. The man is on the left, and the woman is on the right. They are both looking towards the right side of the page. The man is holding a small object in his hand, and the woman is holding a small object in her hand. They are both smiling and looking happy. The illustration is in a simple, cartoonish style with bold outlines and no shading. The background is white. The overall tone is positive and encouraging.

FAMILY ALLOWANCES AND INCOME TAX

When the Family Allowances Act was passed, Parliament approved the principle that there should be no duplication of benefits by way of Family Allowances and Income Tax credits for the same child.

Family Allowances cheques will be paid in full every month. But for the last six months of 1945 an adjustment will be made to avoid duplication of benefits. The table below shows the effect of this adjustment and will enable taxpayers to determine the extent to which they will benefit from the adjustment.

| AMOUNT OF TAXABLE INCOME | | Percent of total income | |
|---------------------------------|------|-------------------------|-------------|
| Over \$1000 but not over \$1499 | 1499 | 100% | of |
| " " " " " " " " | 1499 | 70% | the |
| " " " " " " " " | 1499 | 20% | total |
| " " " " " " " " | 1499 | 60% | family |
| " " " " " " " " | 1499 | 40% | aftertaxmen |
| " " " " " " " " | 1499 | 10% | received |
| " " " " " " " " | 1499 | 10% | in the |
| " " " " " " " " | 1499 | 20% | year |
| " " " " " " " " | 1499 | 10% | total |

THE BENEFITS: The Family Allowances Act was passed to help equalize opportunities for all children. The monthly allowances will assist in providing medical, dental and nursing services, better food, better clothing and shelter.

Family Allowances are additional to dependent allowances for servicemen's families and military pensions.

Furthermore, Family Allowances are NOT taxable. You do not add these monthly payments to your total income when computing your income tax.

In the column at left is an explanation of the relationship between Family Allowances and Income Tax deductions for children. From the table given you can determine quickly the extent to which you will benefit.

REGISTER NOW!

If you intend to apply for Family Allowances but have not already done so, please act at once—in the interests of your children. Remember, the first cheque will be mailed in July, but only to those who have registered and are eligible to receive Family Allowances.

Consequent agricultural practices almost always cover the soil in the places that have been over and over again. Thus, in a 1960 report, the U.S. Forest Service said that in the last 50 years, "the forest has been cut down and the land has been left idle."

*'Here comes our cheque
Mummy!'*

All over Canada, in cities, towns, villages and on farms, hundreds of thousands of men and women watch for the postman to bring dependable allowance cheques as other people look for pay-day. They are people of all ages whose bread-winners are away on active service. They include returned men now yet back in civil life.

And soon there will be hundreds of thousands more back from the war. They will receive cheques to help them buy civilian clothes, to go to college, to get technical or vocational training, to start in business for themselves, or to set up as farmers or fishermen.

The banks have to be prepared to cash all official cheques for them and a dozen other purposes—and do so anywhere in Canada without charge. In fact, the banks supply Canada with the nationwide machinery to facilitate a grateful country's plans for returning service men and women to civilian life.

This is a tremendous task. It will entail a vast amount of bookkeeping. But you can be sure that your bank will take it in their stride without impeding regular banking service.

Rain in Nick of Time

Crops in this district which have been greatly in need of moisture received a fairly good soaking last night, so we went to press.

For "Have You Went Away" at the Lyric Theatre this week Saturday shows start at 8 and 9 o'clock. Please try to attend on Thursday, Friday or the only show Saturday if possible.

We wish to express our sincere appreciation to our many friends for their sympathy and kindness during our recent bereavement.

The Hansen family

I wish to express my thanks and appreciation for the cards and flowers from my many friends sent to me during my illness in hospital.

Mrs. R. A. Maurer

Walter A. Lank, Butley, brother of Mrs. M. D. Lank, was killed at the Kluks R.R. crossing on June 14th when he was struck by the southbound passenger.

The funeral was held on Wednesday.

Mr. Sgt. R. R. Kerr, who recently returned home, has received the British Empire Medal. He joined the R.C.A.F. in July 1940 and has been an instructor at the Mountain View air command school.

Frank Answorth of Calgary was a visitor Tuesday.

Jim and Bob Wallace attended the Red River rodeo.

Mrs. Reed of Florida is visiting her daughter, Mrs. Gordon King.

F. O. and Mrs. M. A. Lawrence are visiting at the home of the former's brother, Ural Lawrence.

Ghost Pine

Weather and roads permitting, Mrs. Geo. Ingals and W. B. McCormack of Prosser District Direct are of the U.P.A. and C.P.A., will attend a meeting of the U.P.A. at Lussan, July 3, at 8 p.m. Ladies please bring lunch.

F. O. Bishop left on Sunday morning enroute out. Mrs. Ingals, Jim and Edna, and Mrs. D. C. Little accompanied him to Edmonton.

Two ballgames were played here last week. Grand Folks were here Wed evening and Friday on Friday. Both games were in favor of the home team.

Word comes that Bert Falter of Chulivank, an old-timer of Ghost Pine, won a 1940 sedan at a draw.

The annual meeting of the board of Red River conference of the U.F.W.A. met at the U.F.A. hall last Tuesday afternoon. Mrs. Barker was hostess.

The conference opened with the singing of hymns after which Mrs. Barker referred to the loss our organization had sustained in the death of Mr. Gardner and asked for our support of the new president, G. E. Church. The minister's address was an absorbing one and members who had passed away during the year.

Mrs. E. N. Hughes gave the minutes and Mrs. Alton Barker in extending a warm welcome, told the conference that we, as Christians, people could get more people to live up to the ideal of better citizenship if it would make it more easier for the boys on their return home.

Mrs. Wallace of Calgary was the guest speaker and Mrs. Alton Barker sang two songs accompanied by Mr. Clayton. Jean Christie gave a piano solo and R. H. Riley a vocal solo accompanied by Anna Mae Wilson.

Mrs. Hughes, Mrs. Burns and Mrs. Lank were in attendance. Committee chair Mrs. J. A. Cameron presided.

At the close about 30 men joined to supper served by the ladies of the U.F.W.A.

W. N. Hansen and Mrs. Hansen and family spent the weekend evening acquaintance here.

The *Journal of the American Medical Association* (JAMA) has published a study that suggests that the use of a single, low-dose, long-acting antipsychotic drug may be more effective than a combination of two or more drugs in treating schizophrenia. The study, which was conducted by a team of researchers from the University of California, San Diego, and the University of California, Los Angeles, found that patients who received a single, low-dose, long-acting antipsychotic drug had a significantly higher rate of response to treatment than those who received a combination of two or more drugs. The study also found that patients who received a single, low-dose, long-acting antipsychotic drug had a significantly lower rate of side effects than those who received a combination of two or more drugs. The researchers concluded that the use of a single, low-dose, long-acting antipsychotic drug may be a more effective and safer treatment for schizophrenia than the use of a combination of two or more drugs.

← GHOST PINE →

Interest in this district was held in Washington recently, arranged by members of the Records, Dec. Adventist Church in honor of Mr. and Mrs. Frank Husley on the occasion of their fifth wedding anniversary. Mr. and Mrs. Husley resided in Ghost Pine district 25 years ago.

Out of town guests included Mr. and Mrs. Verne Husley and Nora, and Mr. and Mrs. Ed Husley of Ghost Pine, and many other relatives from Washington and Oregon. The guest book contained the names of about 100 relatives and friends.

The hall was beautifully decorated with flowers and fern, and the honored couple sat in their comfortable rocking chairs in front of a bank of flowers.

The couple was presented with a gift after which a quartette was rendered by a male quartette. Delicious refreshments were served. Mr. and Mrs. Husley were the recipients of many lovely gifts and the congratulations of all their friends.

Mrs. Veyteck sponsored a lovely dinner in honor of Marie Hourigan, a bride of this week.

The room was prettily decorated with blue streamers and garden flowers. Selections were given by Miss Amy Kermie, Rosemary Veyteck, Pete Hugs, Agnes Koppa. Mr. John Hugs had charge of a very original quiz, re the bride's grandmother, mother and two aunts and the bride herself, all having taught at Lonsdale school.

The gifts were brought into the room in a decorated baby carriage by Donna Little and Caroline Foster. Mrs. Little gave the address to the bride, and Mrs. Ed Husley presented a gift from the Lonsdale C.W.L.

The bride very graciously thanked everyone, after which a delightful lunch was served.

Obituary—Marion Rossie was born July 17 to Mr. and Mrs. W. Elbert. Her may was lost last night six hours and then like a fly her life did close. The time she came to dwell was just long enough to give a happy greeting and then to bid farewell. Burial took place in Three Hills cemetery July 19, Rev. Ph. A. Willeman officiating.
